

# MEMORANDUM

Council Agenda  
Item No. X. L  
8/27/2024

## The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Concurrence with the Oklahoma City Water Utilities Trust in adopting a Resolution rescinding the Final Acceptance of Project WT-0246, Hefner Surge System Operational Enhancements, Hefner Water Treatment Plant; amending Project WT-0246 to approve the claim in the amount of \$90,244.34; and thereupon approving Final Acceptance of Project WT-0246 as amended, and reaffirming the maintenance bond effective date as July 16, 2024. Ward 4.

**Location:**

Hefner Water Treatment Plant

**Background:**

The existing elevated surge tank at the Hefner Water Treatment Plant did not provide adequate surge suppression for the current water transmission system. This project was necessary to upgrade the old surge system to provide adequate surge protection from high pressure created during a power failure or startup event of the High Service Pump Station.

The project has been constructed in accordance with the specifications and was final accepted on July 16, 2024.

This Resolution amends the final claim amount to reconcile the project. The final pay application was not processed due to a clerical error. The final claim was accepted in the amount of \$87,444.34 and should be amended to \$90,244.34.

Federal Insurance Company and Fidelity and Deposit Company of Maryland is the surety company for the two-year maintenance bond. Bond No. K41608924/09404566 will remain in effect until the contractor and surety have fulfilled all responsibilities under the maintenance bond.

**Engineer:**

Smith Roberts Baldischwiler, LLC

**Contractor:**
