

# MEMORANDUM

Council Agenda  
Item No. IX. AL  
5/21/2024

## The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Preliminary Report, Project MB-1649, Driving Facility at the Public Safety Training Facility, between I-240 and SE 104th Street, South Air Depot Boulevard and South Midwest Boulevard; and authorizing preparation of final plans and specifications. Ward 4.

**Location:**

Between I-240, SE 104th Street, South Air Depot Boulevard and South Midwest Boulevard

**Background:**

This American Rescue Plan Act (ARPA) project provides for high-speed driving track with a straight-away and banked curves, a 5,047 square foot driver training building with restrooms, offices, a training room, and a drive-through vehicle bay where tires can be repaired. A driving skill pad will be built adjacent to the track.

Final Plans are expected in Summer 2024, with construction scheduled to begin in early 2025.

**Architect:**

ADG Blatt PC

**Estimated Construction Cost:**

\$4,624,800

**Source of Funds:**

Grant Management-Department of the Treasury Grants Management Control-Covid-19 American Rescue Plan-Public Safety Training Center-Non-Capital A&E (019-6980-9808000-GCOV19ARP-GAR1E-52044002)

**Review:**

Public Works Department

**Recommendation:** Report be approved and authorize City Engineer to direct the consultant to prepare final plans and specifications.
