ACCESSORIES - SCREENS

PRODUCT SPECIFICATIONS

SCREENS

DESKS+WORKSTATIONS+BENCHING+TABLES

Accommodate new ways of working by utilizing your existing products and blending new solutions into workspaces

Create space division by adding a screen to your workspace. Select the screen style that best fits your situation: set on surface, edge mount, clamp mount, full metal edge mount, or freestanding

- Select style and height of screen based on floorplate layout and occupancy density. Taller screens are appropriate when employees must be situated face-to-face or are near high traffic areas
- Create additional shielding by adding set on surface screens to stations that already have existing edge mount screens
- Screens are available in a variety of materials. Be sure to specify bleach cleanable textiles or hard surfaces such as acrylic
- Bulk pack pricing available – save money and reduce onsite packing materials by choosing this option. Contact our By Design Product Modifications Team for a price quote.

Keep in mind that it is essential to balance the need for privacy and protection with the overall feeling of the workplace environment.

Note: If you require screens that move with a height-adjustable worksurface, you will have to remove center screens. National recommends a 1" clearance on all sides to avoid pinch point hazards

- Specify Style E for embossed design
- Specify metal color: Cinder (462), Concrete (423), Designer White (405), Iron (463), Platinum Metallic (501), and Satin Nickel Metallic (503)
- Metal modesty can be used with Epic and WaveWorks worksurfaces and flip/nest tables
- Modesty comes with brackets that attach to the underside of the worksurface
- Metal modesty has raised square embossed design (the raised design appears on the approach side of the modesty)
- Metal modesty is 16-gauge steel
- 72" flip/nest training table requires 60" modesty, 60" table requires 48" modesty, and 48" table requires 36" modesty

LIMITED WARRANTY

Tennsco warrants goods purchased hereunder to be free of defects in materials and workmanship for a period of ten (10) years from the date of shipment, hereunder. Tennsco's warranty shall not apply in the event goods are damaged as a result of misuse, abuse, neglect, accident, improper application, modification or repair by persons not authorized by Seller, where goods are damaged during shipment. UNLESS CONSIDERED UNENFORCEABLE OR UNLAWFUL UNDER APPLICABLE LAW:

a. ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO WARRANTIES OR MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY EXCLUDED:

b. BUYERS REMEDY, IF ANY, FOR ANY DEFECTIVE GOODS SHALL BE LIMITED TO A REFUND BY SELLER OR REPLACEMENT OF THE GOODS AT SELLER'S OPTION, AND SHALL IN NO EVENT INCLUDE DAMAGES OF ANY KIND, WHETHER INCIDENTAL, CONSEQUENTIAL OR OTHERWISE.

NO GOODS ACCEPTED FOR RETURN WITHOUT PRIOR APPROVAL. Seller shall have the right to inspect any goods claimed to be defective at Buyer's place of business or require Buyer to return the goods to Seller for inspection on Seller's premises. Transportation charges covering returned goods will be borne by Seller only if such goods are proven to be defective, are covered by this warranty and are returned within the warranty period stated above.

What's New

New Product Intros for 2023-2024

See product details on **p. 29**

CE2

office, executive & conference

- Elegantly-appointed, executive chair available in either a sleek modern or a comfy pillowtop version.
- Simple to use, Body-weight Activated Mechanism.
- Options include adjustable lumbar, headrest, or polished aluminum accents.
- Upholstery ranges from anything in OM Seating's Leathers Program to one of four elegant, in-stock selections.

See product details on **p. 65**

Lórien®

office, conference, guest & stool

- Features a complete offering of comfortable mesh styles & aesthetics.
- Available in mid- or high-back, and in Modern Black or Cloud White frame with complementary mesh/frame color pairings.
- Shadow Grey "suspension fabric mesh" offers a warmer look & feel than regular mesh.
- Available styles — 2 sizes of 5-star base chair, stool, or lounge.
- Designed by Fiorenzo Dorigo.

See product details on **p. 88**

OM5 Active® Nest

nestable & stackable

- Effortlessly functional while playfully stylish!
- Stacks 3, nests infinitely, with full articulating seat top.
- Available in our exising & colorful OM5 Active Polyflex colors.
- Designed by Francisco and Nadine Romero of Phidesign.

See product details on **p. 119**

Plot Twist®

collaborative & guest

- Who doesn't love a great Plot Twist?!
- 3 primary configurations – upholstered swivel seat (i.e. pouf form); upholstered swivel seat with low back support; either form. . . but with an attached, ambidextrous tablet.
- Attached tablet smoothly height-adjusts from sitting to standing/presentation mode with unique, "free-lift" motion.
- Designed by Achella Design

What's New

Changes to our Offering

STATUS	ITEM MODEL	REF. PAGE	DESCRIPTION REMARKS AND COMPARABLE MODELS (IF APPLICABLE)
NEW	OM5 Active® Nest	88	New OM5 ACTIVE NEST - Nesting, Stacking, Pivoting! Check out the new addition to our OM5 Active® Family!
	Plot Twist™	119	New PLOT TWIST™ - Sit, Stand, Present! Plot Twist...this is more than just a pouf!
	OM5 Active® Guest - Casters -55MSB, -55MSG	94	Color match your frame down to the casters! We highly recommend specifying -55MSB or -55MSG with modern black or palladium grey frames. Did we mention they're multi-surface as well?!
	Ginny Guest	50	You can now specify your Ginny Guest (GY4-G) with a little bit of pizzaz. We've added a new frame/arm combination, Chrome Frame with Grey Armpads (-CHGR).
	AR82-BLK	29	New Reverse Cantilever arm will soon be available in Black!
	-4a AND -4b Mech on PT Series	110 - 112	We've added Quick-Adjust Synchro Mechs (Simple and Advanced) to select PT Series (PT69, PT74, PT78)
NEW PAGES/ GUIDES	Mechanism Guide	199	Mechanisms can be complicated, we have now added a mechanism guide to help you better understand the difference between each one.
	Fabric Application Testing Form	188	New fabric application testing form and policy is now in place.
	New Pricelist Layout		GINNY, OM5®, OM5 Active®, Truly.®, Werksy
	Clearance Page	8	Discounted Last Chance products!
NEW CODE CHANGES	Added Mechanism Description/Code to all relevant models		Affirm, CL, DB, PT Paramount, PA, PC, Yes
	KR240 related frames (EX. KR445, KR465, KR251M ETC.)		KR240 arm frames will now be KR100 so it consistently follows frame heights KR200, KR300
	Truly.® and Werksy® Color Code Changes	144 - 163	Due to different polymer materials between series, colors may vary. To eliminate confusion and for better color accuracy when using our colorchips, we decided to rename and recode some colors to differentiate the different colors. There is NO change to the actual color for the Truly. polyback and Werksy polyshell.
	Cylinder/Footring/ Base/Option Codes		Various code changes, please see notes for former codes
	PT-RV mechanisms	110 - 112	PT model codes with -RV on our PT series have now changed to (-2) Executive Synchro.
IMPROVED	DB, IUHD/PD, 7878 - "TLC" (Two-Layer Comfort)	43-46, 62-63 117	Improved Softness from our previous DCS memory foam
PHASE OUT	AR11	8	Fixed cantilever arms. Replace with KR23, AR81
	OM5-XT	84 - 85	OM5-XT (limited quantities...still available while supplies last)
	BC98S	8	BC98S (limited quantities...still available while supplies last)
	KR100-XM, KR200-XM, KR300-XM	8	3D Motion arms (limited quantities...still available while supplies last). Cannot be used for MXIU or IUHD
DISCONTINUED	WS11		DISCONTINUED
	WS15		DISCONTINUED Replace with WS16
	Tool Tray		DISCONTINUED
	ETR-1, KR32		DISCONTINUED. Replace with KR48, AR81
STILL AVAILABLE	CLFT, CLVS		STILL AVAILABLE Both models are removed from the Price List as ultra-specialty models. But, still available for your foot-support and/or stoop-tasking needs. (Inquire with OM for pricing and details)

Seating Technology for Comfort

BAM
Body-activated motion

Body-activated Motion (BAM) describes the dynamic ergonomic principals that the OM5 Series® of seating rides on.

Instead of relying on inconvenient manual adjustments that many chair occupants realistically rarely use (or worse: misuse), the OM5 Series® dynamically adapts to the user; reclining or pausing in immediate response to cues from the user's own body.

DB SCAPULAR RELEASE

THE 'HEALTHY BACK' DESIGN According to the ergonomists and chiropractors with whom we have consulted, when people are seated in a chair with a full, 'normal' backrest, the body has a natural tendency to hunch forward. This predilection towards 'scrunching' is — with near uniform agreement — recognized as an unhealthy position for the human body to remain in, especially when seen in prolonged seating situations.

DISCOVERY BACK DESIGN BENEFITS The special pear-back design of our Discovery Back series is designed specifically to address unhealthy seating postures. With a cut-away design to allow for full rearward travel of the scapula, DB chairs can help users who sit for long hours to develop habits for a healthier back. This is called scapular release.

TLC™ TECHNOLOGY
Two Layer Comfort

TLC TECHNOLOGY™
TWO LAYER COMFORT

OM Seating's Two-Layer Comfort Seating™ (TLC) Technology is a unique, layered system of dual ILD foam — combining a conforming, soft outer layer, with a firmer core layer of OM Seating's high-resilience cushioning. Years of research and development have resulted in a seating experience that is at once soft and supportive, and truly beyond compare.

The TLC™ Technology seat cushion has achieved excellent results when put through a series of 'seating durability tests. The seat cushion will withstand the rigors of everyday stress and wear while remaining comfortable and supportive.

TRUFIT™

The TruFit™ Backrest System encompasses three unique features found in OM's Truly.® Series:

BACK HEIGHT ADJUSTMENT High-end, exoskeleton task chair designs nearly always leave out an important ergonomic feature — an adjustable height backrest. OM's Truly. features a generous 4.25" of travel range.

ADJUSTABLE LUMBAR Typical adjustable depth lumbar regions feature highly localized tightening of either an air bladder or a lumbar pad. OM's Truly. features a lumbar region support that comes from the entire polyback progressively flexing; thereby providing a firm, but still comfortable feeling.

LIVELY "WORKING SUPPORT" Truly.'s backrest is a single, continuous polymer membrane that continuously flexes, yet offers great working support for your tasking needs.

COKC0197

Buyer's Guide

Choosing the Right Chair . . .

Need help selecting the right OM model for your customer?

Remember though, while we hope this guide is helpful and even a little fun to use, choosing the right chair can not be done on the basis of price or the number of features alone. Proper ergonomics, safety and comfort are all additional important considerations that your customer should weigh equally in making their seating purchase decision.

OM has developed this Price-to-Features Matrix to help you get started in the right direction. Use it to pick an OM model family with the price-to-features profile that most closely matches your customer's needs. Then, to further refine their selection, call on our experienced factory reps and customer service team to arrange samples or find additional information. You can also visit our website for product images, news and updated specifications (omseating.com).

Classic Lab Stools

(To be renamed "PAC-LS" in 2024)

Features:

- Begins @ $559 armless / $678 with KR200 arms (CLS53)
- "No fuss" & durable lab stools were designed with ease-of-access in mind
- Lab Stool counterparts to the PA53, PA55 and PA57D (i.e., CLS53, CLS61, CLS57D, respectively)
- Fixed height, welded-on, extra-wide footring allows for stable foot support

Classic Professional (CLS) (CLS | to be renamed "PAC-LS" in 2024)

Healthcare | Lab

Please see pages 189 – 207 for arm kits, casters and other options.

small / petite

Model CLS53 (aka, PAC53-LS)

Arms	Group 1 & 4
Warranty	12 year limited

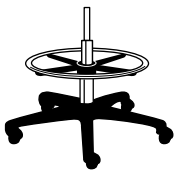
Besides the stools shown on this page, the AF413 (page 11), AF513 (page 20), DB52 (page 46), YS73 (page 174) contain the same "CLS control" and GSP understructure (i.e., 8" cylinder, fixed footring Spider base, 65mm dual-tone soft casters).

Chairs that are equipped with the GSP (Grande Spider Package) -- such as the CLS models on this page — may be upgraded to a TLPKG option instead. The charge to do so (from a GSP) is **+$55.56 list**, and the part code to do so is TLPKG.

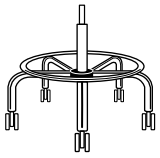
DESIGN STATEMENT The design of the CLS Series is based upon a wish list of features that come from various Facility Managers that we've talked to over the years. It has a sturdy base and a comfortable, trouble-free footring, an easy-to-use ratchet back, seat depth adjustment, back angle adjustment and oversized casters that can go anywhere.

The low-maintenance CLS Series is just what the Facility Manager (and the lab technician) ordered!

TLPKG



GSPPKG (i.e., Grande Spider Package)



See pages 189 to 207 for a complete listing of all available arm, cylinder, caster, and other ergonomic options. Not all options may be applicable to a given model. Check with OM for compatibility details.

COKC00197

Discovery Back

Features:

- Begins @ $631 armless / $750 with KR200 arms (DB53)
- Ideal for ergonomic situations OR environments with heavy side-to-side tasking (i.e., nursing stations)
- Unusual backrest shape with functional ergonomic bene fits like allowing full back “stretch”
- Proprietary TLC™ Technology (double-molded memory foam) standard in most backrest and some seat cushions (check model description for confirmation)
- Breadth of mechanism options from fully ergonomic to light, task-oriented adjustability

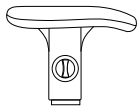
common options

Suggested Options for DB Series

Arms



KR21 (1D Motion) - list: 70.00
Fixed width, turn-knob height adjustable T-arms.

For specs. and warranty, see page 192.

KR100-45 (4D Motion) *(formerly KR445)*
- list: 185.00
Height and width adjustable, removable T-arms with fore-aft, side-side, and inward pivoting arm top (RP-45).

For specs. and warranty, see page 194.

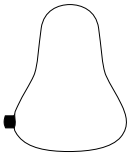
KR100-51M (4D Motion) *(formerly KR251M)*
- list: 205.00
Height and width adjustable, removable T-arms with ultra-mobility arm tops that extend forward, pivot a full 360° at 2 different points; serves as a light-duty track arm to move with your hands as you work (RP-51M).

For specs. and warranty, see page 195.

KR100-65 (4D Motion) *(formerly KR465)*
- list: 195.00
Height and width adjustable, removable T-arms with lockable arm top, fore-aft, side-side, pivoting arm top (RP-65).

For specs. and warranty, see page 195.

Options



Remove **Adjustable Lumbar** - list: -76.00
Option now standard on all 3 sizes of DB backrest – small, medium, large. To remove, subtract $76 list.

See pages 189-207 for a complete listing of all available arm, cylinder, caster, and other ergonomic options.
Not all options may be applicable to a given model. Check with OM for compatibility details.

DISCOVERY BACK DESIGN BENEFITS The special pear-back design of our Discovery Back series is designed specifically to address unhealthy seating postures. With a cut-away design to allow for full rearward travel of the scapula, DB chairs can help users who sit for long hours to develop habits for a healthier back.

SCAPULAR IMPEDANCE When reclining against a traditional backrest the shoulders are restricted from their full range of motion. This restriction of motion is referred to as scapular impedance, a condition that impedes the full range of motion and prevents beneficial stretching.

THE 'HEALTHY BACK' DESIGN According to the ergonomists and chiropractors with whom we have consulted, when people are seated in a chair with a full, 'normal' backrest, the body has a natural tendency to hunch forward. This predilection towards 'scrunching' is — with near uniform agreement — recognized as an unhealthy position for the human body to remain in, especially when seen in prolonged seating situations.

NOTES When upholstered in any Grade 5 ComfortKnit patterns (Solids, Architect, and Myth), DB Series back shells are upholstered in a high double-rub black fabric unless otherwise specified (for matching ComfortKnit backshell upholstery, see page 207 for pricing: DUB-K (formerly UPHDUB-T).

Ginny Bariatric (GY4-B)

Waiting rooms | Guest seating

Ginny Bariatric Core Features:

- Vertical Clean-out
- Stacks 3 high
- Wall Saver Rear Legs
- 500 lb. Weight Capacity
- 7 year Limited Warranty

BIFMA COMPLIANT

COKC0197

Note: Green font color indicates default build for "most popular" configuration of this spread.

1. Model	
Code	List
GY4-B-26 (26" seat width)	**$904**
GY4-B-30 (30" seat width)	**$1,130**

2. Arms		
Code		List
		**N/A**
	-A With arms	**+$0**

3. Frame and Frame/arm Finishes	
Code	List
-BKCM *(formerly BLK)* ***Color Match Black*** • Black powdercoat frame • Black arm pads	**+$0**
-SLGR *(formerly SLR)* • Silver powdercoat frame • Grey arm pads	**+$20**

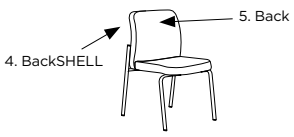
4. BackSHELL Upholstery	
Code	List
-DUB-M* Backshell matches **5. Back Upholstery Options** (next column)	**+$0**
-DUB + Fabric Color # Backshell (same grade, but different color and/or pattern)	Price one grade higher for **5. Back Upholstery**
-DUB + Fabric Color # Backshell (different grade back & backshell upholstery)	Use higher grade price of the two for **5. Back Upholstery**
-DUB-B Ballistic nylon backshell	**+$110**

*Price does not apply to **-DUB-B** and **-UPH-PDF** options when specified together.

Backshell Upholstery Notes:

1. Leather Grade 1 (LG1) Evita may use "closest available" matching vinyl with leather-like texture.
2. Leather Grades 2, 3 (LG2, LG3) use Lena or Vulcano to match Back Upholstery Option.
3. For additional details and pricing — contact OM.

Reference this drawing for Options #4 and 5



OTHER OPTIONS (append to above nomenclature to add to, or override existing options)

Backshell and Back Options	List
-TB133-3 Seat and back upholstery with fire barrier to meet CA TB133.	**+$158**
-UPH-PD Ballistic nylon back	**+$98**

Note: TB133 is an option only in select States where it is not banned due to potentially health-adverse reasons. Verify with your state, and client, to ensure this option is truly needed and permitted before ordering.

Ganging Bar	List
-GABLK Black arm ganging bar (1.75" between ganged chairs)	**+$30**
-GASLR Silver arm ganging bar (1.75" between ganged chairs)	**+$30**

Ginny Ganging Bar Notes:

1. Ganging bars (& mounting bolts) are sold in pairs for connecting Ginny chairs with their neighbor.
2. To calculate quantity: Total Ginny – 1 = qty. of ganging bars.

common options

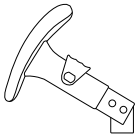
Suggested Options for IUHD/IUPD Sesries

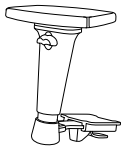
Arms



JRBN (1D Motion) - list: 267.00
Fixed width T-arms with fold back feature and trigger-style height control with ballistic nylon upholstered arm pads.

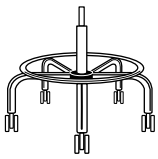
JRPD (1D Motion) - list: 267.00
Fixed width T-arms with fold back feature and trigger-style height control with Memosoft arm pads.

For specs and warranty, see page 191.



JR69 (4D Motion) - list: 196.00
Height and width adjustable, forward slanting T-arm with soft touch width adjustment trigger, lockable arm top, fore-aft, side-side, pivoting arm top (RP-65).

For specs and warranty, see page 194.



