WHEREAS, under the terms of a Lease Agreement dated February 27, 2020 (“Original Agreement”), Lessee did lease certain premises with a hangar located at the Airport to be used for storage of privately-owned aircraft; and

WHEREAS, the above said Original Agreement expired on December 31, 2024, and it is the desire of the Lessor and Lessee to enter into a new Lease Agreement for the Leased Premises (defined herein), at terms and conditions provided herein; and

WHEREAS, Lessor and Lessee desire to enter into this Agreement.

NOW, THEREFORE, for and in consideration of the mutual obligations, covenants, and agreements hereinafter set forth, Lessor and Lessee agree as follows, to wit:

ARTICLE 1. LEASED PREMISES

Lessor does hereby provide and lease to Lessee, and Lessee does hereby accept and lease from Lessor in its as-is current condition, one (1) individual 90 ft x 70 ft parcel, designated as Block 8, Lot 4 and as more specifically described within Exhibit “A” attached hereto and incorporated by reference (“Leased Premises”). The Leased Premises currently has a private general aviation hangar and other ancillary improvements (“Facilities”) located thereon.

ARTICLE 2. TERM AND TITLE TO FACILITIES

2.01 Effective Date

This Agreement shall be effective as of January 1, 2025 (“Effective Date”).

2.02 Lease Period

This Agreement shall be for one calendar year which commences on the Effective Date and terminates on December 31, 2029 (“Termination Date”) (“Lease Period”). Provided, however, it is understood and agreed that this Agreement may be subsequently approved by the City, as the successor in interest to the Lessor, but said approval shall be subject to the same Effective Date.

2.03 Compliance with Applicable Federal, State, or Local Law or Regulation

During the Lease Period, the provisions of this Agreement shall be modified as necessary to affirm compliance requirements with applicable federal, state, or local laws, policies or administrative regulation and all amendments thereto.

It is understood and agreed by the parties that title to the Facilities and other permanent improvements constructed, erected, or placed on the Leased Premises by the Lessee shall remain exclusively in the Lessee and shall remain on the Lease Premises and shall not be removed therefrom, during the term of this Agreement. In the event of cancellation or termination of this Agreement during the term hereof for whatever reason, or at the termination of this Agreement, Lessee shall remove the Facilities within thirty (30) days after such expiration, cancellation or termination unless otherwise agreed to in writing with the Director of Airport (“Director”). Should the Lessee fail to remove the Facilities within the prescribed thirty (30) day period, the Lessor may cause the removal of all or any portion of the Facilities at the sole risk and expense of the Lessee.

ARTICLE 3. PERMITTED USE OF THE LEASED PREMISES

ARTICLE 10. ALTERATIONS AND REPAIRS TO PREMISES

10.01 Director Approval

The Lessee may only make Minor Alterations and Minor Repairs to the Facilities or Leased Premises without the Director's approval. However, Lessee shall not construct, install, remove, modify, alter, improve, and/or repair any building structure, Facilities, or Leased Premises hereunder without prior written approval of the Director, such approval may not

be unreasonably withheld, conditioned, or delayed, but may be contingent upon approval of Lessee's site plan, approval of the building plans and specifications for the proposed project, FAA Air Space approval as described in Section 10.05, obtaining all applicable permits, Lessee or Lessee's contractor providing insurance and bonds, as well as other Lessor considered necessary condition(s). No construction, modification or alteration shall occur until Lessee has a written Notice of Authorization to Proceed with Construction from the Director as required herein.

10.02 Repairs by Licensed Tradesmen and Skilled Craftsmen

Any repairs or alterations to any utility servicing the Leased Premises or to any electrical, mechanical, plumbing equipment, or to the heating and air conditioning system shall be made by licensed tradesmen. All other repairs required of Lessee shall be made by skilled craftsmen who perform such work regularly as a trade. Lessee is required to obtain and pay for any and all inspection fee(s), permit(s), or license(s) required before making any repairs.

Lessee shall keep the premises leased hereunder free and clear of any and all liens in any way arising out of any construction, improvement, or use thereof by Lessee.

10.04 Title to Improvements or Alterations

In the event that Lessee makes alterations or improvements to the Leased Premises, the use thereof shall be enjoyed by Lessee during the remaining Term of this Agreement without the payment of additional fees therefor, but such alteration or improvements shall be subject to Section 2.04 at the termination or cancellation of the Agreement.

10.05 FAA Approval/Form 7460-1/Air Space Study

If applicable, Lessee shall, at its sole initiative and cost, complete the FAA's Form 7460-1, "Notice of Proposed Construction or Alteration" and provide the completed form to the Director for review and submittal to the Federal Aviation Administration ("FAA") for an air space determination study. The FAA's air spacing determination must be received by the Airport prior to commencement of construction or alteration of the Facilities. If the FAA indicates any impacts, then no construction or operations may begin or continue under this Agreement until the impact(s) are alleviated or determined to be manageable to the satisfaction of the Director. The Director will not authorize any construction until impacts are resolved or mitigated.

10.06 Soil Management

Lessor and Lessee shall discuss soil management for all construction activities prior to their approval of a project; provided however, the Lessor reserves the right to limit soil removal activities or to require the Lessee to dispose of soil excavated for Lessee's project in an appropriate landfill. In the event of landfill disposal, the Lessee shall be considered the generator for purposes of disposal.

