RE: Recommendation of Contract Award
OCAT WRWA 2424 Baggage Claims Unit Replacement
AIP 3-40-0072-093-2024

Honorable Chairman and Trustees:

Construction bids for referenced project were received on May 1, 2024. A detailed tabulation of bids is enclosed.

During our review of the bids and inquiries with the apparent low bidder, Globe Construction Co., of Oklahoma City, they indicated that they intend to use Robson/Ranger as their baggage handling system subcontractor. This baggage handling system integrator is approved per the project specifications and is acceptable.

Based on our review, we recommend that the Base Bid be awarded Globe Construction Co. in the amount of \$4,363,227.00

We appreciate the opportunity to work with you on this important project.

Sincerely,
Parkhill