6GSPC
Alternate stool base option for IU77HD/PD – no upcharge to substitute. The default cylinder is CYL-6SHD. Seat height range is 25.5" – 31.5"

Intensive Use 24-Seven Heavy-Duty Series designed to accommodate users up to 350 pounds.

IU: Intensive Use (aka, 24/7 environments)

HD: Heavy-Duty (i.e. for occupants weighing up to 350 lbs.)

PD: Police Department (i.e., perfect for police or security environments)

***Application testing may be required for Grade-In fabrics on IUPD and MXPD seating. Consult OM for details.**

Notes

COKC00197

Maxwell IU

Features:

- Begins @ $1,290 armless / $1,409 with KR200 arms (MX84IU)
- Our heaviest chair both by weight and weight-rating is scaled and built to comfortably support up to 450 lbs.
- Relatively slim backrest design has a useful trapezoidal shape that creates less exaggerated aesthetics
- 24” wide seat, steel seat plate & extra heavy-duty components make this a strong choice

COKC00197

Maxwell (MXIU/PD)

Multi-shift | Heavy-duty

Please see pages 189 – 207 for arm kits, casters, and other options.

NOTES:

***If purchasing arms separate (as a retrofit option), use special, heavier-duty bolts. Arms should normally be installed by OM or its authorized dealers.**

***Application testing may be required for Grade-In fabrics on IUPD and MXPD seating. Consult OM for details.**

Models designated as "FedEx Ground oversize" may incur additional charges when shipped via FedEx. Contact OM for pricing and details.

MX: Max Heavy-Duty (i.e., users up to 450 lbs.)
PD: Police Department (i.e., perfect for police or security environments)

Above weights do not include optional arm kits. ⋮ FedEx weight is calculated using FedEx dimensional standards to determine billable weight. ⋮ Pricing and specifications subject to change without notification.

DESIGN STATEMENT Called the "Maxwell" for its MAX-size and WELL-structured construction, these chairs are big in so many aspects. Made of heavy-duty components from top to bottom, these full-size chairs with wide-back comfort and solid design are ideal for users up to 450 pounds.

The Maxwell is built to endure, and now redesigned with a tapered top and wide-based back rest to offer the same full support but with a less daunting appearance.

NOTES When upholstered in any Grade 5 ComfortKnit patterns (Solids, Architect, and Myth) MXIU Series back shells are upholstered in a high double-rub black fabric unless otherwise specified.

about Truly.®

TruFit™ Back System

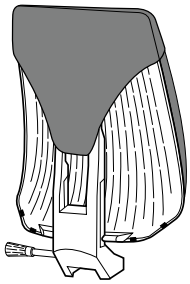
1. *Back height adjustment.*
   Click it all the way up, Then, all the way down to reset. Position the height where you want.
2. *Adjustable lumbar.*
   Loosen to the left. Tighten to the right. Adjust the back arch as you like.
3. *Lively "working support".* Truly's back is a next generation polymer blend that allows the back to flex as you move, work, & create!

Integrated ratchet tuned for a smooth vertical adjustment and sophisticated clicking timbre

Truly.® Jacket & Wrap

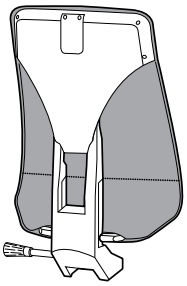
Jacket & Wrap

*Back Upholstery Compatibility Guide**



JACKET | Pre-approved in-stock options
Great choice for environments that could use the added visual flexibility and warmth afforded by our user-removable / replaceable Truly. "jacket".

Grade 1: Basic, Celestial, Spice	$ 86.00
Grade 2: Arcade, Clue, Drift, Soft Sit, Track	$126.00
Grade 3: Cinema, Dart, Free, Illusion, Stage	$166.00
xox, Beau, Bliss, Wanderlust	
Grade 4: Cover Cloth, Rocket, Hopsack	$186.00
Grade 5: Architect, Myth	$206.00
LG1: (none)	N/A
LG2: Lena	$239.00
LG3: Vulcano	$249.00



WRAP | Pre-approved in-stock options
Great choice for performance / healthcare environments

Grade 1: (none)	N/A
Grade 2: Drift, Soft Sit	$ 69.00
Grade 3: Cinema, Illusion, Stage, Beau,	$119.00
Bliss, Wanderlust	
Grade 4: Zodiac Mesh, Hopsack	$129.00
Grade 5: Architect, Myth, Solids	$139.00
LG1: (none)	N/A
LG2: Lena	$229.00
LG3: Vulcano	$239.00

Please enter Fabric choice on the Truly. Order Worksheet, Item #6 on page 149 or 151 (stools).

**Notes & Special Considerations:*
1. Truly. is uniquely designed with a backrest that bends & flexes considerably. Great for your back and lumbar support. Not as great for upholstery with stiffer or relatively thicker construction.
2. Besides OM's pre-approved Truly. Jacket & Wrap options (as noted above) other material may be eligible. Application testing required with a fee. Check with OM for details.
3. For Truly. back upholstery Jackets & Wraps – especially with OM in-stock leathers – natural folds, wrinkles, and gather will occur depending on the material chosen. OM will not warrant natural signs of use/wear.

About OM

The Company

OM is known for excellence in function. With a single focus on seating, and only seating, OM offers a broad and deep understanding of what makes a chair work. Whatever the environment, and whatever the purpose, an OM chair will suit your needs. By focusing exclusively on ergonomic and well-thought-out seating, OM is able to offer a range of choices that are both situation-appropriate and value-oriented. With a myriad of adjustments, ranges of scale, and abundant design features, OM chairs perform. From the innovative and exclusive "body activated motion" to the more traditional option of multiple independent adjustments, an OM chair responds to your needs for dynamic motion, support, and comfort. Since 1986 OM has been building reliable, high quality, ergonomic seating – and has striven to uphold our reputation as the source for smart seating.

Local Needs, Global Sourcing

OM never compromises on quality; whether in its seating, representatives, suppliers, or components. Through successful, long-established global sourcing relationships OM has developed tight-knit vendor-manufacturer partnerships that allow it to incorporate better quality components at a more cost-effective price, thereby creating high value for everyone.

Lead Times, Delivery & Distribution

OM seating is made-to-order and available for shipping from Ontario, California with normal lead-times of around 7-10 working days. OM's portfolio of end-users includes nationwide- seating standards for many large to small corporate, healthcare, education, institutional and other customers. OM's seating products are available for national distribution and installation through customers' respective servicing dealer networks of choice. OM's authorized dealer distribution strategy affords users the choices they need to source better, more flexible dealer services to meet their specific needs. OM dealers comprise a broad network of supply chain contract furniture dealers, stationary supply chains, medical supply & ergonomic specialty dealers. To find out if a specific dealer is an authorized OM partner, please contact OM toll-free at 877.766.5678.

Production Capabilities

OM routinely leverages its strong supplier relationships, seating design expertise, and quick turnaround capabilities to customize solutions for specific customer needs. As a committed partner/manufacturer for multple national accounts, OM has developed a strong reputation for its ability to meet customer requirements with purpose-appropriate and value-oriented seating solutions.

Upholstery Options

OM offers thousands of in-stock and grade-in fabrics, special healthcare-oriented polyurethanes, vinyls, cryptons, TB-133, premium leather, and ESD options. We offer a broad range of selections with graded-in pricing from such partners as Designtex, Momentum Textiles, Mayer Fabrics, C.F. Stinson, and more. OM also offers a variety of environmentally-friendly upholstery options from both its in-stock, and graded-in choices. Production lead times on all graded-in upholstery and customer-owned materials may vary based on receipt of all material(s).

Warranty

OM chair parts are warranted for lifetime, 12- and 7-year periods (varies by series). Every chair carries a "born-on" production label showing all pertinent information to support follow-up warranty claims. To view a full warranty, please contact OM or turn to page 180 of this price book.

Product Selection

OM offers a broad selection of seating, arms, and other options for a wide array of uses including Ergonomic, Corporate Standards, Medical/Healthcare, Schools, Production, Labs, ESD, Conference, Stacker, Lunchroom, 24-Hour-Use or Call Centers, and Big/Tall. For example, numerous options and styles are available to address all aspects of Healthcare requirements; included are models suited for Nurses' stations, Exam rooms, Doctors' Offices, Labs, Counter Height, Administration, Conference, Side chairs, Workstools, Waiting Rooms, Inventory & Executive Ergonomic.

Terms & Conditions

These terms and conditions apply to authorized OM dealers.

For additional company or product information, visit us at our online home: omseating.com

COKC0197

Prices Published prices and specifications are approximate and are subject to change without notice. All prices shown in this book are shown at List and F.O.B. OM unless otherwise noted. Prices do not include delivery charges, installations, special handling or any applicable sales, use, excise or other similar taxes. For example, California tax laws require that in cases where an order originates from a dealer outside of CA, but ships to a destination within the state, OM must collect an appropriate sales or use tax. If a customer claims exemption from such taxes, an exemption or CA resale certificate must be furnished to OM upon or before placement of the order.

Terms Terms are net 30 days (on approved credit only) from the date of invoice issuance. A late payment finance charge of 1.5% per month (18% annual percentage rate) will be assessed on all open invoices not paid within terms. Paying within terms will preserve your competitive pricing schedule and payment terms. A processing fee of 3% may be charged for payments made via credit card. OM can accept Visa, Mastercard and AMEX.

Customer's own Material (C.O.M.) If a customer desires to use a fabric or leather not supplied by OM, it is considered C.O.M. or C.O.L. Refer to the C.O.M. specifications section in this price book (p. 186) for detailed information on the use of such materials. Any C.O.M. and/or C.O.L. rolls, samples, hides, etc. that are being sent to OM for application testing or use on an order should be delivered to:

OM Seating
C/O – C.O.M. and Fabrics Dept
1110 South Mildred Avenue
Ontario, CA 91761

A shipping date will not be scheduled until all the C.O.M./C.O.L. materials for an order are received completely by OM. Any request for the return of unused fabrics must be made clearly on the Purchase Order and with specific instructions. Return freight and a handling fee will be charged. Customers should ask their fabrics vendors to side-mark all shipping labels for material(s) sent to OM with their company names, fabric colors & patterns, and the purchase order number(s) used with their order at OM.

Changes and Cancellations All changes and cancellations will be subject to approval by OM and must be requested within 24 hours after OM receives the order. Changes and cancellations may only be approved for orders that have not entered any stage of production. A minimum of 25% change order fee, but can be more, will apply to any changed orders. Cancellations, if approved, are subject to a penalty up to the entire amount of the order. Because we make our chairs to order and make every effort to ship as quickly as possible, we strongly discourage making any changes or amendments to your purchase orders whenever possible.

Returns Returns will not be accepted without an accompanying, written Return Merchandise Authorization Number (RMA). Please contact customer service to obtain an RMA. Returns must be received within 30 calendar days from the date of RMA# issuance. Authorized returned merchandise shall only be delivered to OM on prepaid freight. OM reserves the right to inspect all returned goods before issuing any appropriate credit. A minimum restocking fee of 25% applies to returned merchandise received in good resalable condition. C.O.M. orders may not be eligible for return.

Warranty The warranty period is listed with each model for the original purchaser only. Full warranty information can be found on the hangtag attached to each chair shipped, as well as on p. 180. OM's sales representatives or customer service will ship appropriate replacement parts when deemed reasonable. Labor, field service or delivery charges are not covered. Unless otherwise specified all OM products are manufactured in accordance with normal commercial usage – for a single 8-hour shift, a total of 40 hours or less per week, and by persons weighing 275 pounds or less. OM shall not be liable for loss or damage resulting from use beyond the approved range or by any cause beyond reasonable control such as abuse, misuse, neglect, alteration, or act of God. Special terms may apply on certain series; please see the relevant product page in this price book for details.

Shipping (see EZ Freight Program for more information) Most items can be shipped boxed and/or shipped via FedEx, except models marked with 'non-FedExable' in this price book. In the absence of specific shipping instructions on purchase orders, OM will select the carrier and the method of shipment based on delivery area, freight cost and quality of service. All freight costs incurred by OM will be charged to the customer except when subsidized under the terms of the EZ Freight Program or other agreement with OM. Please notify the freight company directly in case of any shortage or damages and advise OM immediately of the damages incurred during shipping.

For items shipped in California, please specify the packing preference, whether "Product in Box" or "Assembled" on all purchase orders. There is a minimum charge for blanket-wrap delivery service. Not all areas in California can be shipped assembled or under normal shipping lead times. Please call OM for detailed information. Fully assembled chairs may be an option for other destinations as well, but usually require a full truckload quantity of at least 330 full scale task chairs to qualify. Additional charge(s) will likely apply. Contact OM for details, limitations and quote.

If you select your own carrier, please clearly state the carrier's name, phone number, your account# with them, the name of a contact person and any special shipping and freight billing instructions on your purchase order to OM.

In all cases—whether landed or FOB Factory discounting was applied—OM reserves the sole right to determine carriers and packaging/shipping methods (such as: chair count per carton, carton type/size, assembled vs. semi- or k.d. in a box). These decisions will be made with strong consideration for balancing best practices, cost-discipline, and known customer preference(s).

Order Acknowledgement An order acknowledgement will be faxed or emailed to you upon receipt and entry of your PO within 48 hours. Please review all order acknowledgement details for any items and/or pricing and/or quantity discrepancies, and notify the factory within 24 hours of any necessary revisions, or additions.

Additional Charges and Notes In cases where non-warranty re-work or other shop time is needed, a charge of $45 per hour will apply for in-house labor and processing. OM reserves the right to charge a $25 storage fee per business day for any orders that have not been picked up after 3 pickup readiness notifications by OM or 7 business days. All fees mentioned in this section are NET and are not subject to any other discounts. If a Credit Card is used for payment, relevant fees will apply.

COKC0197

Limited Warranty

Office Master, Inc. (OM Seating) warrants to the original purchaser that its products are free from defects in materials and workmanship for the applicable warranty period, as indicated below.

Should any item fail, OM Seating will – at its sole discretion – repair or replace, with a comparable product or part, any item found to be defective as a result of normal commercial use (i.e., a single 8-hour shift, 5 days per week).

This warranty does not apply to items subjected to abuse, misuse, neglect, alteration, or damage caused by shipment, storage, accident, fire, flood, or act of God.

Lifetime Limited Warranty
The OM5 Series® (including the OM5 Active sub-series), Truly.® Series, and Ginny are covered by a lifetime limited warranty on all structural components as defined below.

12-year Limited Warranty
Unless otherwise specified, all models not classified as budget or 24/7 or heavy-duty are covered under a 12-year limited warranty on all structural components as defined below.

7-year Limited Warranty
Unless otherwise specified, all models classified as budget or 24/7 or heavy-duty or bariatric are covered under a 7-year limited warranty on all structural components as defined below. Budget series include: BC, SG, ST, and WS. Bariatric series includes: GY4B-26 and GY4B-30.

Warranty Terms
Within a given model's applicable warranty period, all structural components, including gas cylinders, wood, metal and plastic parts (i.e., chair frames, bases and control handles) are guaranteed against structural failure when under normal commercial use. All OM seating comes with a default 275 lbs. weight capacity limit unless otherwise specified by OM Seating.

For all models, consumable items (i.e., casters, glides, etc.) are covered by a 5-year normal commercial use warranty with the exception of Rubber Casters which will be a 1-Year Limited Warranty.

Fabrics and Foam
OM Seating in-stock upholstery & foam cushions are covered by a 5-year normal commercial use warranty. Normal wear and tear on fabrics such as wrinkling, dirt accumulation or gathering is not covered. This includes Truly.® Series "Jackets" and "Wraps". Natural, minor variations may exist in color, surface, grain or texture of upholstery materials. As a result, any such variations are not warranted. COM/COL and graded-in fabrics are not covered.

Claims Procedure
Should any item fail, contact the Dealer from whom it was purchased. A photograph of the damage(s)/issue(s) and of the "born-on" label underneath the seat will be required to help OM determine the cause and extent of any issues. If it is determined that a return is necessary, return that item and its product proof of purchase to the Dealer, whereupon that Dealer will send both to OM Seating, freight prepaid. OM will repair or replace the defective part at its sole discretion and return it to the Dealer, freight prepaid. **Please email related photos and details for any warranty claims to warranty@omseating.com.**
For claims to be approved and covered, please inspect for any damages or missing items within 10 days after receiving the order.

Returns
Written authorization from OM Seating is required prior to a Dealer returning any failed or defective parts to OM Seating. Any returned defective part(s) will NOT be accepted without this prior written authorization, or a "Returned Materials Authorization" (RMA) # assigned to it.

Warranty Labor
This warranty exclusively covers the repair or replacement of OM Seating parts as determined by OM Seating and does NOT cover any portion of field labor or service. For information regarding OM Seating's non-warranty shop time and related charges, please reference a current copy of OM Seating's pricebook, in the Terms and Conditions section.

COKC0197

OM Environmental

Sustainable Environmentalism

The people at OM believe in doing true and everlasting good. We believe that when we promote responsible new practices that build upon the organization's existing good habits, we can not only strengthen our products and the company but just as importantly, meaningfully minimize any negative impact we might have on our surrounding environment.

To this end, we've established at OM a culture of pursuing "Sustainable Environmentalism" — environmentalism that brings into harmony the enterprise's economic and environmental responsibilities.

By making the pursuit of environmental conservation align naturally with the undeniable corporate maxim of economic viability we manage to make OM a more responsible corporate citizen not just for isolated press releases, but day-in and day-out. Now that's taking a meaningful stand and making a positive difference for our future generations.

Here are some of the ways that we at OM are as smart about environmentalism as we are about our seating:

Building a Green Home

OM has built and is operating out of a new home that meets our twin goals of high efficiency and environmental friendliness. We began by exceeding CA's tough Title 24 energy consumption standards by an average of over 15%, and took it even further by using green building materials throughout...

- High efficiency HVAC units that utilize green refrigerants, zone dampers and energy saving economizers
- LEED-inspired building materials and lighting (CFL bulbs, recycled material in...carpets, corian countertops, office insulation, door cores, etc.)
- Dual-flush, low-flow and sensor-controlled valves on toilets, urinals and sinks
- Daylight, timer- and motion-activated sensor lighting controls in all warehouse, office and production areas
- Green landscaping irrigation systems that utilize reclaimed waste water
- Green-energy equipment (electric-powered forklifts, pallet jacks, and people movers replacing older propane-driven units)

Encouraging & Reinforcing "Good" Habits

Just as our parents taught us, good habits are important. And good "green" habits are even more important because of the universal impact that they have... we encourage our customers, vendors and employees to all participate in our Sustainable Environmentalism program by cooperating in the following ways:

- Focus on Blanket Wrap shipping programs that utilize no cardboard packaging and maximize the space usage inside a truck because efficiency here means fewer emissions and less truck fuel consumed
- OM receives ongoing recognition for its recycling efforts (winning the California EPA "WRAP" award in 2008, 2009, 2010, 2011, . .)
- FSC-certified and Recycled content in ALL printed materials — brochures, pricers, business cards, envelopes, labels, etc., as well as in our seating seat and back boards.
- Minimize cardboard and wood-based packaging materials...
  - > We purchase foam industry scraps to keep them out of landfills a while longer and so that they can be reused to protect our chairs in transit
  - > We purchase collapsible steel cages and instruct our vendors to use them in transporting components to us so that we can save on excess waste associated with cardboard
  - > We use high recycled content paper pulp trays and cardboard boxes in our packaging.

Building Sustainability into our Products

To OM, sustainability in good product design not only means that our chairs are made to last, but also that our material selections need to be made with the environment in mind. No matter which way you look at it, not having to replace your chair every few years with even the greenest chair not only saves money but also the limited resources of our environment!