Provided, however, any allowed Hazardous Materials shall only be stored temporarily pending disposal and only in a manner utilizing Best Management Practices and in compliance with all Environmental Laws. To the extent applicable, non-hazardous or

Hazardous Materials, and hazardous or non-hazardous waste generated from Lessee's activities or operations on the Airport shall be managed consistent with Environmental Laws and FAA AC 150/5320-15A, or as the same may be subsequently amended or replaced, unless otherwise agreed to in writing by the Lessor except to the extent inconsistent with Environmental Laws. Lessee shall maintain SDS for all Hazardous Materials. All drums, tanks, or containers that contain Hazardous Materials shall be properly labeled. If Lessee breaches the obligations stated in this Article or if the presence of Hazardous Materials or chemicals that may become Hazardous Materials on or migrating from the Leased Premises or use of the Airport is caused or permitted by Lessee or its agents, employees, contractors, or invitees and results in Contamination, or if Contamination occurs from Lessee's operations on the Airport, then Lessee shall be liable to Lessor and the City for any and all damages and reasonable and actual costs of investigation, response, remediation, and restoration relating to or resulting therefrom pursuant to this Agreement as well as any applicable federal, state or other relevant authority. During any term of this Agreement, Lessee shall maintain and produce, upon written request by the Director, a record of the date, the approximate amount, and type of any Hazardous Material that is Released in reportable quantities onto or from the Premises.

11.04 Compliance with Environmental Law(s) and Regulations

Lessee or Lessee's contractor shall conduct all of their activities: (a) in compliance with Environmental Laws, the environmental provisions of this Agreement, the Lessor's rules and regulations and any other applicable laws and regulations; (b) in cooperation with the Lessor in the Lessor's efforts to comply with applicable Environmental Laws; and (c) in adherence with Best Management Practices applicable to the Lessee's use of the Leased Premises. In the event of a conflict between any provisions of this Agreement or any Environmental Laws, the more stringent provisions shall govern. Lessee shall be responsible for any applicable permits or licenses necessary for the discharge or runoff associated with its use of the Leased Premises. Any request for a no exposure certificate shall be communicated in advance with the Lessor. Lessee shall provide documentation to Lessor evidencing compliance with State and local industrial stormwater programs, and any other applicable environmental regulatory program including, but not limited to, all permits, authorizations, certifications of no exposure, inspection reports, monitoring reports, and spill reports required to be submitted. Lessee or Lessee's subcontractor's shall include Lessor in all communications Lessee has with any state or local environmental regulatory entity regarding Lessee's compliance with state and local environmental regulations regarding the Leased Premises or the Airport. If Lessee's subcontractor is conducting any activity at the Airport that is subject to any environmental regulatory program, Lessee is still required to meet the provisions of this subparagraph.

11.05 Hazardous Materials Release

Without limiting the foregoing, if Lessee or its agents, employees, invitees, or contractors should in any manner Release Hazardous Materials upon the Leased Premises or Airport in reportable quantities, Lessee shall be strictly, jointly, and severally liable to the Lessor, and shall incur and assume all liability pursuant to Environmental Laws relating to such Release. Lessee or its agents, employees, invitees or contractors shall respond to the Hazardous Materials Release in compliance with all Environmental Laws including any required reporting as well as prompt removal of such Hazardous Materials and any resulting Hazardous Materials Contamination with agency oversight, as required by

Environmental Laws. Notwithstanding any other provisions regarding of this Agreement and in the event of assignment of the Agreement of any portion of the Leased Premises covered by this Agreement, then both the Assignee/Assignor, whichever the case may be, shall be jointly and severally responsible to fully comply with this Article whether such Hazardous Materials Release or Contamination occurs before, during, or after such assignment of the Leased Premises or use of the Leased Premises or Airport by the Assignee/Assignor.

A. Immediate Response

After notifying 9-1-1 and providing any other notifications required by Environmental Laws, Lessee shall immediately notify the General Manager of the Airport at 405-316-4016 of any Release of Hazardous Material(s) in a reportable quantity as such Release is known to Lessee or Lessee's assignee. Lessee shall immediately respond to such Release in order to contain, remove, recover, clean, and dispose as necessary, and shall remove, to the extent reasonably practicable but in all cases in compliance with Environmental Law, all Released or accumulated fuel, oil, grease, Hazardous Material or Contamination caused by Lessee's operations. In the event of a Release of Hazardous Material in a reportable quantity, Lessee shall timely complete all required reporting obligations, including to the regulatory agency or agencies with jurisdiction over the Hazardous Material Release.

B. Mitigation and Remediation

Lessee shall promptly undertake, at Lessee's sole expense, or cause Lessee's assignee to undertake, all actions necessary to ensure that any violation of Environmental Laws or violation of the environmental provisions of this Agreement, or any Release of Hazardous Material or Contamination by Lessee, its officers, directors, employees, agents, contractors, assignee, and invitees in any way associated with the Leased Premises or Airport is permanently mitigated to prevent further reoccurrence and remediated to such a condition that a no further action determination of completion or its equivalent is obtained from the regulatory or equivalent agency or agencies with jurisdiction over the Hazardous Material Release and/or the Contamination. As a basis for obtaining a no further action determination, Lessee may not rely on any limiting condition or restricted use of the Lessor's property unless such conditional or restricted use has been approved in writing by the Lessor, in Lessor's sole and exclusive discretion, prior to the regulatory agency's approval. The Leased Premises and Airport shall be reasonably returned to the condition existing prior to the Release of any such Hazardous Material or as otherwise agreed to by the Trust in its sole and exclusive discretion.

Prior to proposing any limiting condition or restricted use as the basis for corrective action or remediation proposal to a regulatory agency, Lessee shall seek the Lessor's approval of corrective action or remediation using a risk based corrective action approach to achieve a no further action or equivalent determination of completion. Should the Lessor approve such an alternative risk-based approach in the sole and exclusive discretion of the Lessor, which shall not be unreasonably withheld, then the Lessee agrees that it shall remain liable for, and indemnify and hold harmless Lessor from, any environmental costs and liabilities the Lessor may

incur in relation to any residual contamination and residing on Lessor property after Lessee has completed such a risk-based corrective action, which liability and indemnification shall survive the termination of this Agreement without limitation pursuant to Section 11.06 below.

