

MEMORANDUM

Council Agenda
Item No. X. U
4/9/2024

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Concurrence with the Oklahoma City Water Utilities Trust in ratifying and approving Addendum No. 1; awarding contracts to Ellsworth Construction OKC, LLC, Project WM-0342, Lake Road Pavement Rehabilitation South, \$3,755,398.35, and Project WM-0343, Lake Road Pavement Rehabilitation North, \$3,704,103.23, Lake Atoka; and approving the contract and bonds.

Location:
Lake Atoka

Purpose:
To ratify and approve the addendum and award construction contracts.

Justification:
The addendum was required to add the bid items, modify the plans, add pre-bid meeting minutes, add geotechnical reports, and answer questions from potential bidders. The addendum modifications take precedence over the original plans and specifications.

Background:
The existing four miles of pavement have deteriorated due to poor base material and a thin layer of asphalt pavement. These projects will improve the base structure of the road and replace the existing pavement surface. The south section of the road experienced expedited deterioration due to the frequency of heavy trucks and equipment during the Atoka Spillway project (WC-0864). This project provides for the replacement of the southern two-mile section of road (WM-0342) with an alternate bid for the northern two-mile section (WM-0343).

Engineer:
Poe and Associates, Inc.

Tabulation of Bids:

On March 6, 2024, the following bids were received:

Base Bids

Ellsworth Construction OKC, LLC	\$3,755,398.35
Rudy Construction Company	\$3,681,084.40
Silver Star Construction Company	\$4,990,000.00

Alternate Bids

Ellsworth Construction OKC, LLC	\$3,704,103.23
Rudy Construction Company	\$3,791,654.20
Silver Star Construction Company	\$4,865,000.00

Lowest and Best Bid:

Ellsworth Construction OKC, LLC in the amount of \$7,459,501.58.

Notification:

Addendum No. 1 was issued to prospective bidders on March 1, 2024.
