The City of OKLAHOMA CITY

TO: Chairman and Trustees of the Oklahoma City Public Property Authority

FROM: Craig Freeman, City Manager/General Manager, OCPPA

Renewal of Contract with CP-Integrated Service Inc., Project MC-0691, Oklahoma River Annual Sediment Dredging, east of MacArthur Boulevard on the Oklahoma River (North Canadian River) and Sediment Removal from Lake Basins – Oklahoma River from Eastern Avenue to Meridian Avenue, retroactive to July 1, 2022 through July 1, 2023. Wards 3, 4, 6 and 7.

Location:

East of MacArthur Boulevard on the Oklahoma River (North Canadian River) and Sediment Removal from Lake Basins – Oklahoma River from Eastern Avenue to Meridian Avenue.

Background:

This annual contract will provide for perpetual maintenance of the North Canadian River/Oklahoma River requires a method of removing the sediment in the sedimentation basin, as well as any sediment that has reached the lakes basins. This project seeks unit pricing from contractors to provide cleaning and maintenance of the sedimentation basin and cleaning of the three lakes basins on an as-needed basis. The successful bidder will be responsible for maintaining the sedimentation basin and the three lake basins as directed by the City Engineer.

The contract provides a defined pricing structure based on competitive unit price bidding and will allow the contracts to be administered and specific work orders to be issued as the need arises.

These contracts, at the City's option, are renewable annually for a period of three fiscal years, until July 1, 2024. This will be the first of the two renewals.

Staff recommends that contracts be renewed to ensure adequate availability of sediment removal services.