With respect to risk-based cleanup and subject to Lessee's continuing obligation to indemnify Lessor for any Hazardous Materials on the Leased Premises, the Lessor agrees to reasonably approve cleanup criteria and investigation, monitoring, and remediation activities that comply with Environmental Laws and are consistent with both current uses of the Leased Premises as well as the Lessor's future development plans.

C. Lessor's Rights of Notice, Review and Comment

Lessee shall provide the Lessor advance draft(s) of all proposed workplans, reports, submissions, correspondence, approvals, and the like relating to response, remediation, or restoration action deliverables to be submitted to the regulatory agencies and shall allow the Lessor reasonable time of not less than sixty (60) days to submit comment and to provide Lessor approvals for any proposed risk-based remediation approaches prior to their submission to the regulatory agencies. Within thirty (30) days following completion of any response, remediation, or restoration action required by this Agreement or the Environmental Laws, Lessee shall provide the Lessor with a written report outlining, in detail, actions taken, and milestones achieved, including full and complete copies of all documentation relating to same.

11.06 Environmental Indemnification

In addition to all other indemnities provided in this Agreement, Lessee agrees to defend, indemnify, and hold the Lessor and the City free and harmless from and against any and all claims, causes of action, regulatory demands, liabilities, fines, penalties, losses, and expenses, including without limitation cleanup or other remedial costs (and including expert and consulting fees and costs, reasonable attorneys' fees and costs, and all other reasonable litigation expenses when incurred and whether incurred in defense of actual litigation or in reasonable anticipation of litigation), arising from the generation, manufacture, processing, use, Release of chemicals and products that are or may become Hazardous Materials, the existence or discovery of any Hazardous Materials or violations of the Environmental Laws on the Leased Premises, the subsurface or the migration of any Hazardous Material from the Leased Premises to other properties or into the surrounding environment, in each case caused by the Lessee or its operations or those by Lessee's assignees whether or not: (a) made, commenced, or incurred during the term; or (b) made, commenced, or incurred after the expiration or termination of this Agreement if arising out of events occurring during the term; provided, however, Lessee's obligation to indemnify and defend the Trust and City pursuant to this Section shall not apply with respect to either: (a) any Hazardous Material Released by the Trust, its Trustees, officers, agents and employees; (b) any Hazardous Material demonstrated to have been Released by a third-party's activities unrelated to Lessee's or any assignee's activities; or (c) any Hazardous Material (for which Lessee is not otherwise responsible) clearly demonstrated to have: (a) existed prior to this Agreement or be migrating onto the Leased Premises from some other location, and (b) through no action, inaction, or fault of Lessee.

11.07 Remedies not Exclusive

No remedy provided herein shall be exclusive. The Lessor shall be entitled to any and all remedies at law or in equity, including without limitation, full reimbursement from Lessee whenever the Lessor incurs any costs or experiences any reasonable quantifiable loss, liability, or damage resulting from Lessee's use, generation, or Release of Hazardous Materials on the Leased Premises, including but not limited to, costs of investigation, clean-up, or other remedial activities, fines or penalties assessed directly against the Lessor, injuries to third persons or other properties, and loss of revenues even if any such loss, liability, or damage occurs after the expiration or earlier termination of the Agreement.

11.08 Environmental Reporting and Permitting

Lessee shall make available to the Lessor upon request copies of all SDS for all Hazardous Materials used or stored on the Leased Premises or elsewhere on the Airport. To the extent applicable, Lessee shall provide the Lessor with copies of any environmentally related regulatory permits or approvals (including revisions or renewals) and any plan, report, or notice Lessee maintains on the Leased Premises or Airport, or receives from, or provides to, any governmental unit or agency in connection with Lessee's use, generation or management of Hazardous Materials or the presence, or possible presence, of any Hazardous Materials or Contamination in, on, about, from, or adjacent to the Leased Premises. Lessee shall make available to the Lessor, upon request, copies of all stormwater-related plans, reports, and compliance documentation as deemed required by state, local or federal laws or regulation.

11.09 Violation of Environmental Laws

If Lessee [or its assignee causes or contributes to a violation of any Environmental Laws concerning the presence, use, generation, storage, disposal, or other management of Hazardous Materials, Lessee shall promptly take such actions as are necessary to mitigate and correct the violation. If Lessee does not act in a prudent and prompt manner, the Lessor reserves the right, but not the obligation, to enter the Leased Premises, to act in place of the Lessee (Lessee hereby appoints the Lessor as its agent for such purposes) and to take such action as the Lessor deems necessary to ensure compliance or to mitigate any violation. If the Lessor has a reasonable belief that Lessee is in violation of any Environmental Laws, or that Lessee's actions or inactions present a threat of violation or a threat of damage to the Leased Premises, human health, safety, and/or the environment, the Lessor reserves the right, but not the obligation, to enter the Leased Premises and take such corrective or mitigating action as the Lessor deems necessary. All reasonable and necessary costs and expenses incurred by the Lessor in connection with any such actions shall become immediately due and payable by Lessee upon presentation of an invoice therefor. Interest shall accrue on all unpaid sums at the rate of one and one-half (1.5%) percent per month.