- GREENGUARD™ Gold Certification on OM product families
- Custom Molded Materials from our CFC-free foam cushions to our plastic components such as shells and casters mean less waste and in many cases better comfort as well.
- Recyclability is a key component of our product sustainability strategy:
  - > Polypropylene is used on many of our components from back shells to arm frames and can be given a second life as everything from washing machine parts to car fenders.
  - > Polyurethane used in creating our seat and back foams can be converted into carpet padding
  - > Aluminum used on our bases footrings can eventually be part of your car, kitchen appliances or even golf clubs and power tools.
  - > Steel is a key structural component used on mechanisms to arm brackets, etc. and it has potential to be re-used in countless ways from buildings to bridges, trucks, tools, etc.
  - > Wood such as that used on our seat and back boards can be shredded into mulch and used for landscaping or allowed to decompose.
- 100% water-based glue from a patented Swiss formula means 0 emissions hazards and an earth-friendly adhesive that works for the chairs and the earth
- Tree-farm harvested seat- and back-woods that are also FSC and CARB-certified give our chairs a sustainable, but durable structural component that lasts
- In-stock and Grade-in fabric selections are a way for our customers to participate in our Sustainable Environmentalism effort... OM offers many in-stock options that feature either recycled or recyclable content as well as a very extensive range of green fabrics through our grade-in programs.
  - > Including multiple patterns with varying percentages of post-industrial and/or post-consumer recycled materials (such as most of our Grade 5 ComfortKnit patterns, which are made from Repreve™ yarns that are made from recycled plastic bottles).

BIFMA Compliant information:
BIFMA Compliant,® the commercial furniture industry's registry of standards-conforming products. All OM Seating products BIFMA Compliant®.

BIFMA LEVEL®
Developed by BIFMA, LEVEL is a voluntary certification program in which third-party auditors measure a product and its producer against the ANSI/BIFMA e3 Furniture Sustainability Standard. The LEVEL program was created to provide the most comprehensive, unbiased and transparent means of evaluating and communicating the environmental and social impacts of commercial furniture products. The LEVEL mark demonstrates that the product, the manufacturing facility, and the company responsible for the product brand, have all met the requirements for certification.

All OM Seating products are BIFMA LEVEL® 2 Certified.

Ergonomics

Guide to Ergonomic Features

Ergonomic features determine which chair will provide the "best fit" for an individual.

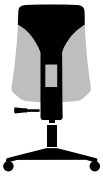
The features illustrated here will help you understand the functionality and unique benefits of OM seating.

BODY-ACTIVATED MOTION (self-weighing)
Seat & back tilt rate/tension automatically adjusts to occupant weight.

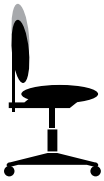
Positive Back Release also known as PBR, this safety feature prevents a catapult-launching effect when the tilt lock lever is released. Tilting/rocking features can only be reactivated when body weight is applied on the backrest.

PNEUMATIC LIFT
Adjusts overall height of the chair.

PIVOT BACKREST
Pivots as the user moves.



TRUFIT™ BACK DESIGN
Full-range ergonomix backrest (Truly.® Series).



BACK HEIGHT ADJUSTMENT
Allows correct position of lumbar support.

TILTING BACKREST
Locks in an infinite number of positions.

ADJUSTABLE LUMBAR
Provides customized lumbar support.

SYNCHRONOUS SEAT & BACK TILT
Activates single-lever adjustment.

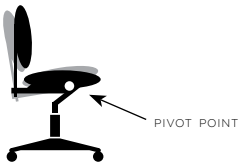
SLIDING SEAT
Adjusts seat depth for a variety of users.

TILTING SEAT
Tilts forward and back for posture.

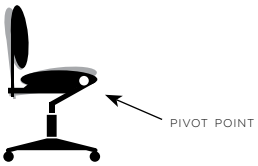
TENSION KNOB
Controls rate and ease of recline/tilt.

SWIVEL/ROCKING TILT
Provides "rocking motion" in any direction.

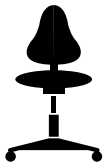
HEEL/FOOT ACTIVATION RING*
Hands-free operation of pneumatic height.



SIMPLE KNEE TILT
Reduce some tension behind knees on tilt.



FULL KNEE TILT
Reduce all tension behind knees on tilt.



DISCOVERY BACK DESIGN
Prevents scapular impedance.

* available on CL14 and CL15 only

COKC0197

Ultimate Test for Fit

BIFMA, UTFF, The Work Chair

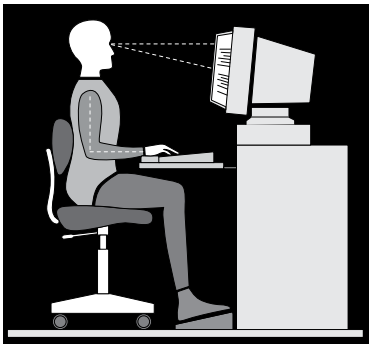
Ultimate Test For Fit (UTFF)
THE WORK CHAIR

(7.1)
SEAT HEIGHT
Users should be able to sit with their feet comfortably on the floor or footrest without undue pressure on the underside of the thighs. The thigh-to-torso angle should not be less than 90°.

(7.2)
SEAT DEPTH
Users should be able to sit in the chair without undue pressure against the back of the knees, their back properly supported by the backrest and with adequate buttock and thigh support.

(7.3)
SEAT WIDTH
The seat should be wider than the hip breadth of the user with allowance for movement and clothing. The seat width should not limit the ability to use the armrests comfortably.

(7.4)
SEAT PAN ANGLE
This should allow users to support their feet on the floor or footrest. They should not cause the user's torso-to-thigh angle to be less than 90°. Forward seat pan angles should not cause users to shift excessive weight to their feet or experience the sensation of sliding out of the chair.



(7.5)
BACK SUPPORT
(7.5.1)
SEAT BACKREST HEIGHT
All backrests should provide adequate lumbar support and buttocks clearance. For tasks requiring upper body mobility, the backrest should not interfere with the user's movement. For users who prefer reclining postures or greater upper back support, the back height should provide support for the shoulder blades.
(7.5.2)
BACKREST WIDTH
The width of the backrest should provide adequate support for the curvature of the user's back without causing localized pressure points.
(7.5.3)
LUMBAR SUPPORT
The height and shape of the lumbar support should coincide with the lumbar curve ("the small") of the user's back. The support should be firm, but not cause localized pressure points.

(7.6)
MOVEMENTS OF THE SEAT PAN AND BACK SUPPORT
The user should be able to sit in a position where the torso-to-thigh angle is equal to or greater than 90°. The seat and backrest angles should accommodate the varying postures assumed by the user throughout the day.

(7.7)
ARM SUPPORT
(7.7.1)
ARMREST HEIGHT
This should allow users to sit in a variety of postures while supporting their forearms and/or elbows in a manner that avoids lifting the shoulders (armrests too high) or leaning to the side to reach the armrest (armrests too low). The armrest height should allow accessibility to, and performance of, tasks.
(7.7.2)
ARMREST LENGTH
The length of the armrest should allow users to sit close enough to the work surface to perform their tasks while maintaining contact with the backrest.
(7.7.3)
INSIDE DISTANCE BETWEEN ARMRESTS
Armrests should allow users to sit in a variety of postures while supporting their forearms in a manner that avoids lifting the shoulders and/or excessive outward positioning of the elbows. Armrests should allow accessibility to, and performance of, tasks. The inside distance between the armrests should allow the user to enter and exit the chair easily. The hips should comfortably fit between the armrests or supports.

COM, COL & Grade in Fabrics

Features:

Specification form

Guidelines

COM, COL & Grade-in

Specifications

Why read this form? This form describes OM's standard procedures for COM, COL and Grade-In's fabrics and leathers. Reading it will help you understand how your materials will be dealt with, and how to avoid potential misunderstandings and delays with your order.

Why fill out this form? Fabric designs often come in intricate patterns. Different people may interpret the same fabric's direction in different ways. In order to avoid any confusion and to ensure that your order comes out the way you want, please use this form with your original PO to specify orientation.

How much yardage should I send? Yardage per chair is estimated in this price list and based upon 54" wide, plain or non-directional material.

Additional yardage may be required if striped or patterned material is used, if pattern requires matching or if width of material is less than 54" wide. Please call us at (877) 776 5678 if you have questions.

Processing time Orders for production of COM, COL and Grade-In's upholstered products are not scheduled for processing until upholstery material is received. OM will not ship orders until 7-10 business days after receipt of fabric(s) and/or material(s). No CBD or credit hold terms.

Split orders If a portion of your shipment does not require COM, please specify whether OM should ship complete or split. By default, OM puts orders on hold until all material is received. Please contact us if you need to split orders. Split shipments may incur additional charges or fees.

Canceled or changed orders Customers are responsible for the cost of the chair and any additional penalties as well as for arranging the return of any extra COM, COL or Grade-In's resulting from changes in upholstery material or cancellation of an order within 24 hour notice and minimum of 25% of change or cancellation fee. OM assumes no responsibility for this material.

Excess upholstery material OM will dispose of all excess upholstery material unless the customer specifically arranges otherwise.

Upholstery material discrepancy OM assumes no responsibility for defects in, or performance of, COM/COL. But if we detect any flaws with the upholstery material that we receive, we will immediately notify the customer by fax or by phone. In such a case, OM will hold the order until the customer advises us on what to do next. OM is not responsible for any delays on orders in which customer instructions are pending.

OM Material Guideline Highlights

COM / GRADE-IN

- Unless otherwise stated, OM will exercise its discretion in choosing fabric direction (usual default as illustrated in Diagram 1, below).*
- COM must be provided as continuous yardage, and is based upon 54" wide plain or non-directional material.
- Do not fold materials. OM is not responsible for material that is damaged or wrinkled upon receipt.

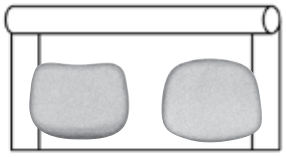


Diagram 1: Up the roll, off the roll.

Diagram 2

COL

- Leather should be sent in rolls, do not fold. OM is not responsible for material that is damaged or wrinkled upon receipt.
- Outer edges of leather can not be calculated as square feet or yardage.

COM & COL

- To avoid delays, all materials sent to OM must include the PO number of your order with us, clearly marked or tagged on all material.
- All fabrics and leathers will be examined before cutting and OM is not responsible for material that is damaged upon receipt.

Complex Patterns Positioning of intricate patterns or pattern repeats on seat and back default centered (as shown in Diagram 2, bottom left). Customers can use the boxes provided on the COM Specification Form to sketch how they want patterns to appear. Be advised that if your COM or Grade-In's fabric has stripes, you need to state in your PO whether a vertical (up/down) or horizontal (left/right) orientation is to be applied. Otherwise, OM will use its sole discretion. Large pattern repeats may require up to 25% additional yardage.

* OM's default layout is "Top-Down" (aka, "Off-the-roll"). Guidance from mill's website may be referenced on a case-by-case basis.

Grade-in Program

Guide to OM Grade-in Program

Obtaining Current Grade-in Pricing
(Grades will change periodically)

Look for this graphic at **om**seating.com (under Fabrics catalog/Grade-in Fabrics) to download most up-to-date Grade-in prices.

Ordering Grade-in Fabric
To order OM seating with a specific, grade-in pattern, you must note the following clearly on your PO:

1 Fabric Mill Name (Momentum Textiles, Mayer Fabrics, C.F. Stinson, Designtex or Ultrafabrics)
2 Grade-In x (where 'x' is the appropriate grade)
3 Your selected "Pattern Name" and "Color Number/Name"
4 Layout instructions (see page 186)

If the above information is not clearly and completely noted, OM will assume your PO to be a COM order and will wait for your fabrics to arrive.

Selecting Patterns
To choose a pattern, or to see which pricing grade (Grade-In A, B, C, etc.) your selected pattern(s) falls under, please consult the accompanying chart or go directly to the appropriate fabric mill's website. OM's approved patterns are listed on omseating.com in the Fabric Catalog section.

Upon selecting a pattern, please note the grade selection noted to the right (see instruction 1 above).

Grade-in Samples
In order to obtain any samples, please contact the appropriate fabric mill directly via its website or phone number.

Momentum Textiles (www.themomgroup.com, 800 366 6839)
Mayer Fabrics (www.mayerfabrics.com, 800 428 4415)
CF Stinson (www.cfstinson.com, 800 841 6279)
Designtex (www.designtex.com, 800 221 1540)
Knoll Textiles (www.knoll.com/shoptextiles, 866 565 5858)
Ultrafabrics (www.ultrafabricsinc.com, 800 309 6648)

Split Orders
If you would like the items of your order that are not part of the Grade-in program to ship on a separate timeframe than the Grade-in portion of your PO, please contact an OM Customer Service representative to confirm. In such a case, a higher shipping cost for the PO may be incurred.

Lead Times
Normal OM lead times for items ordered under the Grade-in program will be measured from the date of the receipt of all fabrics specified for a PO.

Order changes requested 24 hours after the original submission to OM may result in a longer lead time.

Actual processing times are also subject to individual credit terms and assume that all accounts are in good standing.

Warranty
No OM warranties are implied or given under the Grade-in program beyond the pertinent standard fabric mill's original warranty coverage.

Change Orders and Cancellations
For orders that have entered any stage of the production process, OM can not accept change orders or cancellations.

All fabric order changes (either OM textile or Grade-in) must be received within 24 hours of the original PO submission. Fabric changes to orders after the initial 24 hour period may be assessed additional fees.

Fabric Application Testing
Some Products are subject to Fabric Application Testing if the textile has not been tested and approved, please check with OM Seating. Products that may need testing include: Truly. Jacket/Wrap, Tibidi Seat/Seat & Back, CE2, CE2-P, Werksy Full Upholstery, and Plot Twist.

If the material is from our Grade-in Partner (CF Stinson, Designtex, Mayer, Momentum, Knoll, Ultrafabrics), OM will order the fabric for you. Otherwise, please fill out the form on the following page for each product and textile that needs to be tested.

Arm Tops

COKC0197

Arm Matrix

"WELL-ARMED" (FOR GOOD ERGONOMICS)

40+ everyday arms, 5 different arm tops (i.e., pads with motion), myriad additional custom combinations... I guess you could say we believe in offering choices to our customers!

Choosing arms to fit your working style is important. Yet, when it comes to arm selection, we have found that opinions vary widely. Some would say that good arms get out of your way during work, and then are available as occasional rests for when you need a break from the action.

Others believe that arms are meant to offer continuous support even while working... witness the KR100-51M track arms which are "move with you as you work" specialty arms that we developed for Google employees to use in a book-scanning project.

No matter your personal philosophy on arms, we've got enough choices to satisfy even the Goldilocks amongst you with something that is "just right".

Use this matrix as a starting point for just some of our more popular arm models; a reference to explain some of the more common model numbers you'd order, depending on which arm function/style you are seeking...

		ARM PAD	ARM TOPS			
Arm Frame Description	Regular Arm	Memosoft Pads (-M)	5-way Adjustable (-RP45)	6-way Adjustable (-RP50)	6-way Adjustable & Lockable (-RP65)	Specialty Arm (-RP51M)

COKC0197

Notes

Optional Casters Cylinders & Headrests

COKC0197

Features:

Casters for all types of flooring

Cylinders for achieving various seat heights

Non-standard upholstered headrest options

Casters

Guidelines and Selection

	List $ (Upcharge)	List $ (Buy)	Description
CAS-REG 	**N/A**	**$30.00**	**Regular Caster** Designed for use on carpet (5 per set, standard on most chairs)
GLDR	**N/A**	**$30.00**	**Glide** Keeps the chair stationary at all times (5 per set)
50SS *(formerly CAS0050-SS)* 	**$25.00**	**$45.00**	**Safety Soft Caster** Minimizes chair movement when NOT in use (5 per set)
50R *(formerly CAS0050-RB)* 	**$35.00**	**$55.00**	**Reverse Braking Caster** Restricted chair movement when chair IS in use (5 per set)
65MS *(formerly CAS0065-S)* 	**$25.00**	**$45.00**	**Multi-Surface Soft Caster** Dual-tone; designed for wood, tile and smooth surfaces (5 per set)
RUB *(formerly CAS-RUB)* 	**$25.00**	**$45.00**	**Rubber Caster** Designed for concrete and other hard surfaces (5 per set) Note: Not available on MXIU and other high weight limit chairs (i.e., 350 lbs. and up).

OM provides you with a range of caster options to accommodate your working environment. Tailor your caster selection specifically to the type of flooring where your seating will be used. Refer to the chart below to help you choose the caster that is right for you.

	SOFTEST SURFACE					HARDEST SURFACE
	Carpet	**Chair Mat**	**Wood**	**Tile**	**Linoleum**	**Concrete**
Regular Caster	**Excellent!**	Fair	Poor	Poor	Poor	Poor
Glide	Fair	Fair	Fair	Fair	Fair	Fair
Safety Soft Caster	Poor	**Excellent!**	**Excellent!**	**Excellent!**	**Excellent!**	**Excellent!**
Reverse Braking Caster	Poor	Fair	Fair	Fair	Fair	Fair
Soft Caster ("Dual-soft")	**Excellent!**	**Excellent!**	**Excellent!**	**Excellent!**	**Excellent!**	**Excellent!**
Rubber Caster	Fair	Fair	Fair	Fair	**Excellent!**	**Excellent!**

Similar to the way tires on a car eventually wear out, even the most well-made casters are subject to wear and tear. While performing routine maintenance will extend the life of your casters, eventually you may need to replace them.

Be advised that all the options listed above may not be applicable to all models in our price list. ⋮ Please call OM for details or clarification.
Pricing and specifications subject to change without notification.

Cylinders

Guidelines and Selection

	List $ (Upcharge)	List $ (Buy)	Description *Available on chairs that are not BC or WS (except WS15VS and WS16) Series.*

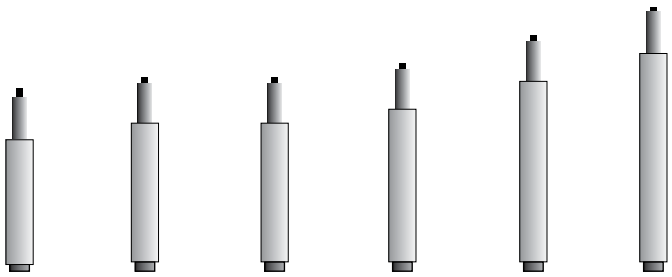
4HD *(formerly CYL-4HD)*	**$30.00**	**$95.00**	4" black heavy-duty cylinder **(check with factory for model compatibility)**
5HD *(formerly CYL-5HD)*	**$30.00**	**$95.00**	5" black heavy-duty cylinder **(check with factory for model compatibility)**
6SHD *(formerly CYL-6SHD)*	**$40.00**	**$100.00**	6" black super heavy-duty cylinder **(check with factory for model compatibility)**

Choosing the appropriate cylinder for both your working environment and working style is critical to proper ergonomics and your long-term seating comfort.

Cylinders (aka Gas Lifts or Pneumatic Cylinders) are a paradox. While they are one of the easiest — and most important — parts of your chair to adjust, they can also be one of the hardest parts of your chair to understand. Thankfully there is only one main area that you really need to consider when specifying for that perfect fit: Travel Range.

