Re: Sole Source IPL Carts and Parts

Dear, Ms. Cavnar,

IPL N.A.- Macro Plastics Inc. is the sole manufacturer of parts that are compatible with IPL waste, Recycling, and organics collection carts. That being said, othe manufacturer's design will not fit our carts and attempting to retrofit IPL carts with any other parts other than our OEM parts would void any warranty provided by IPL as well.

Your new pricing for parts for the remainder of 2025 is as follows:

1. 1006376 Coupling rod bar 360 liter/ 95 gallon with RFID tags \$2.75 each
2. 1089431 Lid 360L/ 95 gallons/ Plain/ER/ FR /Dark Blue/ Oklahoma City \$17.75 each
3. 1008216 12' Rubber Wheel $\frac{3}{4}$ " axle Hub 4_ 594 HDPE Core \$9.63 each

We look forward to our continued partnership with the City in the future. Should you have any questions or concerns, please do not hesitate to contact me at any time.

Thank you in advance,

Jack
