

MEMORANDUM

OCMFA Agenda
Item No. MFA. A
1/30/2024

The City of OKLAHOMA CITY

TO: Chairman and Trustees of the Oklahoma City Municipal Facilities Authority

FROM: Craig Freeman, City Manager/General Manager, OCMFA

Renewal of Joint System Purchase Agreement with The City of Oklahoma City and L3Harris Technologies, Inc., for a P25 Phase II 800MHz Trunked Simulcast Radio System and Microwave Network, estimated cost \$1,500,000, February 9, 2024 through February 8, 2025.

Background:

On March 28, 2017 (OCMFA Item No. MFA.C.2, City Council Item No IX.N.2), the City of Oklahoma City (City) and the Oklahoma City Municipal Facilities Authority (OCMFA) approved a Joint System Purchase Agreement with L3Harris Technologies, Inc. for the purchase of P25 Phase II 800MHz Trunked Simulcast Radio System and Microwave Network.

The term of the agreement was March 28, 2017, through June 30, 2020, with the option to renew for nine additional one-year periods for the purchase of equipment and continued maintenance. The project implementation was delayed, so the term ending date was extended from June 30, 2020 to February 9, 2022 to accommodate the implementation completion and one-year warranty period.

On March 1, 2022 (Item Nos. MFA.A and IX.BN), the agreement was renewed for the period of February 9, 2022 through February 8, 2023.

On February 14, 2023 (Item Nos. MFA.B and IX.AL), the agreement was renewed for the period of February 9, 2023 through February 8, 2024 retroactively.

The P25 Phase II 800 MHz Trunked Simulcast Radio System is used by the Development Services Department, Fire Department, General Services Department, Municipal Counselor's Office, Parks Department, Police Department, Public Information Office, Public Works Department, Risk Management Office, Utilities Department, various City affiliates, and multiple external agencies.

The renewal of this Agreement shall be for the purpose of system maintenance and/or upgrades, technical support, and purchase of hardware replacement, parts, or equipment, as necessary, to stay current with the Software FX major system releases.

Estimated Cost:

\$1,500,000

Source of Funds:

OCMFA General Purpose - IT Projects-ASGN - IT-Public Safety - PSC Trunked Radio