Travel range is usually expressed in approximate inches and is the total distance that the telescoping portion of the assembly can travel. A 5 inch cylinder has approximately 5 inches of travel from full compression to full extension, a 8 inch cylinder has approximately 8 inches of travel, respectively.

When considering the Travel Range for your seating needs, it is important to bear in mind that your working environment and style together determine what's appropriate for you. See the chart below for more details.



Category	Desk Height				Counter Height	
Actual Travel	**88 mm**	**121 mm**	**121 mm**	**162 mm**	**202 mm**	**262 mm**
Comparative Max. Height* (As measured from cyl-5 as a "standard")	**-2.5"**	**standard**	**standard**	**+4"**	**+7.3"**	**+13.5"**
Comparative Min. Height* (As measured from cyl-5 as a "standard")	**-1.3"**	**standard**	**standard**	**+2.5"**	**+4.3"**	**+8.2"**

* All measurements are approximate and are based on switching cylinder heights on otherwise the same chair, with the same base and casters.

BIFMA UTFF (Ultimate Test For Fit) for the work chair states that users should be able to sit with their feet comfortably on the floor or footrest without undue pressure on the underside of the thighs. The thigh-to-torso angle should not be less than 90°.

COKC0097

COOKCO01797

AFFORDABLE INNOVATION. SERVICE EXCELLENCE. FLEXIBILITY.

Whether we're working, collaborating or learning, we spend a lot of time sitting.

At Allseating, we've spent over three decades designing and manufacturing seating solutions that are more comfortable, innovative and functional for the corporate, education and healthcare vertical markets.

From flexible chairs that accommodate your every move, to affordable and sustainable solutions that adjust to your evolving business needs, our seating solutions work with you, and for you. Plus, you'll find total peace of mind with our customer service and warranty.

YOU WORK. YOU LEARN. YOU SUPPORT.

From versatile chairs that accommodate your every move, to service programs that adjust to your evolving business needs, our seating solutions are designed to work the way you do. This includes:

ACCESSIBLE DESIGN

There's one philosophy that drives the design of all our products: to support any situation, any task, and virtually any budget. The result is that our products have a reputation for being highly adjustable, highly durable and still affordable.

From our Therapod® chair to the revolutionary You® chair to our latest Levo® chair, we have a track-record of designing innovative solutions that change the way we sit. We're proud that many of our chairs have been recognized in international competitions, such as GOOD Design and Best of NeoCon.

MASS CUSTOMIZATION CAPABILITIES

As an independently owned company, we have the flexibility to run the type of business we've always wanted to work for: one that's flexible and nimble. We know every customer has a unique set of requirements, so we've established production practices that allow us to adjust to those needs, but without the cost of 'going custom'.

While we officially have 218 chairs in our line-up, when you add up all the various mechanisms, arm combinations, seat sizes and other options, our Allseating's mass customization capabilities allow for roughly 7-million variations. So you know we have the perfect one for you.

COMMITMENT TO CUSTOMER SERVICE

From spec to delivery to maintenance support, we have earned a reputation as being the easiest, most enjoyable manufacturer to do business with – often surprising our partners with our solutions-driven approach to service, product quality and on-time delivery.

We're proud to be recognized as the Office Furniture Dealers Alliance's Seating Manufacturer of choice, and a big reason for this is our customer-centric approach.

We developed our innovative SpecAll™ online specification tool so you can specify, customize, price, save and share your product from any computer or mobile device. Our entire product library is also available at 2020technologies.com.

While we're proud of our highly intuitive specification technologies, we're always happy to work the way you prefer – including supporting traditional order processes over the phone. Simply call our Sales Support representatives and they will assist on all aspects of our products, and can answer all your specification questions.

THE INDUSTRY'S BEST WARRANTY

When your products are as well engineered as ours, you can back them with the best warranty in the business. Ours is simple: 12 years on all parts and approved labor with a 12 year 24|7 on specified product (10 years on Foster Sleep Chair and Recliners, 7 years on Eighty Two Basic seat foam, 3 years on Allseating Pillows).

Of course, we pride ourselves on engineering products that stand up to today's demanding work environments. That said, if something goes wrong, we're known for making it right. So if you receive a product from us that doesn't measure up to your quality standards, we promise to swiftly investigate and solve the problem.

We understand that dealing with warranties is often frustrating. So we developed a dedicated Warranty Response Team to eliminate headaches. They're specially trained to expedite warranty-related issues, so you can get back to business.

DESIGN FOR THE ENVIRONMENT

In addition to being ISO 14001 Certified, the gold standard for helping companies introduce and adopt environmental management systems, Allseating products are Indoor Advantage Gold – Furniture Indoor Air Quality certified, SCS Global Services' highest level of indoor air quality performance for furniture. This certification assures that furniture products support a healthy indoor environment by meeting strict chemical emission limits for volatile organic compounds (VOCs).

To be certified, our products must be tested by independent labs for compliance with the ANSI/BIFMA X7.1 and either ANSI/BIFMA e.3 or CDPH/EHLB Standard Method V1-1 for VOC emissions of concerns.

SCS Global Services has been providing global leadership in third-party quality, environmental and sustainability verification, certification, auditing, testing and standards development for three decades. Its programs span a cross-section of industries, recognizing achievements in green building, product manufacturing, food and agriculture, forestry, power generation, retail, and more.

SCS is accredited to provide services under a wide range of nationally and internationally recognized certification programs. Consistent with its mission, SCS is a chartered benefit corporation and Certified B Corp™, reflecting its commitment to socially and environmentally responsible business practices.

COOKCO0017

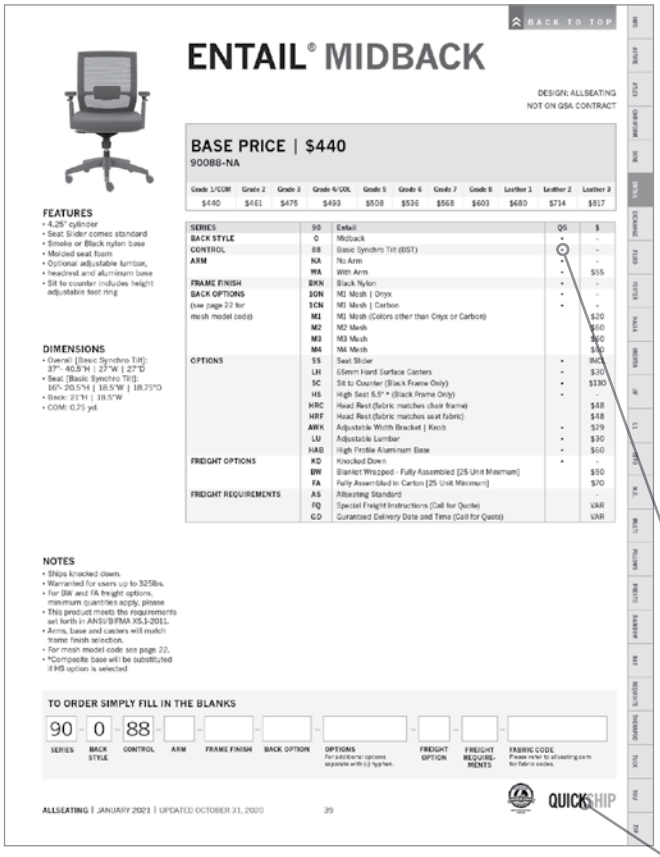
QUICK SHIP

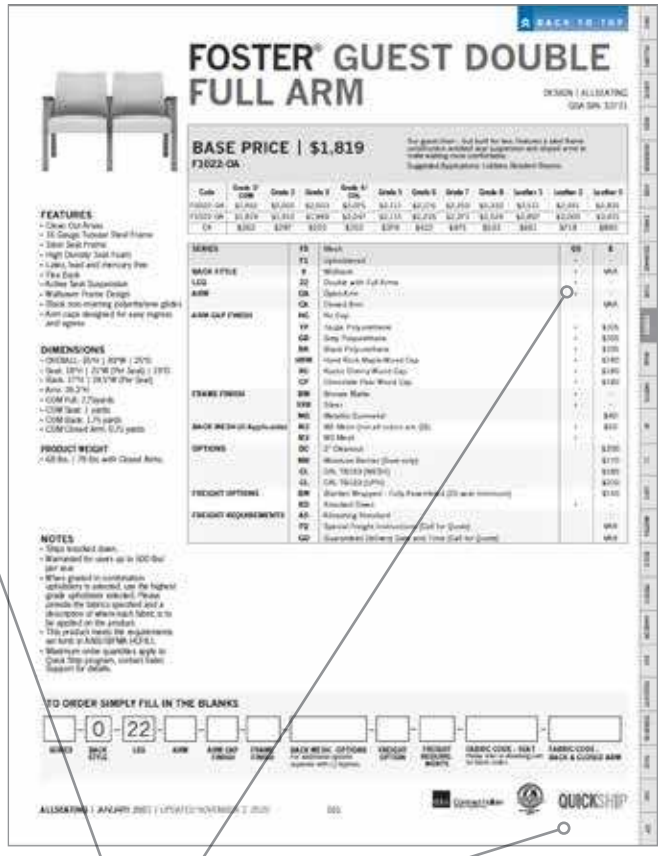
It's one thing to find the right product for the right price, but it's another thing to get it when you need it. We have the most extensive quickship offering in the industry with over 75 percent of our task, conference and guest seating available to be shipped within 5 days when specified with standard finishes and options (maximum of 25 units per order to qualify).

Most of our Foster collection is also available on Quick Ship with express 5 day shipping when standard finishes and options are selected (maximum of 25 seats per order to qualify; i.e. triple = 3 seats).

Quick Ship timelines exclude weekends and holidays. Simply pick the solution that best suits your needs, choose from any of our any of our carded quick ship fabrics*, and submit your order to Allseating's order entry department via fax at 1 800 272 9911, or email us at orders@allseating.com.

Each product that has a configuration that is eligible for Quick Ship has a QS logo indicating as such at the bottom of the page (as shown below). The QS column on each product page allow you to quickly identify which models/options are eligible for QS.





*SOME EXCEPTIONS MAY APPLY.

QUICKSHIP

ONLINE SPECIFICATION HAS NEVER BEEN EASIER.

We're constantly developing new and evolving existing products - so no matter how much planning goes into this price book, details can change. That's why we developed SpecAll™ – a convenient online tool that enables you to specify and price your product in real-time without ever leaving the comfort of your chair.

It really is that easy. Simply visit allseating.com, choose your chair and customize it by selecting your preferred options, fabrics and finishes. When you're done you can email it, or save it for future reference.

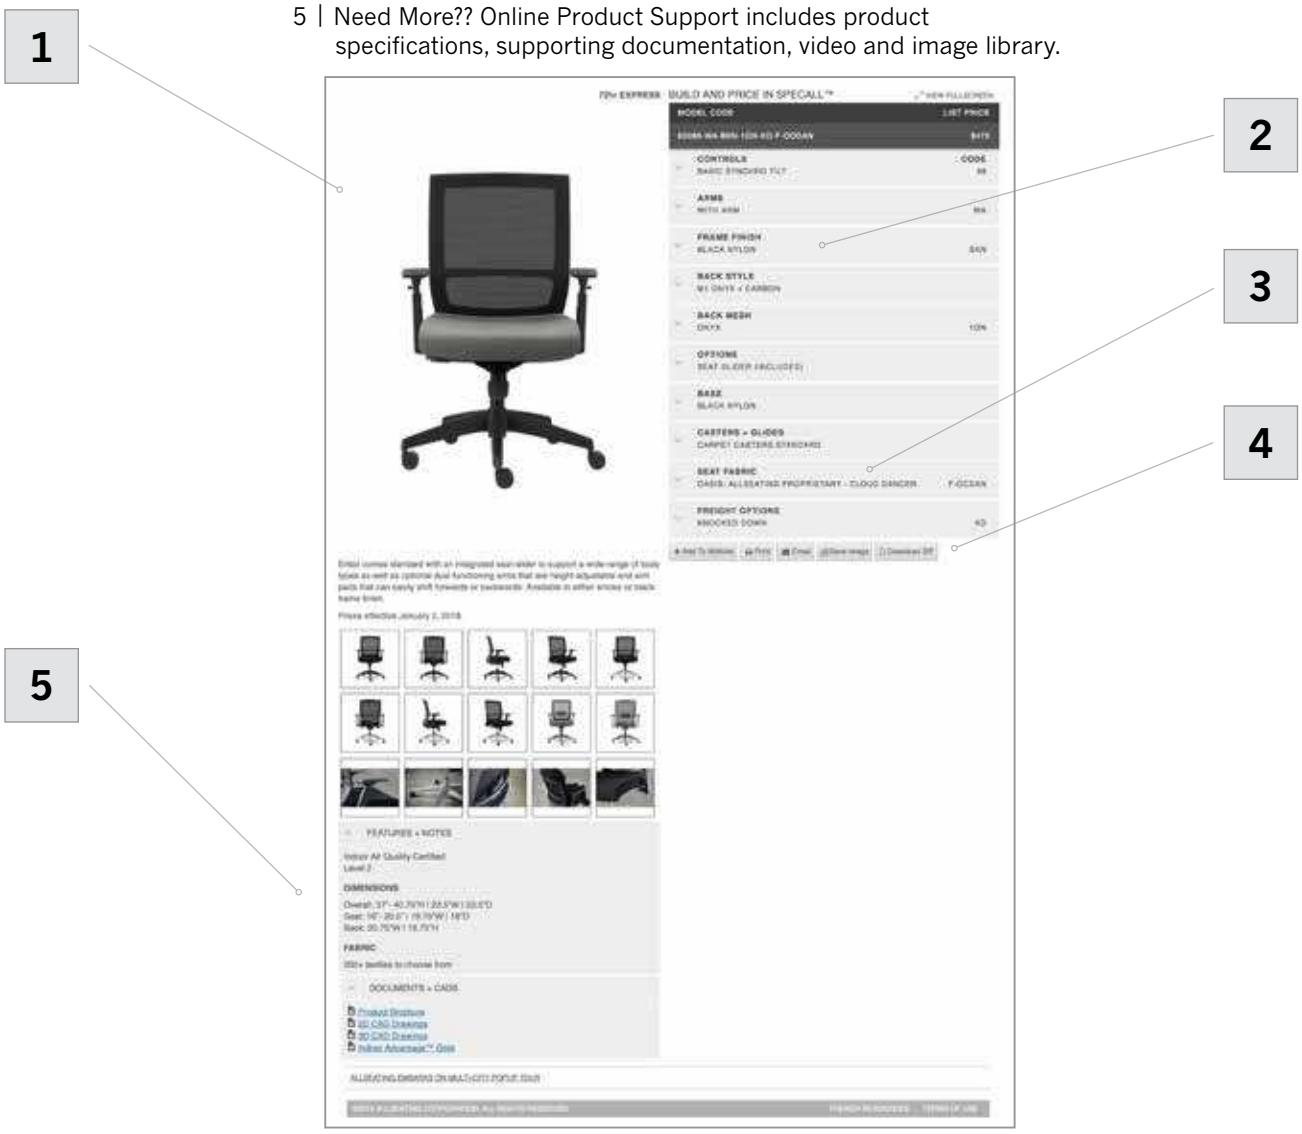
1 | We start with the base model.

2 | Change and customize your chair's mechanism, armstyle, finish and any other options available for your model.

3 | Choose your textile by clicking on the fabric thumbnail.

4 | Share with colleagues, add to your wish list, print or email your model.

5 | Need More?? Online Product Support includes product specifications, supporting documentation, video and image library.



GROUP PURCHASING ORGANIZATIONS

Allseating has contracted purchasing agreements with Premier and Vizient.
For more information, please contact your local Allseating dealer or your Allseating representative.

GENERAL GUIDELINES:

Standard dealer discount applies until an SQ is given. Standard freight policy applies. Delivery, install and design are added charges by the dealer. Dealer has the authority to sell less than the contracted price. Tier is based on member net and per purchase order unless member tier activated.

PREMIER

Contract Number: PP-FA-843
Term: January 1, 2018 - December 31, 2026
Quotes based on January 2024 Commercial Price List.
Tier is based on member sell price and calendar year accumulated purchases.

Premier Member Pricing:

Tier 1: up to $150,000 = 54% off list
Tier 2: $150,001 + = Negotiated

VIZIENT

Contract Number: CE3371
Term: May 1, 2019 - April 30, 2026
Quotes based on Allseating's April 2023 Commercial 2023 + GSA Catalogue. Tier is based on member sell price and calendar year accumulated purchases.

Vizient Member Pricing:

Tier 1: up to $25,000 = 54% off of list
Tier 2 $25,001 - $100,000 = 55% off of list
Tier 3 $100,001 – 200,000 = 56% off of list
Tier 4: $200,001+ = Negotiable

GENERAL SERVICES ADMINISTRATION

When the federal supply schedule contract delivery period does not meet the bona fide urgent delivery requirements of an ordering activity, the ordering activity is encouraged, if time permits, to contact the contractor for the purpose of obtaining accelerated delivery. The contractor shall reply to the inquiry within three (3) business days after receipt. (Telephonic replies shall be confirmed by the contractor in writing.) If the contractor offers an accelerated delivery time acceptable to the ordering activity, any order(s) placed pursuant to the agreed upon accelerated delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.

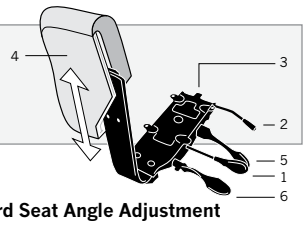
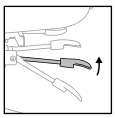
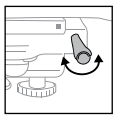
DELUXE TILTER HEAVY DUTY (DJ/DH) - 11

Overview: Task applications which require extensive adjustability. Center pivot tilting action with infinite tilt lock. Suitable for chairs with independent seat and back construction.

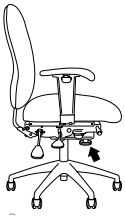


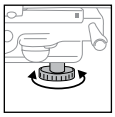


1 | Seat Height Adjustment
To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height.
Release the paddle to lock into place.
To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height.
Release the paddle to lock into place.

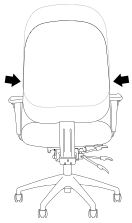


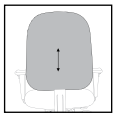
2 | Forward Seat Angle Adjustment
To engage forward seat tilt, recline slightly in the chair and roll the bar backwards.
As you bring the chair back to an upright position, the seat of the chair will angle forward.
To disengage forward seat tilt, recline slightly in the chair and roll the bar forwards. As you bring the chair back to an upright position, the seat will return to a neutral position.



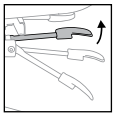


3 | Tension Control
Leaning back in the chair, decide if the resistance of the chair is comfortable.
If it is too loose, rotate the tension knob counter-clockwise. If the chair has too much resistance, turn the knob clockwise.

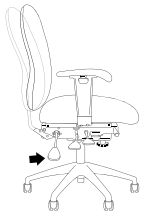


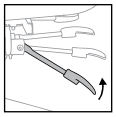


4 | Back Height Adjustment
To adjust back height, lean forward and grasp the sides of the outside back.
To raise, slide the back up.
To lower, slide it all the way to the top and then lower to desired height.
Release to lock in place.



5 | Infinite Tilt Lock
To adjust the recline angle, pull the paddle up to unlock it. Recline to the desired position and push the paddle down to lock in place.

