

MEMORANDUM

Council Agenda
Item No. IX. CQ
6/20/2023

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Final Plans and Specifications to be advertised for bids, Project M4-VA026, MAPS 4 Downtown Arena Phase 2F Arena Upgrades, 100 West Reno Avenue. Ward 7.

Location:

100 West Reno Avenue

Background:

As a part of the MAPS 4 Program, the City of Oklahoma City will have several improvements to the Downtown Arena in numerous phases. This project is for various upgrades throughout the facility.

The Architect developed the Final Plans and Specifications for the MAPS 4 Downtown Arena Phase 2F Arena Upgrades. The project meets all design requirements, and the estimated construction cost is under the construction budget. Upon approval of the Final Plans and Specifications, the project will be advertised for bids to be received in July 2023.

Bids Received:

July 12, 2023

Architect:

Populous

Estimated Construction Cost:

\$5,600,000

Review:

MAPS Office

Recommendation: Final Plans and Specifications be approved; and the City Clerk be authorized to advertise for bids.
