

MEMORANDUM

Council Agenda
Item No. IX. C
9/26/2023

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution authorizing the sole source purchase of non-lethal training rounds from Ultimate Training Munitions (SS24-C247057), estimated cost \$100,000, September 27, 2023 through September 26, 2024.

Purpose:

To authorize the sole source purchase of non-lethal training rounds from Ultimate Training Munitions (UTM) for the Police Department.

Background:

The Police Department has a need to place all sworn personnel through Active Shooter Training. The most effective and beneficial type of training is realistic to simulate real world situations that officers may encounter. The best way to accomplish this is through force-on-force scenario training utilizing a combination of role players and monitoring instructors that place student officers in various scenarios.

The training utilizes Ultimate Training Muniton (UTM) rounds that are non-lethal marking rounds in weapons platforms that have been modified to only accept these types of rounds and prevents the loading or firing of a live round, ensuring a safe training environment for student officers, role players, and instructors.

Ultimate Training Muniton (UTM) is the sole manufacture for non-lethal marking rounds, which no other company makes a similar or competing product that closely matches what the officers carry on duty. GT Distributors is an authorized dealer, however, the local GT Distributor stated they are not authorized to sell UTM products in the State of Oklahoma.

Staff requests Council approve the sole source purchase of non-lethal training rounds from Ultimate Training Munitions (SS24-C247057), estimated cost \$100,000, September 27, 2023 through September 26, 2024.

Estimated Cost:

\$100,000