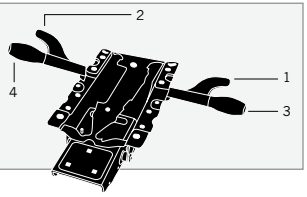


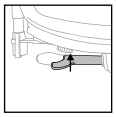


6 | Back Angle Adjustment
To increase the angle of the back, lift the paddle up while putting your weight on the back of the chair until you reach the desired angle.
Release the paddle to lock into place.
To decrease the angle of the back, lift the paddle up while removing your weight from the back until you reach the desired angle.
Release the paddle to lock into place.

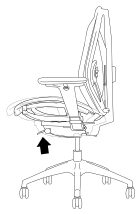
DELUXE SYNCHRO TILT (DST) - 12

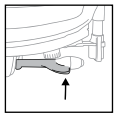
Overview: Task applications, which require extensive adjustability. Suitable for chairs with independent seat and back construction. Synchronized tilting action allows user's feet to remain on the floor as they tilt backwards. Side-activated tension for ease of adjustment. "J-Bar" construction provides enhanced visual appeal.



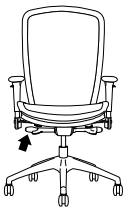


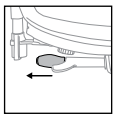
1 | Seat Height Adjustment
To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height.
Release the paddle to lock into place.
To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height.
Release the paddle to lock into place.

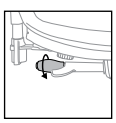




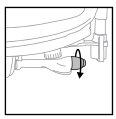
2 | Seat Depth Adjustment (Optional)
To adjust the seat depth, lift up on paddle and simultaneously lift your weight from the seat while sliding the seat forward or backward. Release the paddle to lock the seat in place.







3 | Tension Control
Leaning back in the chair, decide if the resistance of the chair is comfortable.
If it is too loose, rotate the tension knob counter-clockwise. If the chair has too much resistance, turn the knob clockwise.

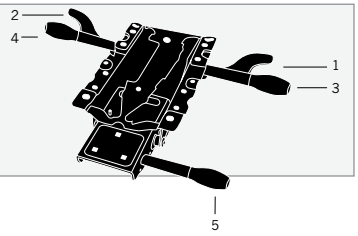


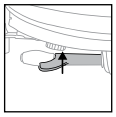
4 | Tilt Lock
To adjust the recline angle, twist knob forward to unlock it. Recline to the desired position and twist knob backwards to lock in place.

CONTROLS

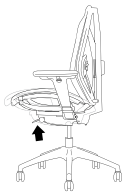
DELUXE SYNCHRO TILT W/BACK ANGLE (DST2) - 18

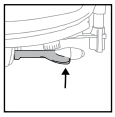
Overview: Task applications, which require extensive adjustability. Suitable for chairs with independent seat and back construction. Synchronized tilting action allows user's feet to remain on the floor as they tilt backwards. Side-activated tension for ease of adjustment. "J-Bar" construction provides enhanced visual appeal.



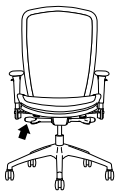


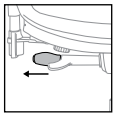
1 | Seat Height Adjustment
To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height. Release the paddle to lock into place. To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height. Release the paddle to lock into place.

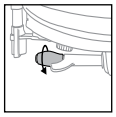




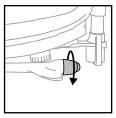
2 | Seat Depth Adjustment (Optional)
To adjust the seat depth, lift up on paddle and simultaneously lift your weight from the seat while sliding the seat forward or backward. Release the paddle to lock the seat in place.



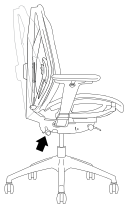


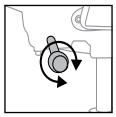


3 | Tension Control
Leaning back in the chair, decide if the resistance of the chair is comfortable. If it is too stiff, pull knob out and rotate counter-clockwise. If the chair does not provide enough resistance, turn the knob clockwise.



4 | Tilt Lock
To adjust the recline angle, twist knob forward to unlock it. Recline to the desired position and twist knob backwards to lock in place.

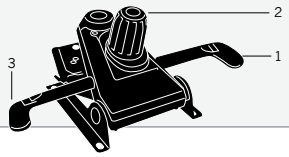


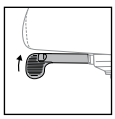


5 | Back Angle Adjustment
To increase the angle of the back, rotate the knob in clockwise motion until desired angle is reached. To decrease the angle of the back, rotate the knob in a counter-clockwise motion.

KNEE TILT (KT2) - 25

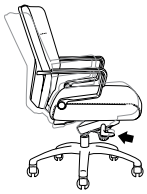
Overview: For use in boardroom, executive and management applications. Suitable for chairs with combined seat and back construction.

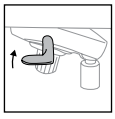




1 | Seat Height Adjustment
To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height. Release the paddle to lock into place. To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height. Release the paddle to lock into place.

2 | Tension Control
Leaning back in the chair, decide if the resistance of the chair is comfortable. If it is too loose, rotate the tension knob counter-clockwise. If the chair has too much resistance, turn the knob clockwise.



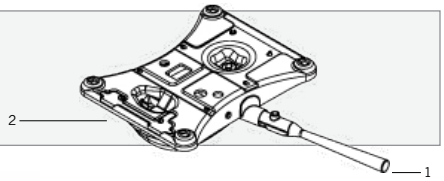


3 | Tilt Lock
To adjust the recline angle, pull the paddle up to unlock it. Recline to the desired position and push the paddle down to lock in place.

CONTROLS

ENHANCED TILT - 15

Overview: Applications which require moderate adjustability.
Center Pivot Tilting action with lock in upright position only.



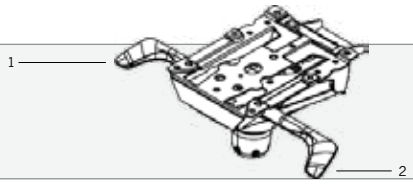
1 | Seat Height Adjustment
To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height.
Release the paddle to lock into place.
To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height. Release the paddle to lock into place.

3 | Tilt Lock
To adjust the chair tilt, pull the paddle out to unlock it.
Recline to the desired position.
Push the paddle in to lock in the upright position only.

2 | Tension Control
Leaning back in the chair, decide if the resistance of the chair is comfortable.
If it is too stiff, rotate the tension knob counter-clockwise.
If the chair does not provide enough resistance, turn the knob clockwise.

SYNCHRO TILT - 24

Overview: Task applications which require extensive adjustability. Suitable for chairs with independent seat and back construction. Synchronized tilting action allows user's feet to remain on the floor as they tilt backwards.



1 | Seat Height Adjustment
For desired seat height use the lever under the right side of the seat.
To raise the seat, lift the lever up while taking your weight off the chair.
To lower the seat, stay seated and lift the lever.
Release the lever when you reach the desired height.

3 | Tension Control
For tension, adjust by turning tension knob clockwise to tighten and counterclockwise to loosen.

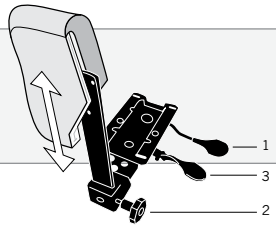
2 | Seat Depth Adjustment (Optional)
The integrated seat slider control is naturally accessible under the right side of the seat.
Push the button in and slide to the desired position. Release to lock the seat in place.

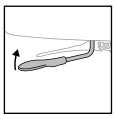
4 | Tilt Lock
To lock the recline of the backrest, lean back to the desired position, push the tilt lock lever down to lock in place.
To release, pull the lever up to unlock.

CONTROLS

POSTURE BACK (P) - 30

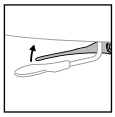
Overview: Task applications which require moderate and affordable adjustability.
Suitable for chairs with independent seat and back construction. Suitable for stool applications.





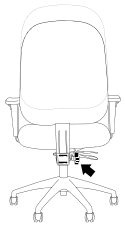
1 | Seat Height Adjustment

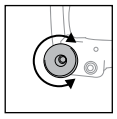
To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height.
Release the paddle to lock into place.
To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height.
Release the paddle to lock into place.



3 | Back Angle Adjustment

To increase the angle of the back, lift the paddle up while putting your weight on the back of the chair until you reach the desired angle.
Release the paddle to lock into place.
To decrease the angle of the back, lift the paddle up while removing your weight from the back until you reach the desired angle.
Release the paddle to lock into place.



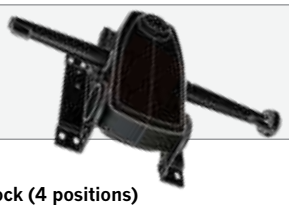


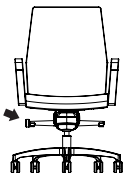
2 | Back Height Adjustment

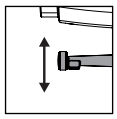
To increase the height of the back, rotate the knob in a counter-clockwise motion to release the back.
Lift back up to the desired height and tighten the knob by turning it clockwise.
To lower the back height, rotate the knob in a counter- clockwise motion to release the back.
Lower the back to the desired height and tighten the knob by turning it clockwise.

SYNCHRO TILT (TS70) - 32

Overview: Task applications which require moderate and affordable adjustability. Suitable with chairs with separate seat and back construction. Central pivot tilting action with lock in upright position only.

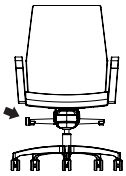


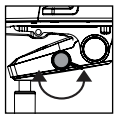




1 | Seat Height Adjustment

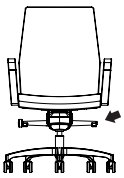
To raise the chair, lift the lever while lifting your weight from the seat until you reach the desired height.
Push lever back to lock into place.
To lower the chair, lift lever while allowing your weight to push the seat down tot he desired height.
Push lever back to lock into place.

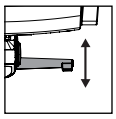




2 | Tension Control

Leaning back in the chair, decide if the resistance of the chair is comfortable. If it is too stiff, turn hand-wheel clockwise to increase tension and counter clockwise to reduce tension.



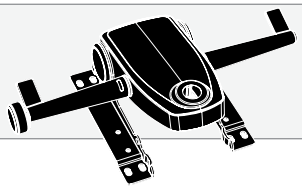


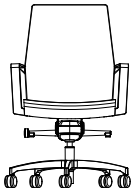
3 | Tilt Lock (4 positions)

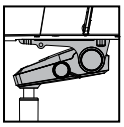
To adjust the recline angle, lift lever to unlock it. Recline tot he desired position and push down on lever to lock in place.

KNEE-TILT (KT3) -35

Overview: For use in conference rooms, executive and management spaces. Suitable for chairs with combined seat and back construction. Side tension control provides a solid ergonomic solution to users.

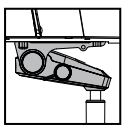






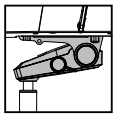
1 | Seat Height Adjustment

To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height.
Release the paddle to lock into place.
To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height.
Release the paddle to lock into place.



3 | Tilt Lock

To adjust the recline angle, pull the paddle up to unlock it. Recline to the desired position and push the paddle down to lock in place.



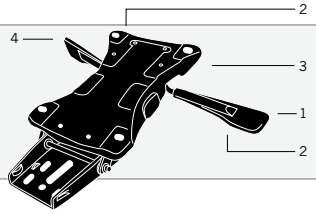
2 | Tension Control

Leaning back in the chair, decide if the resistance of the chair is comfortable.
If it is too stiff, rotate the tension knob counter-clockwise. If the chair does not provide enough resistance, turn the knob clockwise.

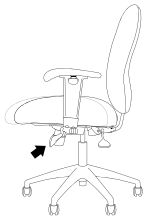
CONTROLS

SYNCHRO TILT (ST) - 40

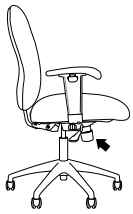
Overview: Task applications which require extensive adjustability. Suitable for chairs with independent seat and back construction. Synchronized tilting action allows user's feet to remain on the floor as they tilt backwards. "J-Bar" construction provides enhanced visual appeal.



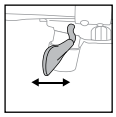
1 | Seat Height Adjustment
To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height.
Release the paddle to lock into place.
To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height.
Release the paddle to lock into place.



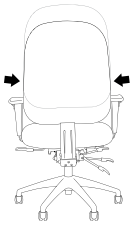
2 | Seat Depth Adjustment (Optional)
To adjust the seat depth, lift up on paddle and simultaneously lift your weight from the seat while sliding the seat forward or backward.
Release the paddle to lock the seat in place.

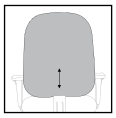


3 | Tension Control
Leaning back in the chair, decide if the resistance of the chair is comfortable.
If it is too stiff, rotate the tension knob counter-clockwise. If the chair does not provide enough resistance, turn the knob clockwise.



4 | Tilt Lock
To adjust the recline angle, push the paddle forwards to unlock it. Recline to the desired position and push the paddle back to lock in place.



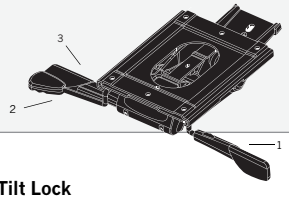


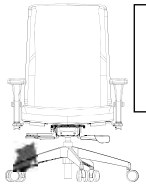
5 | Back Height Adjustment (Optional)
To adjust back height, lean forward and grasp the sides of the outside back.
To raise, slide the back up.
To lower, slide the back all the way to the top then back to the bottom to reset it. Raise slowly in increments until desired height is reached.

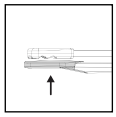
Note: Fluid and Zip do not have this feature.

DYNAMIC SYNCHRO TILT (DYT) - 46

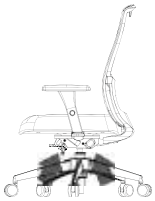
Overview: Task applications which require moderate adjustability. The Dynamic Synchro mechanism adjusts the tilt tension based on the weight of the user when reclining.

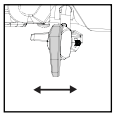




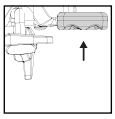


1 | Seat Height Adjustment
To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height.
Release the paddle to lock into place.
To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height.
Release the paddle to lock into place.





2 | Tilt Lock
To adjust the recline angle, push the paddle down to unlock it.
Recline to the desired position. Pull the paddle up to lock in the upright position.

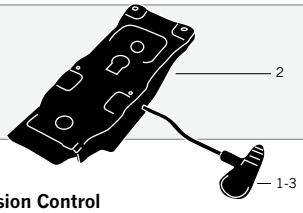


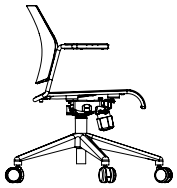
3 | Seat Slider
To adjust the seat depth, pull the paddle up to unlock it and adjust to the desired position. Release the paddle.

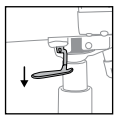
CONTROLS

BASIC TILT - 57

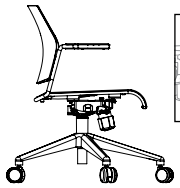
Overview: Task applications which require moderate and affordable adjustability. Suitable with chairs with separate seat and back construction. Central pivot tilting action with lock in upright position only.

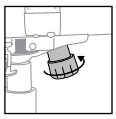




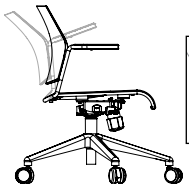


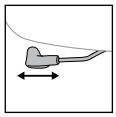
1 | Seat Height Adjustment
To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height.
Release the paddle to lock into place.
To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height.
Release the paddle to lock into place.





2 | Tension Control
Leaning back in the chair, decide if the resistance of the chair is comfortable.
If it is too stiff, rotate the tension knob counter-clockwise. If the chair does not provide enough resistance, turn the knob clockwise.

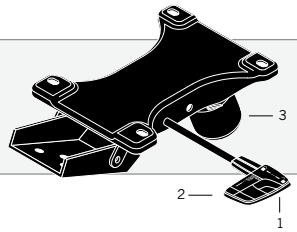


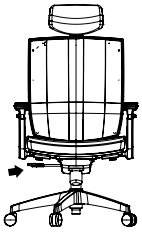


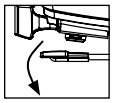
3 | Tilt Lock
To adjust the chair tilt, pull the paddle out to unlock it. Recline to the desired position and push the paddle in to lock in place.

BASIC SYNCHRO TILT WITH SEAT SLIDER (ST) - 88

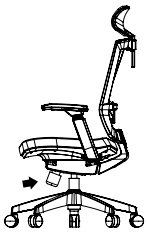
Overview: Task applications which require moderate adjustability.
Suitable for chairs with separate seat and back construction.

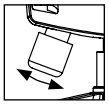




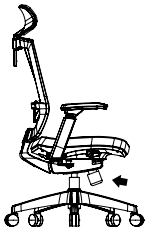


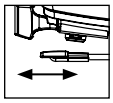
1 | Seat Height Adjustment
To raise, push the paddle down while taking your weight off the chair. To lower, stay seated and push the paddle down. Release when you reach the desired height.





3 | Tilt Tension
Adjust by turning the knob clockwise to loosen and counter-clockwise to tighten.



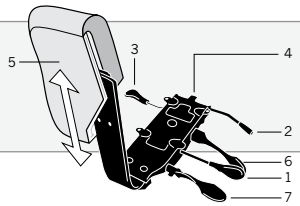


2 | Tilt Lock
To adjust the chair tilt, pull the paddle out to unlock, recline to desired position, push the paddle in to lock.

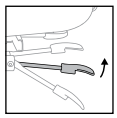
4 | Seat Depth Adjustment
Pull lever, located under the chair on the right side, outward to unlock.
Slide into desired position and release to lock into place.

CONTROLS

DELUXE TILT J-BAR (DJ) - 80

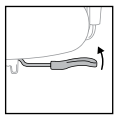


Overview: Task applications which require extensive adjustability. Center pivot tilting action with infinite tilt lock.
Suitable forchairs with independent seat and back construction. “J-Bar” construction provides enhanced visual appeal.



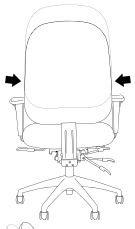
1 | Seat Height Adjustment

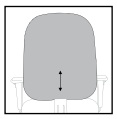
To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height. Release the paddle to lock into place. To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height. Release the paddle to lock into place.



3 | Seat Depth Adjustment (Optional)

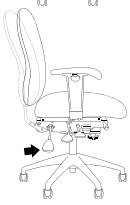
To adjust the seat depth, lift up on paddle and simultaneously lift your weight from the seat while sliding the seat forward or backward. Release the paddle to lock the seat in place.

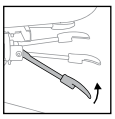




5 | Back Height Adjustment

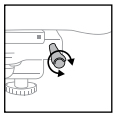
To adjust back height, lean forward and grasp the sides of the outside back.
To raise, slide the back up.
To lower, slide it all the way to the top and then lower to desired height.
Release to lock in place.





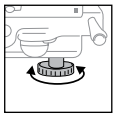
7 | Back Angle Adjustment

To increase the angle of the back, lift the paddle up while putting your weight on the back of the chair until desired angle. Release the paddle to lock.
To decrease the angle of the back, lift the paddle up while removing your weight from the back until you reach the desired angle. Release the paddle to lock into place.



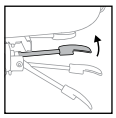
2 | Forward Seat Angle Adjustment

To tilt the seat forward, first recline slightly in the chair and then rotate handle clockwise until desired angle is reached.
To return to a neutral position, rotate handle counter-clockwise.