ARTICLE 12. LESSOR'S RESERVED RIGHTS

12.01 Airport Development Reservation

Lessor reserves the right to further develop or improve the Airport's aircraft operating area as it sees fit and to take any action it considers necessary to protect the aerial approaches of the Airport against obstructions, together with the right to prevent Lessee from erecting or permitting to be erected, any building or other structure on the Airport which, in the

opinion of Lessor, would limit the usefulness of the Airport or constitute a hazard to aircraft.

12.02 War or National Emergency

During a time of war or national emergency declared by Congress, Lessor shall have the right to lease the Airport or any part thereof to the United States Government for military or naval use, and if any such lease is executed, the provisions of this instrument insofar as they are inconsistent with the lease to the Government shall be suspended and, in that event, a just and proportionate part of the rent hereunder shall be abated.

12.03 Subordination

Any other provision of this Agreement notwithstanding, this Agreement shall be subordinate to the provisions of any existing or future agreement between Lessor and the United States, relative to the operation or maintenance of the Airport, the terms and execution of which have been or may be required as a condition precedent to the expenditure or reimbursement to Lessor of Federal funds for the development of the Airport. To the extent any provision of this Agreement is in conflict with any grant assurance, rule or regulation imposed on the Lessor by the United States Government or other regulatory entity, the provision of the grant assurance, rule or regulation shall be incorporated in this Agreement as if written specifically herein and Lessee shall agree to abide by such grant assurance, rule or regulation as a condition precedent to the use of any facilities or premises of the Lessor.

12.04 Right to Enter

Lessor, through its duly authorized agent, shall have at any and all times the full and unrestricted right to enter the Leased Premises for the purpose of inspection or maintenance and for the purpose of doing any and all things which it is obligated and has a right to do under this Agreement during normal business hours with advanced notice provided to the Lessee except no notice shall be required when such entry is to prevent injury, damage, or harm to persons or property on the Leased Premises in an emergency.

12.05 Reservation of Rights

Lessor reserves all rights and remedies that Lessor may otherwise have at law or in equity and the exercise of one or more rights or remedies will not prejudice the concurrent or subsequent exercise of other rights of remedies.

ARTICLE 13. NONINTERFERENCE WITH OPERATION OF AIRPORT

Lessee covenants and agrees that it will not allow any condition on the Leased Premises, nor permit the conduct of any activity on such premises, which shall materially or adversely affect the development, improvement, operation, or maintenance of the Airport or its facilities; nor will Lessee use or permit the Leased Premises to be used in any manner which might interfere with the landing and take-off of aircraft from the Airport or otherwise constitute a hazard. If any proscribed or prohibited condition or activity, as described above, shall be permitted to exist on the Leased Premises, the Lessor may terminate the Agreement. Provided, however, should the condition create a health, safety or welfare condition necessitating immediate abatement or correction of the condition interfering with operation of Airport, the Lessor, by and through the Director may immediately abate or correct the condition at Lessee's expense without any prior notice as

described in Article 20.

ARTICLE 14. UTILITY SERVICES TO BE FURNISHED BY LESSEE

The Lessee shall not permit, install, or construct any utility or utility line on the Leased Premises without prior written approval from the Director or his designee. The Lessor shall not be required to furnish any utility service to the Leased Premises, including by way of example, but not of limitation, telephone, electric, water, internet fiber, wi-fi, television, and gas. Neither the Lessor nor the City shall be liable for any failure of any service by any utility or other service provider; likewise, neither the Lessor nor the City shall be liable for injury to persons (including wrongful death) or damage to property resulting from any utility or services which may flow from or to any part of the Leased Premises; or for interference with any such related easements of whatsoever nature, however caused. The Lessee shall make all of its own arrangements for utility service and other service companies and shall pay all charges for utility and other services used in or about Leased Premises. Lessee shall defend, indemnify, and hold harmless the Lessor and the City against any and all liability on account of such utility services. Any easement needed for utility services on the Leased Premises or Airport shall only be granted by the Lessor.

ARTICLE 15. PERSONS AND PROPERTY ON LEASED PREMISES AT RISK OF LESSEE

All persons and property of every kind which may be on said Leased Premises during the term hereof shall be at the sole risk of the Lessee or those claiming under it and the Lessor shall not be liable to the Lessee, or any person whatsoever, for any injury, loss, or damage to any persons or property in or upon said Leased Premises, or upon the sidewalks and alleyways or other contiguous areas thereto. The Lessee hereby covenants and agrees to assume all liability for or on account of any injury, loss, or damage above described, and to defend and to save the Lessor and the City harmless therefrom. Lessor shall not be liable for acts of injury or damage that may arise to persons or property on said Leased Premises or Facilities, or that may occur during the Lessee's tenancy or occupancy.

ARTICLE 16. TAXES

To the extent any taxes are assessed pursuant to applicable law or any assessment is not subject to the Trust's exempt status, Lessee agrees to pay all present and future taxes or, in lieu of taxes, special assessments now or hereafter levied or assessed for taxes arising during the term of this Agreement: (a) upon the Leased Premises and Facilities; (b) upon property owned or possessed by Lessee and situated on the Leased Premises; or (c) upon Lessee's interest in or use of the Leased Premises. Lessee shall defend, indemnify, and save Lessor and the City harmless from any claims or liens in connection with such taxes or, in lieu of taxes, assessments.

ARTICLE 17. MISCELLANEOUS COVENANTS

17.01 Rules and Regulation Compliance

Lessee shall observe and comply with any and all present and future requirements of the constituted public authorities and with all federal, state, or local laws, policies, administrative regulations, and standard rules applicable to Lessee or Lessor for the intended use of the Leased Premises, including by way of example, but not of limitation,

all general rules and regulations promulgated from time to time by the Director in connection with the administration of the Airport.

