Originating Department: Public Works

Description of Impact

At their regular meeting on May 20, 2024, the Oklahoma City Traffic and Transportation Commission voted in favor of an amended motion to restrict parking on the east side of South Klein Avenue. This item was originally introduced to City Council on June 18, 2024 and was approved on July 2, 2024. The council item submitted did not reflect the Commission's amended motion to have the no parking restriction on the east side of South Klein Avenue only. The ordinance presented corrects the scrivener's error.
