Item No. IX. J
3/25/2025

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution authorizing the purchase of heavy-duty trucks from State Contract (COKC01539), estimated cost \$2,500,000, retroactive to February 7, 2025 through February 6, 2026.

Background:

City departments and Trusts have a continuing need to purchase heavy-duty trucks, 25,500 pounds and over, which are available through a State contract. These larger-sized trucks are not included on the State's regular vehicle contract. If staff believes better pricing can be obtained through the City's formal competitive bidding process, specifications will be advertised, and contracts will be awarded through this process.

The estimated cost for this agreement is based on previous expenditures for this commodity. The City is under no obligation to purchase from this agreement. All purchases are subject to future appropriations and the availability of funds.