17.02 Signs and Advertising

Lessee shall not erect, maintain, or display any signs or other advertising at or on the Leased Premises or other Airport premises without first obtaining the written approval of the Director, such approval not to be unreasonably withheld.

17.03 Noise or Sound Shock Waves

Lessee hereby agrees to make no claims or file or cause to be filed any legal or equitable actions against Lessor or the City for any kind of damages which results from noise, vibration, or sound shock waves due to aircraft use of the Airport's facilities.

17.04 Communications Equipment

Lessee shall not install, maintain, or operate, or to grant to any third party the right to install, maintain, or operate any wireless network, satellite dish, antenna, wireless communications equipment, meteorological, aerial navigation, distributed antenna system, UHF and VHF radio system, internet access equipment or systems, or other similar related equipment or systems (collectively "Communications Equipment") that could cause or be used to create electrical interference with communication between the Airport, the control tower, and any aircraft, make it difficult for flyers to distinguish between airport lights and others, impair visibility in the vicinity of the Airport, or endanger the landing, take off or maneuvering aircraft or interfere with security systems or the services provided by any Airport communications.

In the event that any of Lessee's Communication Equipment should create an Airport Interference or violate this Section at any time, the Lessee shall disable such system immediately upon notification from the Director and collaboratively work with Lessor's staff to resolve any conflicts before such Communications Equipment may resume operations.

17.05 Wildlife Attractants

Lessee shall not use or permit the use of the Leased Premises in a manner that could attract birds and other wildlife, or which may pose a hazard to aircraft. Lessee shall not use plants or live materials, on the Airport, which attract wildlife as identified by the USDA (see Wildlife Mitigation and Best Practices reference document at flyokc.com/rules-regulations).

ARTICLE 18. AERONAUTICAL MINIMUM STANDARDS

The Aeronautical Minimum Standards shall be defined as the "Minimum Standards for Aeronautical Activities and Leasing of Land and Facilities at Oklahoma City Airports", effective January 1, 2023, as the same may be amended and revised from time to time. Said Minimum Standards are incorporated herein and made a part hereof by reference. To the extent the Minimum Standards and this Agreement conflict, this Agreement shall control.

ARTICLE 19. INDEMNITY AND INSURANCE

19.01 Indemnity

Except as otherwise provided in Article 11, Lessee hereby agrees to release, defend, indemnify, and save harmless the Lessor and the City and their officers, agents, and employees from and against any and all loss of or damage to property or injuries to or death of any person(s), or all claims, damages, suits, costs, expense, liability, actions, demands, liens, fines, encumbrances, or proceedings (including all reasonable legal fees and expenses) of any kind or nature whatsoever in matters resulting from, or arising out of: (a) Lessee's acts or omissions, negligence, misconduct, operations, or activities under or in connection with this Agreement; or (b) in matters resulting from, or arising out of Lessee's use and occupancy of any portion of the Airport, and including, without limiting the generality of the foregoing, acts and omissions of Lessee's officers, employees, representatives, suppliers, invitees, contractors, subcontractors, and agents. Provided, however, Lessee shall not be liable or be required to release Lessor for any loss, damage, claims, suits, cost, expense or actions occasioned by the negligence or willful misconduct of the Lessor, the City, or their officers, Trustees, and employees. The parties covenant to give each other prompt notice of any claims. The foregoing indemnity shall survive the expiration or earlier termination of this Agreement.

19.02 Insurance

Lessee shall purchase, or cause to be purchased, and maintain in effect during the Term of this Agreement with insurance carriers or risk retention groups having an AM Best rating of A-VII or better, or equivalent rating from a comparable and reputable rating service, who are authorized to do business in the State of Oklahoma, any insurance required by this Section. The insurance and additional insured requirements contained in this Agreement are considered minimum coverage amounts and Lessee may elect greater coverage limits than what is specified in this Agreement or as may be required by law. All applicable coverage, unless specified otherwise, shall remain in full force and effect until the expiration, cancellation, or termination of the Agreement and for the subsequent two (2) years following the expiration, cancellation, or termination for loss covered by and occurring during the term of the Agreement.

A. Commercial General Liability Insurance

Lessee shall carry a policy of Commercial General Liability Insurance, which must include coverage for aviation exposure, and contractual liability, to protect the Lessee and any additional insured parties from claims for bodily injury, including death, as well as from claims for property damages or loss which may arise from activities, omissions, and operations of the Lessee under the Agreement, whether such activities, omissions, and operations be by the Lessee, subcontractor, or by anyone employed by or acting for the benefit of the Lessee in conjunction with this Agreement in a combined single occurrence or accident of \$1,000,000 for any number of property or bodily injury claims arising out of a single act, accident, or occurrence.

B. Aircraft Liability Insurance

Lessee shall carry Aircraft Liability Insurance covering all owned, leased, and/or operated aircraft (including aircraft in which Lessee owns a fractional share or does

not wholly own) with a minimum combined single limit for bodily injury and property damage of \$1,000,000 per occurrence or accident. Verification shall be produced upon request.

19.03 Property Insurance

Lessee shall purchase and maintain in effect, during the initial and renewal term(s) hereof, with responsible underwriters approved by Lessor and authorized to do business in the State of Oklahoma, a blanket "all-risk" form type of policy with the broadest extended coverage endorsements attainable, including, but not limited to, loss or damage caused by wind, hail, fire, flood, earthquake, and such other perils and hazards on the Facilities' building and improvements and Lessee's personal property, including boiler and machinery coverage, situated on the Leased Premises to the extent of the full replacement cost thereof. The Lessor and the City of Oklahoma City shall be named as an additional insured for all insurance on buildings and structures when owned by the Lessor or as a loss payee for all buildings and structures owned by the Lessee and title may transfer to the Lessor in the future.