4 | Tension Control

Leaning back in the chair, decide if the resistance of the chair is comfortable. If it is too stiff, rotate the tension knob counter-clockwise. If the chair does not provide enough resistance, turn the knob clockwise.



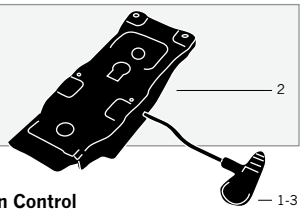
6 | Infinite Tilt Lock

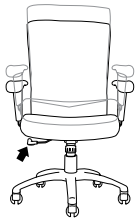
To adjust the recline angle, pull the paddle up to unlock it.
Recline to the desired position and push the paddle down to lock in place.

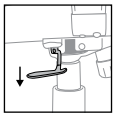
CONTROLS

BASIC SYNCHRO-TILT 4 (BT4) - 89

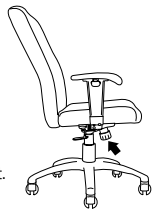
Overview: Task applications which require moderate and affordable adjustability. Suitable for chairs with separate seat and back construction. Synchro-Tilt action with lock in upright position only.

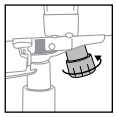




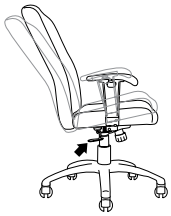


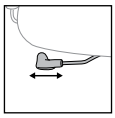
1 | Seat Height Adjustment
To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height.
Release the paddle to lock into place.
To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height.
Release the paddle to lock into place.





2 | Tension Control
Leaning back in the chair, decide if the resistance of the chair is comfortable.
If it is too stiff, rotate the tension knob counter-clockwise.
If the chair does not provide enough resistance, turn the knob clockwise.

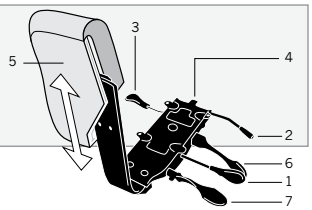


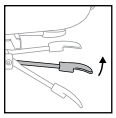


3 | Tilt Lock
To adjust the chair tilt, pull the paddle out to unlock it. Recline to the desired position.
Push the paddle in to lock in the upright position only.

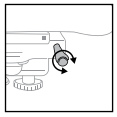
VALUE PLUS (VP) - 90

Overview: Task applications which require extensive adjustability. Center pivot tilting action with infinite tilt lock.
Suitable for chairs with independent seat and back construction. “J-Bar” construction provides enhanced visual appeal.

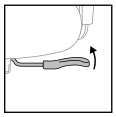




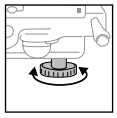
1 | Seat Height Adjustment
To raise the chair, lift the paddle up while lifting your weight from the seat until you reach the desired height.
Release the paddle to lock into place.
To lower the chair, lift the paddle up allowing your weight to push the seat down to the desired height.
Release the paddle to lock into place.



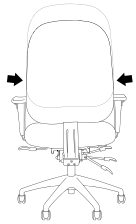
2 | Forward Seat Angle Adjustment
To tilt the seat forward, first recline slightly in the chair and then rotate handle clockwise until desired angle is reached.
To return to a neutral position, rotate handle counter-clockwise.

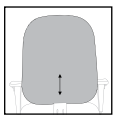


3 | Seat Depth Adjustment
To adjust the seat depth, lift up on paddle and simultaneously lift your weight from the seat while sliding the seat forward or backward.
Release the paddle to lock the seat in place.

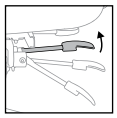


4 | Tension Control
Leaning back in the chair, decide if the resistance of the chair is comfortable.
If it is too stiff, rotate the tension knob counter-clockwise. If the chair does not provide enough resistance, turn the knob clockwise.

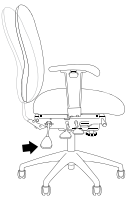


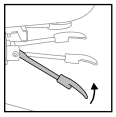


5 | Back Height Adjustment
To adjust back height, lean forward and grasp the sides of the outside back.
To raise, slide the back up. To lower, slide it all the way to the top and then lower to desired height. Release to lock in place.



6 | Infinite Tilt Lock
To adjust the recline angle, pull the paddle up to unlock it.
Recline to the desired position and push the paddle down to lock in place.

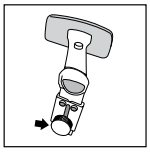


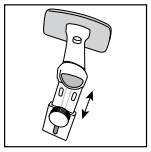


7 | Back Angle Adjustment
To increase the angle of the back, lift the paddle up while putting your weight on the back of the chair until desired angle.
Release the paddle to lock.
To decrease the angle of the back, lift the paddle up while removing your weight from the back until you reach the desired angle.
Release the paddle to lock into place.

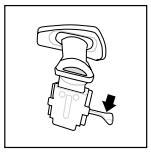
ARM ADJUSTMENTS

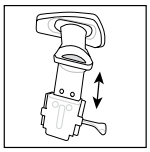
ARM WIDTH OPTION SPECIFICATIONS





AWK: Arm width adjustment with a turn knob.
Available for:
NA (No Arms), AT, WA, T2, 4D, MF, TW.

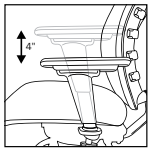


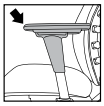


AWL: Arm width adjustment with lever.
Available for: T2, 4D and TW only.
Not available with AT arms or products with a shroud.
Standard with MF Arms.

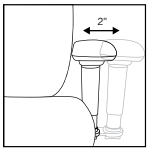
MULTI-FUNCTIONAL ARM - MF

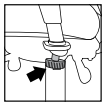
(Adjustable 4" height, pivots and slides side to side and front to back)



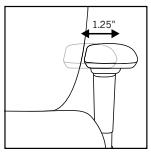


Arm Height Adjustment
To increase the arm height, press the button on the outside of the arm and pull up on the arm until the desired height is reached. The release the button. To lower the arm height, press the button again until desired height is reached and release the button.

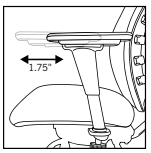




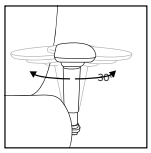
Width Adjustment [Optional]
To adjust the arm width, loosen the knob found under the seat, move the arm to the desired width and tighten the knob to lock in place.

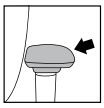


Arm Cap Adjustment - Side to Side
Arm caps can be moved inward or outward by pressing the button on the inside of the arm cap and sliding the cap in the desired position.



Arm Cap Adjustment - Front to Back
To change arm cap depth, press the button on the inside of the arm cap and slide forwards or backwards to desired position.

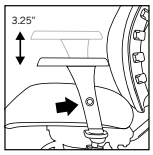




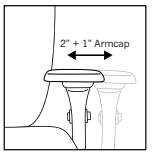
Arm Cap Adjustment - Pivot
To change the angle of the arm cap, press the button on the inside of the arm cap and twist the arm cap either left or right.

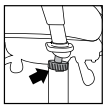
4 DIMENSIONAL ARM - 4D

(Adjustable 3.25" height, cap pivots inwards and slides side to side and front to back (width adjustment optional)



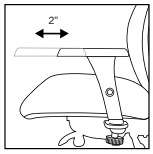
Arm Height Adjustment
To adjust the arm height, push the button in and move the arm to the desired height. Release the button to lock in place.



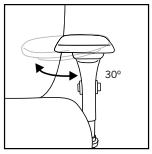


Width Adjustment (Optional)
To adjust the arm width, loosen the knob found under the seat, move the arm to the desired width and tighten the knob to lock in place.
AWK and AWL available on most models.

Note: Optional on some models



Arm Cap Adjustment - Front and Back
Arm caps can be moved in or out by sliding the cap in the desired direction.

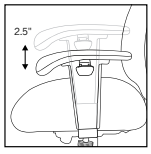


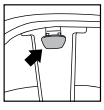
Arm Cap Adjustment - Side to Side
Arm caps can be moved in or out by sliding the cap in the desired direction.

Pivot Inwards
Arm caps can be moved in or out by sliding the cap in the desired direction.

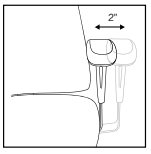
ADJUSTABLE T ARM - AT

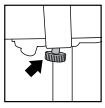
(Adjustable 2.5" height (width adjustment optional)





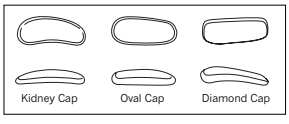
Arm Height Adjustment
To adjust the arm height, push the button up and move the arm to the desired height. Release the button to lock in place.





Arm Width Adjustment (Optional)
To adjust the arm width, loosen the knob found under the seat, move the arm to the desired width and tighten the knob to lock in place.
AWK is standard, AWL not available with this arm.

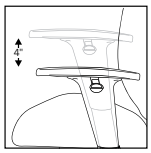
Note: Optional on some models

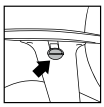


ARM ADJUSTMENTS

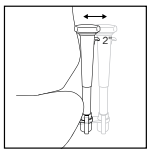
TASK 2 ARM - T2

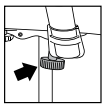
(Adjustable 4" height (width adjustment optional))





Arm Height Adjustment
To adjust the arm height, push the button up and move the arm to the desired height.
Release the button to lock in place.

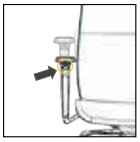




Arm Width Adjustment (Optional)
To adjust the arm width, loosen the knob found under the seat, move the arm to the desired width and tighten the knob to lock in place.
AWK and AWL available on most models.

L1 WITH ARM - WA

(Adjustable 4" height)



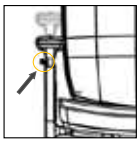
Arm Height Adjustment
To adjust the arm height, push the button in at the front of the arm and move the arm to the desired height.
Release the button to lock in place.

Arm Width Adjustment
To adjust the arm width, pull the lever open to unlock the arm, move the arm to the desired width and close the lever to lock in place.

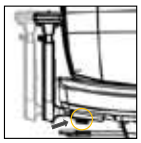
Arm Cap Adjustment - Front and Back
Arm caps can be moved forward or backwards by sliding the cap in the desired direction.

ENTAIL WITH ARM - WA

(Adjustable 4" height)



Arm Height Adjustment
To adjust the arm height, press the lever located under the arm cap to raise or lower the arm.
Release the lever to lock in place.



Arm Width Adjustment

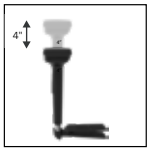
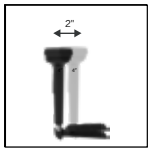
(Adjustable 4" height and rotates 360°, width adjustment included)



Arm Height Adjustment
To adjust the arm height, push the button in on the side and move the arm to the desired height.
Release the button to lock in place.



Arm Width Adjustment
To adjust the arm width, loosen the knob found under the seat, move the arm to the desired width and tighten the knob to lock in place.

Arm Cap Adjustment
To adjust the arm cap inward, slide the arm cap to the desired position.

Arm Cap Swivel Adjustment
Arm caps can be rotated 360 degrees.
Simply rotate to the desired position.

CUSTOMER'S OWN MATERIAL (COM)/LEATHER (COL)

For any COM fabric application, please request the official COM notification form QSF 182. One memo sample (6" x 6") of all COM/COL fabrics must be submitted for approval with the following information:

1. Customer Purchase Order
2. Chair Name/Model Code/Quantity
3. Fabric Supplier
4. Fabric Name/Number/Color
5. Ship To: address

Memo samples to be shipped to:

ALLSEATING CORPORATION
Attn: Customer Service Department
5800 Avebury Road, Unit #3
Mississauga, ON L5R 3M3
CANADA

Allseating is not responsible for the return of samples; nor the durability, color inaccuracies, dye lot variations, tailoring quality or other defects of any COM/COL.

Upon application approval of COM/COL, fabric must be sent to corporate headquarters with the following:

1. COM/COL Notification Form
2. Commercial Invoice
3. NAFTA Certificate – If shipment originates from the U.S.A.
4. Your company name & contact person
5. Your purchase order number

On your Purchase Order, the following information must be supplied to the factory regarding COM/COL fabric:

1. Manufacturer's name
2. Correct model number to which COM or COL is to be applied
3. A sample (6" x 6") of the COM or COL
4. Instructions for proper application
5. Manufacturer's pattern and color number
6. Correct side of fabric

When no instructions are received with your COM or COL, Allseating will use our own judgment with no recourse. Extended lead times may occur if COM or COL is not properly identified when received by Allseating. Allseating is not responsible for any unclaimed COM/COL 30 days beyond shipment of goods.

COM yardage shown in the Price Catalog is based on single chair requirements. For multiples, the yardage may be reduced, please call Customer Service for details. Regular COM orders will be charged at Group 2 pricing and regular COL orders will be charged at Group 4 pricing.

Allseating reserves the right to reject any COM Fabric or COL Material which, in our opinion, is unsuitable. COM fabric must be supplied in one piece. Where patterns or repeats are involved additional yardage may be required.

All COM/COL orders will not be scheduled for production until Customer Service receives confirmation from our warehouse or receiving department that the fabric has arrived. Shipping will be approximately 4 weeks from receipt of fabric.

All items are available with material furnished by the customer. Yardage requirements listed in our price list are based on 54" wide plain material. Generally, additional yardage is required if striped or patterned material is used, if pattern requires matching or if width of material is less than 54" wide. Please contact customer service to determine additional yardage requirements. Though every effort has been made to estimate additional yardage required, Allseating takes no responsibility where additional material must be ordered.

For patterns with a repeat distance of 0"- 9" please estimate an additional 10% in yardage. For a repeat distance of 10"- 20" please estimate an additional 20% in yardage. Any repeat higher than 20" please contact customer service to determine additional yardage requirements.

If you wish to provide your own leather, please estimate 17 square feet of leather per yard of material required, based on the yardage requirement listed for each piece. Allseating will not order special leather from any supplier other than their own.

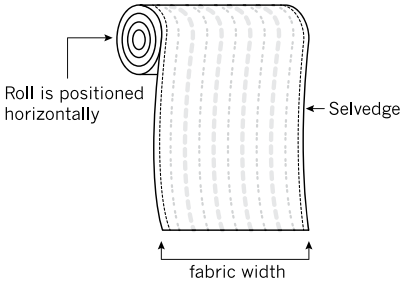
Allseating can take no responsibility for tailoring, wearability or application of COM/COL covers. Allseating is not held responsible for receipt of defective fabrics, as they are all applied as first quality goods. COM/COL is applied at customer's own risk and Allseating assumes no liability

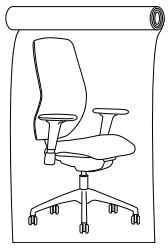
CUSTOMER'S OWN MATERIAL (COM)/LEATHER (COL)

ALL STANDARD SEATING FABRICS ARE APPLIED RIGHT WAY (OFF-THE-BOLT)

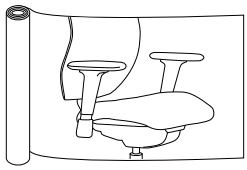
Usually, seating fabrics are patterned to run Right-Way (off-the-bolt). Allseating will upholster all seating products with the fabric pattern running off the bolt unless special instructions stating otherwise are received. (Upcharges may apply)

Right Way Application (Off The Bolt)
To avoid unnecessary confusion, always specify Right Way or Railroad.
Explanation of what Railroad and Right Way means.





RW = Right Way
(As woven) or Top Right or In and Out of Both or Up the Goods



RR = Railroad
or Selvage to Top

FABRIC UPGRADE CHART FOR FABRICS GRADED 9 – 12

Determine the amount of fabric required for the product by referencing the COM yardage requirements as published. Once yardage has been determined, add the indicated list amount in the chart below to the published Group 8 price and discount as required.

Yardage	Grade 9	Grade 10	Grade 11	Grade 12
0.5	$37	$73	$111	$147
0.75	$56	$110	$166	$220
1	$74	$146	$221	$293
1.25	$93	$183	$276	$366
1.5	$111	$219	$332	$440
1.75	$130	$256	$387	$513
2	$148	$292	$442	$586
2.25	$167	$329	$497	$659
2.5	$185	$365	$553	$733
2.75	$204	$402	$608	$806
3	$222	$438	$663	$879
3.25	$241	$475	$718	$952
3.5	$259	$511	$774	$1,026

HOW TO ORDER YOUR ALLSEATING CHAIR

Select your chair, follow the steps below and enter corresponding codes in the boxes along the bottom of the page:

BASE LIST PRICE (based on fabric grade)

MODEL CODE

OPTIONS

NOTE: For complete credit information, please refer to Allseating's 'Order Acceptance Policy' and 'Credit Terms' available in this catalog, under 'Conditions of Sale'.

If you have any questions about your order or the ordering process, please contact Allseating's Customer Service Department at 1 800 563 3502.

Specifications and Pricing valid at time of publishing. Please refer to SpecAll™ for most up-to-date information at www.allseating.com

MODEL CODE

To determine your Model Code refer to the Series, Back Style, Controls (or Leg), available and the upcharge (if applicable) for each option. Select the desired configuration and place the corresponding number in the boxes noted at the bottom of the page.

OPTION CODE

Refer to the Arms, Finishes, Option Code etc. for the availability and the upcharge for each option. Choose the options you require, and fill in the boxes with the appropriate code. If multiple options are desired, simply separate with a hyphen. If you do not fill in any option codes, you will be shipped the standard somponents.

FABRIC CODE

Refer to the Allseating fabric cards, and select your fabric. The pricing pages indicate list prices for Group 1 - Group 8 Fabrics, as well as Leather 1-3 (for Groups 9 - 12 please see page 19 for pricing). Enter your selected Fabric Code into the appropriate box. Allseating customers may provide their own fabric or leather, and if you wish to do so, please see page 18 for COM and COL information.

Check your completed codes for accuracy and YouToo with Synchro Tilt, M2 Mesh in Platinum, T2 Arms with AWK, Dual Surface Casters and Seat Slider with Atlantic Fabric (F-A66064), your completed model code should look like this:

84012-T2-BK-2PT-SS-AWK-LH-KD-F-OCDAN
Model Code: 84012
Option Code: T2 - BK - 2PT - AWK - SS - LH
Fabric Code: F-A66064

DETERMINE YOUR FINAL LIST PRICE

The group of the fabric you select determines the list price of your chair. Please refer to the price chart at the top of the pricing page to determine the list price. If options are selected, add the corresponding upcharge to the list price.

For example, using the same model as above with a Grade 3 fabric the base list price will be: **$1,070**

With the options note:
84012 (with Grade 3 fabric) $1,070
T2 $105 + 2PT $25 + SS $79 + AWK $29 + LH $28

FINAL LIST PRICE = $1,248

HOW TO ORDER YOUR ALLSEATING CHAIR

PLACE YOUR ORDER!

Email the following information to Allseating's Order Entry Department at orders@allseating.com (or fax 1 800 272 9911):

1 | Completed Model Code with corresponding Options and Fabric codes.

2 | Final pricing. Please ensure that you calculate all of your selected options into your final price, as well as any discounts.

3 | Completed Purchase Order on company stationery or company letterhead, and include:
- a purchaser's signature
- a ship to address
- contact name, phone number and e-mail address
- **if available, please include SIF, XML or 20/20 Worksheet with purchase order.**

Please ensure that the Purchase Order is made out to:
Allseating
5800 Avebury Road, Unit 3
Mississauga, Ontario Canada
L5R 3M3

You will receive an automated order confirmation within 72 hours of receiving your Purchase Order, providing all correct information is received. Thank you in advance!

