

RESOLUTION AUTHORIZING THE SOLE SOURCE PURCHASE OF THE REPAIR AND REPLACEMENT OF DAMAGED STREET LIGHT POLES AND THE PURCHASE OF NEW STREET LIGHT POLES AND FIXTURES FROM OKLAHOMA GAS AND ELECTRIC (COKC00482), ESTIMATED COST \$300,000, AUGUST 3, 2024 THROUGH AUGUST 2, 2025.

WHEREAS, the Public Works Department has a need to repair and replace damaged street light poles and the purchase of new street light poles and fixtures from Oklahoma Gas and Electric (OG&E); and

WHEREAS, OG&E has agreed to install and maintain certain light fixtures; and

WHEREAS, a cost is associated with each fixture offered to the City and each fixture ranges in design from plain or basic fixtures to more decorative fixtures; and

WHEREAS, the biggest advantage is that the City installs only the conduit and footing for the light poles and OG&E pulls wire from a power source through the conduit to the fixture, installs the fixture, powers the fixture, and maintains the fixture from that point forward; and

WHEREAS, the City only pays the cost designated by OG&E for the purchase of the fixture; and

WHEREAS, staff requests authorization for the sole source purchase of the repair and replacement of damaged street light poles and the purchase of new street light poles and fixtures from OG&E (COKC00482), estimated cost \$300,000, August 3, 2024 through August 2, 2025; and

WHEREAS, there is a continuing need for the purchase of these supplies.

NOW, THEREFORE BE IT RESOLVED by the Council of The City of Oklahoma City that they do hereby authorize the sole source purchase of the repair and replacement of damaged street light poles and the purchase of new street light poles and fixtures from OG&E (COKC00482), estimated cost \$300,000, August 3, 2024 through August 2, 2025.

ADOPTED by the Council and signed by the Mayor of The City of Oklahoma City this
30TH day of JULY, 2024.