The Lessee shall furnish the Lessor with certificates of such insurance issued by insurance underwriters, evidencing the existence of valid policies of insurance with the coverage specified, which certificates shall not be amended so as to decrease the protection below the limit specified herein or be subject to cancellation without at least thirty (30) days advance written notice to Lessor.

19.04 Certificates of Insurance

A. Deductibles

Any policy, except Worker's Compensation and Employer's Liability, having a deductible or retained self-insurance that exceeds \$25,000 shall not be allowed unless such insurance program is approved in advance by the Director, such approval shall not be unreasonably withheld. Lessee shall notify the Director immediately if Lessee has deductibles or retains self-insurance in excess of this stated amount. Lessee shall be solely responsible for any allowed deductible or retained self-insurance amounts. Any elected deductible or self-insured retention of the Lessee will not diminish Lessee's liability under this Agreement for claims or losses falling within any such deductible or self-insured retention amounts. Failure by Lessee to assume and pay for any deductible or retained self-insurance amount may be considered a material breach and may result in immediate termination at the Lessor's option. During the term of the Agreement, the Lessee's elected insurance program exceeds any previously approved deductible or retained self-insurance amount, or if there is a change in the financial conditions of the Lessee which in the Director's sole discretion may impact the Lessee's ability to satisfy any deductible or retained self-insurance, then the Director may require Lessee to take such reasonable actions to ensure first dollar of loss coverage to the Lessor and City including reducing or eliminating such deductibles or self-insured retentions or providing a financial guarantee for the deductible or retained self-insurance amount.

B. Certificate of Insurance

Certificate(s) of Insurance, approved by the Oklahoma Insurance Department for any policy providing coverage at the Airport shall be submitted to the Lessor prior to the Effective Date of this Agreement and maintained throughout the Term of this Agreement. The Certificate(s) of Insurance must include all of the line(s) of insurance, name(s) of insurance companies, policy number(s), amount of any deductible and coverage limits as required in the Agreement, all additional insured parties, and any required contractual liability coverage as required within this Section 19.04 and be signed by the authorized representative of the insurance company.

C. Additional Insured

The Certificates of Insurance shall name Lessee as insured and the Oklahoma City Airport Trust and The City of Oklahoma City as additional insured (equivalent in coverage provided to the Lessee as a named insured). Additional insured status must be shown on the Certificates of Insurance.

D. Subordination and Subrogation

Any insurance policy or liability coverage of the City or the Lessor shall be considered subordinate, if applicable at all, to any coverage of the Lessee coverage shall at all times provide and state that it shall be primary coverage. Lessee waives right of subrogation or claims of contribution by the Trust or the City.

E. Notice of Change in Policy

Lessee must provide the Lessor at least thirty (30) days prior written notice of any cancellation, non-renewal, or material coverage change in their policies or to have an endorsement made to each policy to include such notice periods in the event the policy provides a different notice period for any additional insured(s).

F. Inspection of Policy

In the event of a claim related to the Lessee's operations at or from the Airport and the Trust or City is a named party, then the Trust and the City reserves the right to inspect complete copies of any insurance policies required in Article 19 that name the City or Trust as an additional insured. In this event, said policies shall be made available by the Airline for inspection and review on a timely basis at the Airport.

G. Signatory

The Certificates of Insurance must be signed by an authorized representative of the insurance company(s).

H. Contractual Liability

The Certificate of Insurance for the Commercial General Liability Insurance shall provide coverage for Lessee's contractual liabilities as required herein. In the event the Certificate of Insurance does not delineate coverage for Lessee's contractual liabilities or the Lessee's insurance policy does not provide sufficient coverage for the Lessee's contractual obligations contained in this Agreement, Lessee agrees that Lessee's contractual obligations to the Lessor are not diminished by the Lessee's elected insurance provisions. Applicable coverage, unless specified

otherwise, shall remain in full force and effect until the expiration, cancellation, or termination of the Agreement.

C. Failure to Maintain Insurance

If Lessee fails to maintain the foregoing insurance or fails to provide a current certificate of insurance to the Lessor, the Director may assess a \$100 per day fee on the Lessee for each day that the Lessee is not in compliance.

D. Umbrella Coverage

In the event the Contractor relies on excess or umbrella insurance to satisfy the requirement of this Article, any such policy shall follow form and be no less broad than the underlying policy, shall cover the term of the underlying policy without interruption, and shall include a dropdown provision with no gap in policy limits.

ARTICLE 20. TERMINATION FOR EVENTS OF DEFAULT

20.01 Termination by Lessor

In the event that Lessee shall fail to perform, keep, and observe any of the terms, covenants, or conditions to be performed, kept, and observed (“Event of Default”), Lessor may terminate the agreement. Prior to termination for non-monetary Events of Default, Lessor shall give thirty (30) days written notice to Lessee to use due diligence to correct such condition or Event of Default. If Lessee shall not abate or correct such condition or Event of Default for thirty (30) days after receipt of such notice, or such other time as agreed to in writing by the Lessor, by and through the Director, the Lessor may terminate this Agreement after giving ten (10) day termination notice and the term hereby demised shall thereupon cease and expire at the end of such ten (10) day notice period in the same manner and effect as if it were the expiration of the lease term. Prior to termination for Events of Default for the non-payment of rent, fees or other monies as set forth in this Agreement and also known as monetary Events of Default, the Lessor shall give thirty (30) days written notice to Lessee to pay said delinquent amount and if said amount is not paid in full by the expiration of the thirty (30) day notice period, Lessor, by and through the Director, may elect to immediately terminate the Agreement without further notice or time to cure provided to the other party.