FREIGHT SERVICES

Please be aware that Allseating's standard is to ship in KD (Knocked Down) format. However, in order for us to provide you with the best value and help you control your costs, Allseating offers 3 flat rate freight options: KD-Knocked Down, BW-Fully Assembled Blanket Wrapped and FA-Fully Assembled in a Carton (minimum order quantity of 25 units/seats applies). Where available, these options are detailed on each product page with a model code and price. For each of these freight options, Allseating will select carriers at their discretion. Allseating's standard shipping is "Best Way" which is typically "Dock to Dock". Recipients are required to arrange for people to receive and unload the contents of the trailer. Should an appointment be required with your receiving dock, this must be indicated on your purchase order and the freight company will reach out 24 hours in advance for a delivery appointment. Should you require any special freight services that are not included with our standard freight, the Allseating Sales Support Team will gladly assist you. However, for your convenience, we have provided an estimated price associated with the services commonly requested. Please ensure that you indicate one of the three (3) Freight Requirements offered in your model code: **AS** - Allseating Standard, **GD** - Guaranteed Delivery Date and Time (quote required) or **FQ** - Special Freight Service (quote required).

Please note the following freight service costs and ensure you indicate the quote reference # and charge provided by Sales Support on your Purchase Order:

ALLSEATING FREIGHT SERVICE*	NET PRICE	MODEL CODE
Guaranteed Delivery Date and Time	Call for quote	GD
Inside delivery	Call for quote	FQ
Residential Delivery	Call for quote	FQ
Shipments requiring to be palletized	Call for quote	FQ
Delivery before/after hours and/or weekends	Call for quote	FQ
Shipping points beyond standard zones (remote locations)	Call for quote	FQ
Overseas deliveries	Call for quote	FQ
Smaller truck required	Call for quote	FQ
Deliveries outside the 48 contiguous states and Canada (including NWT, YK, NU)	Call for quote	FQ
No Dock but accessible to 53 foot trailer	$150 per truck	FQ
Not accessible to 53 foot trailer / small truck	$300 per truck	FQ
Curbside delivery with 53 foot trailer	$150 per truck	FQ
After hours	$600 per truck	FQ
Power Tailgate	$300 per truck	FQ
Military Base where US driver required for delivery	$500 per truck	FQ
Driver Assist	$300 per truck	FQ

Waiting*	$125 /hour

*Please note that ALL services (including Allseating's Standard delivery) have a specific window for trucks to be unloaded (LTL=1 hour, FTL=2 hours). Any wait time outside of that window will incur charges at $125/hour.

QUICKSHIP

EXCHANGE® FEATURES + NOTES

FRAMES/LEGS

- Made of 14 gauge steel
- Frames are made of rails, rail connectors, bayonet corner connectors, and ganging brackets [listed below]
- All frames are finished in a black powder coat
- Legs always include a black nylon glide
- With linear configurations, back legs angle outwards for stability
- 90 degree angles are bolted via the rail connectors
- 4 leg options:
  - Standard circular - finished in one of our 8 standard powder coats
  - Rectangular - finished in one of our 8 standard powder coats
  - Wood - 3 different wood finishes - top portion is 14 gauge steel and is always painted in haze [contact Exchange team if require paint coat in any other color]
  - Wire - Chrome finish [contact Exchange team if require paint coat in any other color]
- All legs are 8" tall from the floor to the bottom of the seat

SEATS/BACKS

- Warranted up to 350lbs per seat
- Moulded plastic frame with moulded foam on both seats and backs
- Seats can be configured with a back or as backless, for any other options contact the Exchange team
- Seat and back are bolted together via the rail

ARMS/POWER

- Arms include:
  - Low Narrow - 6" wide x 24" high from floor x 28" deep
  - Low Wide - 12" wide x 24" high from floor x 28" deep
  - High Narrow - 6" wide x 30" high from floor x 28" deep
  - High Wide - 12" wide x 30" high from floor x 28" deep
  - Platform - 12" wide x 13" high from floor x 24" deep [Seat Depth - SD] or 28" deep [Full Depth - FD]
- Platform arms require SD or FD specification, SD will be used with no backs specified, FD will be used with backs specified unless otherwise noted
- Location of power in SD option will be in the middle of the platform, for the FD option it will be towards the back
- Power optional on all arms - 1AC|2XUSB
- 3 power color options - Cloud, Smoke, Onyx
- Power plate on platform arms will always match the frame color
- Arm laminate surface available with low wide arm or 12" platform arms - 13 color options
- No arm or linking ends can be paired with any other End/Arm options
- For standard configurations, all end options must be paired with the same on the opposite end or a no arm or linking end
- Through custom configurations, 12" end options can be paired with different 12" end options.
- Seamless laminate surface

SCREENS

- Upholstered or mesh options available on all standard screens
- Mesh options not available on tall screens
- Mesh screens are priced at a grade 3
- Select type [Partial, Full, Surround] and then finish/fabric
- Screens are always mounted to the backs or backs and sides of the arms
- Partial screen covers the length of the backs
- Full screen covers the length of the backs and the back of the arms
- Surround screen covers the length of the backs and back of the arms, plus the depth of the arms

CORNER TABLES/SWING TABLETS

- The corners of the L or U shaped configurations can be replaced with corner tables [DW]
- All corner tables and swing tablets require a laminate surface to be specified - 13 colour options
- Due to the laminate, DW arms do not have replaceable fabric covers
- Swing tablets are 8" wide and are placed on top and in between 2 seats
- Swing tablets should only be placed in the middle of 4 seats [either a 4 seater, L with a 4 seater side or a U] since this brings the seat width down to 20"
- Swing tablets include power with 1AC|2xUSB in cloud finish only
- Corner tables cannot have power
- Seamless laminate surface

LINKING TABLES

- Linking tables can be used where there are linking options selected on opposite ends of 2 configurations
- 24" or 120 degree options available
- 13 laminate color options
- Power is an option for any linking table
- Power plate will match the frame finish
- Can be specified as either
- Location of power in a Seat Depth [SD] linking table would be towards the middle of the laminate, of a Full Depth [FD] it would be towards the back of the laminate
- Seamless laminate surface
- If screens are specified on the linking tables, screens are required on both adjoining configurations
- Storage on the 24" linking table is available - power will be located towards the middle of the linking table
- Reference Application Guide for further details

GANGING BRACKETS/SHARED LEGS

- Ganging brackets come in kits.
- If the ganging brackets are ordered on their own, a leg is mandatory underneath where the ganging bracket is mounted
- In order to install a ganging bracket, one must have linking ends on opposite ends of the configurations you'd like to gang
- Ganging brackets are finished in a black powder coat, shared legs will match our standard leg option and the 16 powder coat colors are viable
- Back to back and back to back with screen combos to not contain or require ganging brackets
- Side to side shared legs require ganging brackets

FREE STANDING TABLES

- Options include:
  - 16" Cocktail Table
  - 24" Circular Table
  - 30" Circular Table
  - 36" Circular Table
  - 24" x 48" Coffee Table
  - Laptop Table
- 18" Tall
- Legs angle outwards
- 16 powder coat finishes for the legs, 13 laminate color options
- Laptop table fabric pull to match laminate selection
- Seamless laminate surface

UPHOLSTERY

- All graded-in and carded patterns
- If you are supplying COM/COL, send a sample addressed to your Sales Support Specialist for testing and approval before ordering

SHIPPING

- Exchange configurations to ship PA or BW - screens, legs, and corner sections to be installed in field
- Tables to ship KD - legs to be installed in field
- Linking tables to ship KD - to be attached to linking configuration in the field

OTHER

- This product meets the requirements set forth in AINSI/BIFMA HCF 8.1
- 12 year comprehensive part and labor warranty

Grade 1	Grade 2/ COM	Grade 3	Grade 4/COL	Grade 5	Grade 6	Grade 7	Grade 8	Leather 1	Leather 2	Leather 3
$555	$576	$590	$608	$623	$651	$683	$718	$795	$829	$932

FEATURES

- 4.25" cylinder
- Black or smoke nylon base
- Mesh back
- Molded seat foam with upholstered stitch detail
- For arm features and travel specifications, see page 16
- Carpet casters
- 24|7 Warranty on Synchro Tilt [40] mechanism, options included are T2 arms and Seat Slider. For more details see page 161
- Lumbar Support: Raise or flatten the curvature of the lumbar using Inertia's Lumbar Support. Inflate the lumbar to increase support or deflate to decrease support.

DIMENSIONS

- Overall [Synchro Tilt]: 35.5"- 39.75"H | 28.5"W | 28.5"D
- Overall [Deluxe Tilt J-Bar]: 37"-41.25"H | 28.5"W | 28.5"D
- Overall [Basic Synchro Tilt]: 36"-40.5"H | 28.5"W | 28.5"D
- Seat [Synchro Tilt]: 16.75"- 21"H | 20"W | 19.5"D
- Seat [Deluxe Tilt J-Bar]: 17"-21.25"H | 20"W | 19.5"D
- Seat [Basic Synchro Tilt]: 17"-21.5"H | 20"W | 19.5"D
- Back: 19"H | 19"W
- COM: 0.75 yd.

NOTES

- Ships knocked down.
- For BW and FA freight options, minimum quantities apply
- All other features are dependant on the control specified. Please refer to Control Choice on page ?? for full description of available features.
- Tension is adjustable on OHC and OHH casters to accommodate various surfaces
- This product meets the requirements set forth in ANSI/BIFMA X5.1-2011 and is warranted for users up to 350 lbs.
- Dimensions are dependant on options selected. Product can be configured to comply with BIFMA G1-2002 guidelines.
- Smoke Finish | L2, T2 and 4D arms are the only arms available in Smoke and will match base when selected.
- If requiring a 3" seat slider, please specify with code SE rather than SS
- ***Composite base and casters will be substituted if HS or LS is selected.
- For mesh model code see page 22.

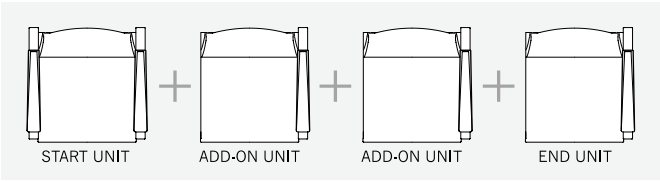
HOW TO LINK FOSTER® CHAIRS AND TABLES

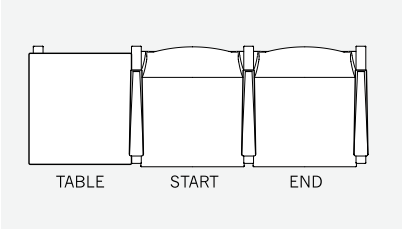


When configuring a table, the adjacent chairs must be a Start Unit, End Unit, or Stand Alone unit. Do not configure Add-ons beside any table (Linking Leg feature will be exposed). Specify Left to Right.

IMPORTANT NOTE: TO ENSURE PROPER CONFIGURATION PLEASE PROVIDE A LAY-OUT DRAWING WITH YOUR PURCHASE ORDER.

SAMPLE CONFIGURATION 1

Standard Tandem Guest; Poly Armcaps

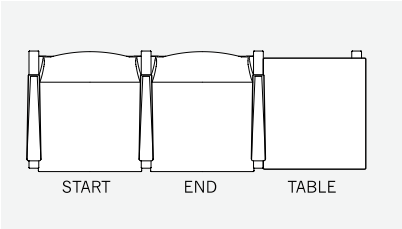


F4X04	Foster End Table Right	$695
F0017-OA	Foster Guest Tandem Start Unit	$1,060
F0019-OA	Foster Guest Tandem End Unit	$912
Total:		**$2,667**

(Please Note: List price shown are for Std Gr.1/COM; Uph. Back with Std. Finish).

SAMPLE CONFIGURATION 2

Standard Tandem Guest; Poly Armcaps

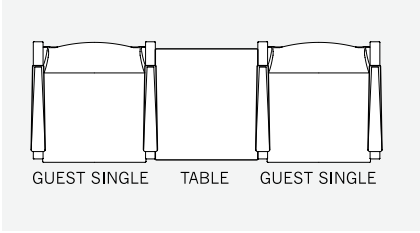


F0017-OA	Foster Guest Tandem Start Unit	$1,060
F0019-OA	Foster Guest Tandem End Unit	$912
F4X03	Foster End Table Left	$630
Total:		**$2,602**

(Please Note: List price shown are for Std Gr.1/COM; Uph. Back with Std. Finish).

SAMPLE CONFIGURATION 3

Standard Tandem Guest; Poly Armcaps

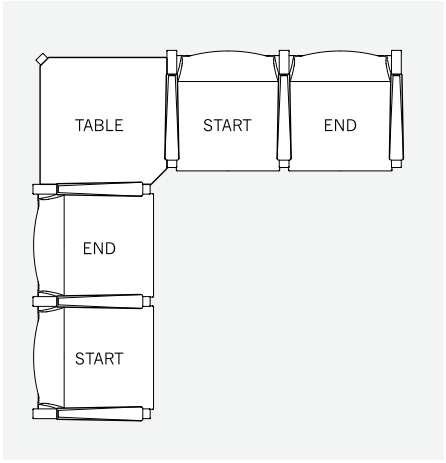


F0010-OA	Foster Guest Single	$1,060
F4X05	Foster In-Table Right	$620
F0010-OA	Foster Guest Single	$1,060
Total:		**$2,740**

(Please Note: List price shown are for Std Gr.1/COM; Uph. Back with Std. Finish).

SAMPLE CONFIGURATION 4

Standard Tandem Guest; Poly Armcaps



F0017-OA	Foster Guest Tandem Start Unit	$1,060
F0019-OA	Foster Guest Tandem End Unit	$912
F4X06	Foster Corner Table	$890
F0017-OA	Foster Guest Tandem Start Unit	$1,060
F0019-OA	Foster Guest Tandem End Unit	$912
Total:		**$4,834**

(Please Note: List price shown are for Std Gr.1/COM; Uph. Back with Std. Finish).

COOKCO0097

CONDITIONS OF SALE

PRICING

Allseating reserves the right to change published prices without notice. Prices in effect at the time of the order acceptance shall apply. All applicable taxes are extra.
All prices in this catalog are list. All sales are in US dollars unless both the Sold To and Ship To addresses are both located in Canada, in which case, sales are in Canadian dollars.

ORDER ACCEPTANCE

Orders will be accepted through all authorized Allseating Dealers upon issuance of a written purchase order on letterhead or purchase order of the customer being invoiced. Faxed orders or orders by email (orders@allseating.com) are acceptable, as well as digital orders such as SIF or XLM, no verbal orders will be accepted. All purchase orders must contain a valid signature.

ORDER CANCELLATION

Orders which have been acknowledged are considered firm. In the event a cancellation request is accepted by Allseating, restocking charges may be incurred up to 100% of the order depending on the stage of production.

CREDIT TERMS

Terms are net 30 days O.A.C. Terms are subject to change and review based upon performance. Customers are required to provide a completed signed Dealer Application for the purpose of updating or setting up an account.
All payments should be made to Allseating.

PACKAGING AND SHIPPING

As a standard, all products are shipped in knocked down condition, in a box.

ASSEMBLED CHAIRS

On special request and at an upcharge, chairs may be shipped assembled (except base and cylinder).
For assembled and fully assembled blanket wrapped products, contact customer service for details.
Please note that minimum quantity guidelines will apply.

SPECIFICATIONS

Allseating reserves the right to institute changes to materials, specifications and designs, or to discontinue models at any time. Images and line drawings featured in the catalog may not reflect the current product offering. Components are subject to change at Allseating's discretion.

FREIGHT POLICY

Allseating reserves the right to use its own or commercial carriers for the "best way" to ship, at its sole discretion. Normal delivery is dock to dock.

Special requests such as inside delivery, specific delivery dates and times, residential delivery, etc. are subject to additional charges. All additional charges will be the responsibility of the consignee.

Allseating reserves the right to charge for freight services over and above standard "best way" delivery. Delivered pricing is based on shipment to the 48 U.S. contiguous states and Canada excluding N.W.T., YK, and NU. For shipments to other destinations, we reserve the right to add a surcharge.

LOSS / DAMAGE LIABILITY

Every effort is undertaken to effect secure packaging; however, our liability ends when the carrier issues a clear receipt acknowledging that the shipment has been received in good condition. The carrier is then liable for loss or delay or damage. Signing for a shipment without noting damage or deficiencies absolves Allseating of further responsibility and a freight claim will have to be made by the customer.

NOTE: A packing slip signed by the carrier for pick-up at Allseating Warehouse constitutes "Clear Receipt" and absolves Allseating of further responsibility for damage or loss or delay.

Any claim submitted for freight damage must be done within 7 days of receiving the products. Any claims after that time may not be covered under our warranty. If the packaging arrives visibly damaged, then waybill should be signed as "subject to inspection" or "damage noticed".

RETURNS / RESTOCK

Returns are coordinated and authorized by the Return Authorization Coordinator (RAC). Merchandise may not be returned without prior consent and a Return Authorization (RA) Number. All returns must be securely packaged and boxes clearly marked with an assigned RA number on the outside. Carrier for return goods must be specified by Allseating. Goods returned without a RA Number or by an unauthorized carrier will not be accepted.

Unauthorized returned goods will be subject to a restock charge and/or a charge for any required reconditioning. Returns must be shipped prepaid, unless other arrangements have been made. Custom fabricated merchandise may not be returned. Credit on orders returned with an RA number will be issued once inspection has deemed product in good condition.

STORAGE POLICY

We will store product at our warehouse for 3 days at no charge. Any order requiring storage for a longer period will be charged at a rate of $1.00 per day per carton. Order postponements must be received 2 weeks prior to the scheduled production time.

ANSI/BIFMA TESTING

Allseating chair have been tested to meet or exceed the requirements of ANSI/BIFMA standards.

CONDITIONS OF SALE

APPLICABLE PROVISIONS TO ALL PRODUCTS AND SERVICES

Allseating products, including those designated for Multi-Shift, are warranted to be free from defects in materials and workmanship for a period of 12 years from original date of purchase, with the exception of Foster Sleep Chair, Foster Recliner and Foster Patient Recliner. This warranty applies to all chair models and extends to original purchasers who acquire new product directly from Allseating or our authorized dealers.

During the warranty period, Allseating, at its sole discretion, will repair or replace (at its option) any product, part or component covered by this warranty that fails under normal use due to defective materials or workmanship. Allseating will repair or replace the defective product, part or component with comparable product, part or component. To be eligible for this warranty coverage, all products, parts or components must be installed, used and maintained in accordance with Allseating's published instructions and must not have been subject to misuse or abuse.

EXCEPTIONS

Allseating does not warrant the following:

- Normal wear and tear
- Natural variations, scars, marks, wrinkles occurring in leather
- Colourfastness of textiles
- Colour matching of textiles exactly to samples or swatches or past purchases
- COM/COL or graded-in fabrics
- Products exposed to extreme environmental conditions or improper storage conditions
- Chairs used by individuals who weigh in excess of the warrantied weight restriction as indicated on each product page. Most task and guest seating is 350 lbs with the exception of Entail, M.O. and Levo, all of which are 325 lbs. Exchange, Foster and Halsa are 350 lbs per seat unless otherwise specified
- Allseating's products meet the requirements of national and specific local codes as stated in the price book and other written publications. Please visit the company's website at allseating.com for further details regarding product specifications.

