City Staff,

I am submitting this information to the court regarding the case to rezone the property of the now deceased James and Patrick Harrison.

The re-zoning application was submitted by Johnson & associates on April 28, 2025. Case number PUD-2074.

My name is Jamey Harrison and I am the co-trustee and executor of the JK and PJ Harrison family living revocable trust in which the property is owned.

Some 30+ years ago my father, Mr. Harrison, built two new houses on the property with address 11300 SE 89th St, OKC.

There is an existing house just to the East of these new houses.

Property around and behind these three houses was given to me by my dad some 3+ years ago. Deeds were filed at that time.

This left only 5 acres total in the trust belonging to JK and PJ Harrison with 3 houses within this boundary.

I am required to sell all three houses to settle the trust. I discovered that the property is currently zoned agriculture and does not meet the 5 acres per house requirement.

Please consider this information in the decision to grant the re-zoning to residential for these existing dwellings to be in compliance with the zoning regulations.

Contact me if there are any questions or concerns.

Thank you for your quick resolution and consideration,

Jamey Harrison