20.02 Lessor’s Option to Eliminate Event of Default

As an alternative to termination of the Agreement for any non-monetary Event of Default by the Lessee, Lessor may enter the Leased Premises itself or by its agents, contractors, or employees, during normal business hours with advanced notice provided to the Lessee when reasonably possible, without such entering causing or constituting a termination of this Agreement or an interference with possession of the Leased Premises by the Lessee, and the Lessor may correct such condition and the Lessee shall pay the Lessor, within thirty (30) days after submission of an invoice, the expenses Lessor incurred to correct said condition. Lessor may terminate this Agreement and all of its obligations hereunder by giving Lessee ten (10) days written notice upon or after filing by Lessee of a voluntary petition in bankruptcy.

20.03 Meeting

Within the thirty (30) day notice period set forth in Section 20.01 for monetary or non-monetary Events of Default, the parties may meet to discuss and to try to resolve any Events of Default in lieu of termination of this Agreement.

20.04 Notices

Notwithstanding Sections 20.01, 20.02 and 20.03, Lessor may terminate this Agreement and all of its obligations hereunder after providing thirty (30) day written notice of termination if Lessee shall voluntarily abandon the Lease Premises except when such abandonment be caused by acts of God or force majeure events that are beyond either Lessee's or Lessor's reasonable control including fire, floods, earthquake, tornadoes, labor disputes, war, acts of terrorism, health related pandemic, or other similar calamity.

20.05 Repossession

In the event the Lessor terminates this Agreement for default of the Lessee and after the expiration of the notice of termination has expired, Lessor may enter upon and repossess the Leased Premises or any part thereof and possess the improvements thereon, or any part thereof, and declare all rent remaining for the unexpired term of the Agreement to be due and owing (said repossession and possession being hereinafter referred to as "repossession") by force, summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass, and may remove Lessee and all other persons and property therefrom. In the event of repossession by the Lessor, the Lessee shall release, defend, indemnify and save harmless Lessor and the City, and their officers, agents and employees, from all claims, damages, suits, actions, costs, expense or liability of whatsoever nature arising from the Lessor's repossession of the Leased Premises as authorized herein; provided, however, Lessee shall not be liable for or release the Lessor or the City from any loss or damage caused by the sole negligence or willful misconduct of the Lessor, the City, or their officers, agents or employees in connection with any repossession activities authorized herein.

20.06 Relet of Leased Premises

From time to time after the repossession of the Leased Premises or any part thereof whether or not the lease term has been terminated, the Lessor may, but shall be under no obligation to: (a) relet the Leased Premises or any part thereof, for the account of Lessee in the name of Lessor or otherwise, or (b) issue one or more revocable permits for the occupancy or use of the Leased Premises or any part thereof, for such term or terms (which may be greater or less than the period which otherwise would have constituted the balance of the lease term) and on such terms (which may include concessions or reduced rent or fees) and for such uses as Lessor in its sole discretion may determine, and may collect and receive as rent or fees therefor. Lessee shall indemnify and hold Lessor harmless for any deficiency received by Lessor upon such reletting or issuance of one or more revocable permits, all without prejudice to any other remedy available to Lessor.

20.07 Monies Due After Termination

No termination of this Agreement and no repossession of the Leased Premises or any part thereof shall relieve the Lessee of Lessee's obligations and liabilities under this Agreement, all of which shall survive any such termination or repossession. In the event of any such termination or repossession, whether or not the Leased Premises or any part thereof shall

have been relet or shall have been reoccupied or used pursuant to a revocable permit, Lessee shall pay to Lessor the rent and other sums and charges to be paid by Lessee up to the time of such termination or repossession. Thereafter Lessee, until the end of what would have been the full term of this Agreement, shall pay to Lessor, as and for liquidated and agreed current damages for Lessee's default, the equivalent amount of the rent and such other sums and charges which would be payable under this Agreement by Lessee if this Agreement were still in effect, less the net proceeds, if any, of any reletting, or of any issuing of a revocable permit, effected after deducting therefrom all expenses in connection with such reletting by Lessor, or in connection with such issuance of a revocable permit by the Director, including, without limiting the generality thereof, all repossession costs, operating expenses, reasonable attorneys' fees, alteration costs, and expense of preparing for such reletting by Lessor, or for the issuing of a revocable permit by the Director.

20.08 Strict Performance

No failure by Lessor to insist upon the strict performances of any term hereof or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial rent during the continuance of any such breach, shall constitute a waiver of any such breach or of any such term.

20.09 Breach

In the event of any breach or threatened breach by Lessee of any of the terms contained in this Agreement, Lessor shall be entitled to enjoin such breach or threatened breach and shall have the right to invoke any right and remedy allowed at law or in equity or by statute or otherwise, except this Agreement shall be terminated only in the manner set forth herein.

ARTICLE 21. WAIVER OF STATUTORY NOTICE

In the event Lessor exercises its option to terminate this Agreement for any reason, any notice of termination given by Lessor to Lessee as provided in this Agreement shall be sufficient to cancel and terminate this Agreement. In this connection, Lessee hereby expressly waives the receipt of any notice to quit or notice of termination which would otherwise be given by Lessor under any provisions of the laws of the State of Oklahoma, including, but not limited to, notices required to be given under any section of Title 41 of the Oklahoma Statutes. Upon such termination, Lessee hereby agrees that it will forthwith surrender possession of the Leased Premises to the Lessor.

ARTICLE 22. TRANSFER OF MAJORITY INTEREST, VOTING CONTROL, OR OWNERSHIP

If any individual or group of individuals, or any other entity presently owns or possesses a majority interest, equity position, voting control, or ownership in Lessee, then a transfer of a majority interest, equity position, voting control, or ownership of Lessee, including by sale, merger, consolidation, or other reorganization (collectively referred to as a "Change in Control"), shall be deemed to be an assignment of this Lease Agreement that requires the express written consent of the Lessor, as provided in Article 23. As used in this Lease Agreement, a "Change in Control" means a change in the ownership of more than 50% of the outstanding voting equity interests of Lessee or a change in the possession of the power to direct or cause the direction of the management and policies of Lessee, whether through the ownership of voting equity, by statute, or according to the provisions of a contract. If a Change in Control occurs without the prior written

approval of Lessor, then the Lessor may terminate this Lease Agreement under the provisions of Article 20 hereof. If Lessee is a “reporting company” as defined in the Corporate Transparency Act or other similar public disclosure reporting requirements and there is a Change in Control of Lessee, such change shall be reported to Lessor in conjunction with any reporting required by the Corporate Transparency Act or other similar public disclosure reporting requirements. If Lessee does not make such disclosure to Lessor, Lessor may terminate the Lease Agreement under the provisions of Article 20 hereof. Any person or entity with a majority interest, voting control, or ownership of Lessee, regardless of the form of the entity, shall have sufficient financial resources and operational experience to conduct the operation and activities permitted on the Leased Premises under this Lease Agreement. As required by Article 23, at least ninety (90) days prior to any Change in Control, Lessee shall submit written documentation to Lessor showing good and sufficient financial worth and adequate experience in the operation of the Facilities on the part of the contemplated transferee, and evidencing the intent of such contemplated transferee to expressly assume in writing, and agree to be bound by and fulfill all of the terms, covenants, obligations, and agreements contained in this Lease Agreement, the sufficiency of which shall be in the sole discretion of the Director.

ARTICLE 23. ASSIGNMENT

23.01 Written Approval for Assignment

Lessee shall not assign or sublease this Agreement or any interest therein by operation of law, process or proceeding of any court or otherwise, unless in compliance with Article 23.

In any event, no assignment shall be made or shall be effective if Lessee is in default on any of the terms, provisions, covenants, and conditions contained in this Agreement or without the prior written approval of Lessor. The assignee shall expressly assume in writing and agree to be bound by and fulfill all terms, covenants, obligations, and agreements contained in this Agreement.

23.02 Lessee Continuing Liability

In the event of any approved assignment, the assigning Lessee shall remain liable to Lessor pursuant to Article 11 of this Agreement for events arising prior to the date of such assignment. Further, in the event of any such approved assignment subject to this Article, the assignee shall not assign any portion of the Leased Premises except with the prior written approval of Lessor, and any and all Lessee assignments shall contain a clause to this effect.

23.03 No Subleasing

Subleasing all or any portion of the Leased Premises or interest in this Agreement is prohibited.

ARTICLE 24. GENERAL CIVIL RIGHTS PROVISIONS

In all its activities within the scope of its airport program, the Lessee agrees to comply with pertinent statutes, Executive Orders and such rules as identified in Title VI List of Pertinent Nondiscrimination Acts and Authorities to ensure that no person shall, on the grounds of race, color, national origin, (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability be excluded from participating in any activity

conducted with or benefiting from Federal assistance. This provision is in addition to that required of Title VI of the Civil Rights Act of 1964.

If the Lessee transfers its obligation to another, the transferee is obligated in the same manner as the Lessee. The above provision obligates the Lessee for the period during which the property is owned, used, or possessed by the Lessee and the Lessor remains obligated to the Federal Aviation Administration.

ARTICLE 25. CIVIL RIGHTS TITLE VI ASSURANCE

25.01 Title VI Clauses for Compliance with Nondiscrimination Requirements

During the performance of this Agreement, the Lessee, for itself, its assignees, and successors in interest agree as follows:

A. Compliance with Regulations

The Lessee will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Agreement.

B. Nondiscrimination

The Lessee, with regard to the work performed by it during the Lease Period, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in the selection and retention of contractors, including procurements of materials and leases of equipment. The Lessee will not participate directly or indirectly in the discrimination prohibited by the [Title VI] Nondiscrimination Acts and Authorities, including employment practices when the Agreement covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

C. Solicitations for Subcontracts, including Procurements of Materials and Equipment

In all solicitations, either by competitive bidding or negotiation made by the Lessee for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Lessee of the Lessee's obligations under this Agreement and the [Title VI] Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

D. Information and Reports

The Lessee will provide all information and reports required by the Acts, the Regulations, and the directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Lessor or the Federal Aviation Administration to be pertinent to ascertain compliance with such [Title VI] Nondiscrimination Acts and Authorities and instructions. Where any information required of a Lessee is in the exclusive possession of another who fails or refuses to furnish the information, the Lessee will so certify to the Lessor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

E. Sanctions for Noncompliance

In the event of a Lessee's noncompliance with the nondiscrimination provisions of this Agreement, the Lessor will impose such contract sanction [in accordance with any applicable notice and cure provisions provided for in this Contract] as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

1. Withholding any payments to the Lessee under the Agreement until the Lessee complies; and/or
2. Cancelling, terminating, or suspending an Agreement, in whole or in part.

F. Incorporation of Provisions

The Lessee will include the provisions of [Section 25.01, subparagraphs] A through F, in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Lessee will take action with respect to any subcontract or procurement as the Lessor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Lessee becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Lessee may request the Lessor to enter into any litigation to protect the interests of the Lessor. In addition, the Lessee may request the United States to enter into the litigation to protect the interests of the United States.

- Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101, *et seq.*), which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;