This document inclusively describes Allseating's warranty and remedies available with respect to the company's products and services. Allseating disclaims any other warranty whether express or implied, statutory or otherwise, in relation to the company's products and services.

To the extent allowed by law, any implied warranties, including any warranty of merchantability or fitness for a particular purpose, are disclaimed and to the extent they are legally required, are limited in duration to the duration of this written warranty.

Allseating shall not be liable for loss of time, inconvenience, commercial loss, or incidental or consequential damages.

QUALIFICATIONS FOR DELIVERED PRICING

Please call your Allseating Sales Representative for your qualifications for delivered pricing.

WARRANTY RESOLUTION

We understand that dealing with warranties is often frustrating. So we developed a dedicated Warranty Response Team to eliminate headaches. They're specially trained to expedite warranty-related issues, so you can get back to business quickly and painlessly.

All warranty claims must be submitted via Allseating's Warranty Portal which can be found at allseating.com under Resources\Submit a Claim.

Should you have any difficulties you can contact our Warranty Response Team at warranty@allseating.com or toll free at 1(800) 563-3502.

DIMENSIONS

The price catalog and product literature, show dimensions rounded to the nearest half inch. All dimensions are approximate and may be subject to change without notice. Dimensions are dependent on options selected. Product can be configured to comply with BIFMA G1-2002 Ergonomics Guideline. Where exact measurements are required, contact Customer Service.

FIRE CODE

Allseating's entire line of office seating meets California Technical Bulletin 117 (CAL 117-2013). This is a standard by which upholstered furniture has been tested for approval to meet a minimum fire standard. Allseating's chairs can be upgraded to meet the California Technical Bullet (CAL TB133). Additional charges of $565 per chair series (per burn test) and lead times will apply for chairs with special configurations of COM fabrics, not already tested by Allseating.

CAL TB133

CAL TB133 is a standard of furniture flammability required by the California Bureau of Home Furnishings and Thermal Insulation for furniture used in public buildings such as Healthcare facilities, Hospitals, Hotels and Motels, Stadiums, Child Care Facilities, Convalescent Homes, Prisons and Jails.

The CAL TB133 test is a full scale fire test for furniture manufactured for the use in public buildings. The standard does not specify how to construct furniture, but only how it should perform when tested. To pass the fire standard test, a fire blocking liner is placed between the fabric and the foam of our chairs. This liner acts as a fire extinguisher by smothering the flame.

TO ORDER CAL TB133

Clearly specify CAL TB133 on your order.
Please check individual series upcharge.
There is a standard 4 week lead time for CAL TB133.

University of Oklahoma Contract Summary Document

COKC00197

Contract Name: **University of Oklahoma Institutional Furniture Contract**
Contract Number: **R-22000-22**
Contract Term: **July 1, 2022 – June 30, 2024**

Note: *Any contract modifications will be communicated via a HON Marketing Blast. Any questions should be directed to the HON Government Customer Support Team.*

CONTRACT TERMS

Eligible End-Users

- This contract may be used by any University of Oklahoma campus, Oklahoma state regents for higher education system, state education agencies, political subdivisions, authorized higher education institutions, K-12 public schools and vocational schools within the State of Oklahoma.
- For questions regarding End User eligibility please contact our HON Government Customer Support Team.

Product Information

Available Product Categories

- Systems & Pedestals
- Vertical & Lateral Files, Storage
- Tables
- Desking
- Casegoods
- Seating
- 5 Year Warranty
- Education

Note: *Please refer to the Discounting section for discounts and the current price list date in effect.*

Excluded Products

- Soothe High-Back Patient Chair, Convergence Value Task, Mod Desking, Foundation, and Sadie

Non-Contract Items

Non-contract items are allowed if they are clearly marked as “non-contract” on both the dealer quote and customer purchase order.

Specials

Specials are allowed on contract and with the following limitations:

- The special must be a modification to an already approved base model accepted on this contract. If a base model is not approved on this contract, then it is not eligible for this program and shall not be quoted or ordered.
- List pricing is determined on a case-by-case basis; all requests should be sent to the Tailored Solutions Team; information can be found at the following link:

https://honready.hon.com/DesignResources/TailoredSolutions/Pages/Tailored%20Solutions.aspx

COKC00197

- Approved specials will receive discounts consistent with the base model discounts already approved on contract.

Contract Terms & Conditions

Payment
Net 45 Days

Delivery

- All orders must be delivered and installed within 90 days.
- All End User orders are FOB Destination, company paid freight to one location within the Continental United States. Applicable drop ship limitations apply.
- Charges for delivery are not approved under this contract and will not be accepted on an order. Orders that incorporate a line-item charge that has "delivery" referenced will be returned to the dealer; the dealer will be required to correspond directly with the end user to remove these fees from the order.

Services

- Quotes to the End User must reflect a separate line item for each of these services.
- Services shall be quoted following the guidelines below:

FEE (Install; Design; Reconfig; Storage)	TYPE (Included in Discount; Hourly; Negotiated)	RATE
Installation	Included in Installed Discount	
Design	Hourly	Not to exceed $75/hour
Reconfiguration	Hourly	Not to exceed $100/hour
Project Management	Hourly	Not to exceed $75/hour
Storage		Not to Exceed $5/sq ft/month
Fuel surcharge		$20 flat rate

Bid Pricing
Is this contract eligible for bid pricing? Yes ☒ or No ☐

If yes, there is a $25K list minimum requirement for bid requests. These are subject to approval and must be submitted through the HON Ready Portal.

COKC0197

BID/PRICING AGREEMENT/CONTRACT FORM & NON-DISCRIMINATION STATEMENT

BIDDER MUST ELECTRONICALLY COMPLETE, SIGN AND NOTARIZE THIS DOCUMENT PRIOR TO SUBMITTING IN THE ELECTRONIC BID SYSTEM

Please be aware that typing in your password acts as your electronic signature, which is just as legal and binding as an original signature.

(See Electronic Signatures in Global and National Commerce Act for more information.)

THIS DOCUMENT MUST BE ELECTRONICALLY SIGNED AND SUBMITTED WITH THE BID OR THE BID WILL BE REJECTED

INSTRUCTIONS: This document MUST be electronically signed and submitted with the bid for the bid to be valid. Failure to electronically sign the this document prior to submitting the electronic bid will result in rejection of your bid. This document constitutes your bid and will be the Pricing Agreement/Contract document under which you are to perform, should your bid be accepted, so it must be properly and completely executed. It is, therefore, essential that you are aware of its terms, as well as those contained in the specifications.

Submit this electronically signed document, along with all accompanying documents:

THIS PRICING AGREEMENT/CONTRACT is made and entered into, by and between _____ hereinafter referred to as "Bidder" and The City of Oklahoma City, a municipal corporation, or a participating Public Trust of which The City of Oklahoma City is Beneficiary hereinafter referred to as the "Contracting Entity."

WITNESSETH:

WHEREAS, the governing body of the Contracting Entity has approved certain specifications and requested by notice that bids be submitted thereon; and

WHEREAS, this document until executed by the Mayor/Chairman of the Contracting Entity constitutes the Bidder's proposal; and

NOW, THEREFORE, that in consideration of the covenants, agreements and representations as hereinafter set forth, it is mutually agreed by the parties that:

1. The Bidder agrees to sell and deliver to the Contracting Entity, the items of material and/or services, specified in the pricing section of the electronic bid submittal, which is attached hereto and made a part of this Pricing Agreement/Contract. List the prompt payment discount, if any, for this agreement in the space provided below:

Discount for Prompt Payment _____ % _____ Days

2. The Bidder expressly warrants that all articles, material, and/or work covered in this Pricing Agreement/Contract will conform to the specifications and electronic bid documents attached to this bid and are hereby incorporated, as if set forth in full herein; and further warrants that the same shall be of good material and workmanship, and free from defects.

3. The Bidder understands that all bids are to be submitted in U.S. dollars at a firm price. Bids submitted in any currency other than U.S. dollars will be rejected.

4. The Bidder also understands that all invoices shall be submitted in U.S. dollars and agrees to accept payment in U.S. dollars as full satisfaction of the invoiced amount.

5. If any of the goods fail to meet the warranties contained in Paragraph 2, above, the Bidder, upon notice from the Contracting Entity, shall promptly correct or replace the same at the Bidder's expense. If the Bidder shall fail to so do, the Contracting Entity may cancel this order as to all such goods, and in addition, may cancel the then remaining balance of this order. After notice to the Bidder, all such goods will be held at the Bidder's risk. The Contracting Entity may, at the Bidder's direction, make available such goods to be returned to the Bidder at the Bidder's

COKC00197

risk, and all transportation charges, both to and from the original destination, shall be paid by the Bidder. Any payment for such goods shall be refunded by the Bidder unless the Bidder promptly corrects or replaces the same at the Bidder's expense.

6. The Contracting Entity agrees to pay to the Bidder the price and amount in accordance with Paragraph 1 above, based on the quantity actually purchased, upon delivery to and acceptance by the Contracting Entity, of the material and/or service[s] above described and upon the filing by the Bidder, and approval by the Contracting Entity, of a verified claim for the amount due.

7. The Bidder agrees, in connection with the performance of work under this Pricing Agreement/Contract:

a. That the Bidder will not discriminate against any employee or applicant for employment, because of race, creed, color, sex, age, national origin, ancestry or disability. The Bidder shall take affirmative action to ensure that employees are treated without regard to their race, creed, color, age, national origin, sex, ancestry or disability. Such actions shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment, advertising, lay-off, termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. The Bidder agrees to post, in a conspicuous place available to employees and applicants for employment, notices to be provided by the City Clerk/Secretary of the Contracting Entity setting forth the provisions of this section, and;

b. That the Bidder agrees to include this non-discrimination clause in any subcontracts connected with the performance of this Pricing Agreement/Contract.

8. In the event of the Bidder's non-compliance with the above non-discrimination clause, this Pricing Agreement/Contract may be canceled or terminated by the Contracting Entity. The Bidder may be declared by the Contracting Entity ineligible for further Pricing Agreement[s]/Contract[s] with the Contracting Entity until satisfactory proof of intent to comply is made by the Bidder.

9. The risk of loss or damage shall be borne by the Bidder at all times until the acceptance of goods, properly packed, by the Contracting Entity.

10. This Pricing Agreement/Contract, specifications, electronic bid submittal documents and any attachments constitutes the entire understanding and agreement of the parties upon the subject matter hereof. There is no agreement, oral or otherwise, which is not contained in or attached to this Pricing Agreement/Contract. This Pricing Agreement/Contract may not be modified or assigned unless approved in writing and signed by both parties.

11. The parties assume and understand that the variables in the Bidder's cost of performance may fluctuate; consequently, the parties agree that any fluctuations in the Bidder's costs will not alter the Bidder's obligations under this Pricing Agreement/Contract nor excuse performance or delay on the Bidder's part.

12. This Pricing Agreement/Contract shall be inoperative during such period of time that the aforesaid delivery or acceptance may be rendered impossible by reason of fire, Act of God or government regulation. Provided, however, to the extent that the Bidder has any commercially reasonable alternative method of performing this Pricing Agreement/Contract by purchase on the market or otherwise, the Bidder shall not be freed of any obligations hereunder by this clause, even though the goods intended for this Pricing Agreement/Contract were destroyed or their delivery delayed because of an event described above.

13. The shipping or receiving of any goods under this Pricing Agreement/Contract shall not be deemed, or be, a waiver of any right to damages for any prior failure to ship or receive any goods.

14. This Pricing Agreement/Contract shall be governed by the laws of the State of Oklahoma.

15. The Bidder shall be responsible for complying with all applicable federal, state and local laws.

16. If submitting a bid for services, the Bidder certifies that they, and any proposed subcontractors, are in compliance with 25 O.S. §1313 and participate in the status Verification System. The Status Verification System is defined in 25 O.S. §1312 and includes but is not limited to the free Employment Verification Program (E-Verify) through the Department of Homeland Security and available at www.dhs.gov/E-Verify.

COKC00197

The undersigned individual states that the Bidder will be bound by all components of its bid, the specification, the terms and conditions of the Pricing Agreement/Contract, and the requirements for Bidders.

WITNESS the hands of the parties hereto:

THIS FORM MUST BE ELECTRONICALLY SIGNED AND SUBMITTED WITH THE BID FOR THE BID TO BE VALID

Note: The owner or an officer of the business or corporation may sign this document. A Corporate Seal or a letter of authorization is needed for any other signer. For instance, if a Salesman or Manager signs this form, a letter of authorization or Corporate Seal is to be attached.

COKC00197

NON-COLLUSION AFFIDAVIT

BIDDER MUST ELECTRONICALLY COMPLETE, SIGN AND NOTARIZE THIS DOCUMENT PRIOR TO SUBMITTING BID

Please be aware that typing in your password acts as your electronic signature, which is just as legal and binding as an original signature.

(See Electronic Signatures in Global and National Commerce Act for more information.)

The undersigned, of lawful age, being duly sworn, upon oath, deposes and says: That the undersigned has the lawful authority to execute the within and foregoing proposal/bid for, and on behalf of, the Proposer/Bidder; that the Proposer/Bidder has not, directly or indirectly, entered into any agreement, express or implied, with any Proposer/Bidder, having for its object the controlling of the price or amount of such proposal/bid, the limiting of the proposals/bids or the Proposers/Bidders, the parceling or farming out to any Proposer/Bidder or other persons, of any part of the Agreement or any part of the subject matter of the proposal/bid, or of the profits thereof, and that Proposer/Bidder has not and will not divulge the sealed proposal/bid to any person whomsoever, except those having a partnership or other financial interest with the Proposer/Bidder in the said proposal/bid, until after the said sealed proposals/bids are opened.

The undersigned further states that the Proposer/Bidder has not been a party to any collusion: among Proposer/Bidders in restraint of freedom of competition, by any agreement to bid at a fixed price or to refrain from proposing; or with any City/Trust official, City/Trust employee or City/Trust agent as to the quantity, quality, or price in the prospective Agreement, or any other terms of the said prospective Agreement; or in any discussions between the Proposers/Bidders or City/Trust official, City/Trust employee or City/Trust agent concerning the exchange of money or other thing of value for special consideration in the letting of Agreement. The Proposer/Bidder states that it has not paid, given or donated or agreed to pay, give or donate to any City/Trust official, officer or employee of the City or awarding agency, any money or other thing of value, either directly or indirectly, in the procuring of the award of Agreement pursuant to this Proposal/Bid.

Witness the hands of the parties hereto:

The undersigned states that the Proposer/Bidder will be bound by its proposal/bid, the specification, the terms and conditions of the Agreement, and the Requirements for Proposer/Bidders.

NOTICE TO BIDDERS

Notice is hereby given that The City of Oklahoma City (the Contracting Entity) will receive electronic bids at the **OFFICE OF THE CITY CLERK, 200 North Walker Avenue, Oklahoma City, Oklahoma 73102** until 10:00:00 a.m., on the 13th day of March 2024, for the following:

BID25301 – Furniture for City Facilities

The Contracting Entity has partnered with Periscope (formerly BidSync) to accept bids electronically. You are invited to submit a bid electronically through the Periscope system to supply the goods and/or services specified in the electronic bid packet. The Contracting Entity does not provide access to a computer for electronic bidding or electronic bid submission. Bidders must register in advance with Periscope at https://prod.bidsync.com/the-city-of-oklahoma-city in order to submit an electronic bid. The Contracting Entity recommends potential Bidders register and become familiar with the Periscope electronic bidding process in advance of submitting a bid. There is no charge to the Bidder for registering or submitting an electronic bid to the Contracting Entity through Periscope. Instructions on how to get registered to bid through Periscope can be found on The City of Oklahoma City's website at https://www.okc.gov/departments/bidding.

Bids shall be made in accordance with this Notice to Bidder, General Instructions and Requirements for Bidders, Oklahoma Open Records Act and Confidential Information, the Specifications, the Agreement & Non-Discrimination Statement, the Non-Collusion Affidavit, and any other documents which are included in the complete electronic bid packet. The Agreement must be completed, signed, and submitted electronically through Periscope for the bid to be valid.

Bids timely submitted electronically through Periscope shall be opened at the time stated above or later in the City Clerk's Conference Room, located on the 2nd floor of the Municipal Building. The Periscope system does not allow bids to be submitted after the above stated date and time. There will be no exceptions to this policy. All bids shall remain on file at least 48 hours before an Agreement shall be made and entered.

GENERAL INSTRUCTIONS AND REQUIREMENTS FOR BIDDERS

COKC0197

THESE INSTRUCTIONS, REQUIREMENTS AND ANY SPECIAL INSTRUCTIONS CONTAINED IN THE SPECIFICATIONS ARE A PART OF THE TERMS AND CONDITIONS OF THE BIDDER'S IRREVOCABLE BID AS A FIRM OFFER. ANY EXCEPTIONS TO THESE INSTRUCTIONS, REQUIREMENTS OR SPECIFICATIONS MUST BE SPECIFIED AND SUBMITTED WITH THE BIDDER'S BID. THIS CAN BE ACCOMPLISHED BY SUBMITTING AN ALTERNATE OFFER, IF AVAILABLE ON THE BID, OR BY ENTERING INFORMATION INTO THE "NOTE TO BUYER" FIELD. A BIDDER MAY ALSO SUBMIT EXCEPTIONS BY UPLOADING A SEPARATE DOCUMENT LABELED "EXCEPTIONS" INTO THE PERISCOPE SYSTEM. FAILURE TO INDICATE ANY EXCEPTIONS WILL BE REGARDED AS FULL ACCEPTANCE OF THE REQUIREMENTS, INSTRUCTIONS, AND SPECIFICATIONS CONTAINED IN THIS BID PACKET AND ANY OTHER BID DOCUMENTS RELATED TO THIS BID.

1. **EXAMINATION BY BIDDERS:** All Bidders must examine the specifications, drawings, schedules, special instructions and these general instructions and requirements prior to electronically submitting any Bid/Pricing Agreement/Contract. Failure to examine is at the Bidder's own risk as Bidder will be held to the terms, conditions and requirements therein.
2. **SUBMISSION OF FORMS REQUIRED FOR PRICING AGREEMENT/CONTRACT AWARD:** All bids must be completed electronically, on the forms provided by the Contracting Entity through the electronic bidding system. Bids will not be considered unless the Bid/Pricing Agreement/Contract form is completed, signed and submitted by the Bidder in the electronic bidding system. A Letter of Authorization should also be attached and submitted when the Bidder is not authorized by statute and the Bidder's organizational and establishing documents to sign and bind the Bidder to the Bid/Pricing Agreement/Contract documents. The Non-Collusion Affidavit must be executed by the Bidder or an authorized agent and notarized. The notarization must contain:
   (a) The notary's signature (electronic signature);
   (b) Jurisdiction where notarization took place (i.e., State of__, County of__);
   (c) Date of notarization;
   (d) The notary's commission expiration date;
   (e) The notary's commission number (Oklahoma);
   (f) The notarial seal (the notary seal is not required for electronic notarization); and
   (g) Comply with all other applicable laws. The Non-Collusion Affidavit must be submitted electronically with the electronic bid packet.
3. **SUBMISSION OF BIDS ELECTRONICALLY TO THE CITY CLERK/SECRETARY:** Bids must be submitted electronically through Periscope and shall be opened at the time stated in the Notice to Bidders, or later, in the City Clerk's Conference Room, located on the 2nd floor of the Municipal Building. The Periscope system does not allow bids to be submitted after the deadline. There will be no exceptions to this policy. All bids shall remain on file at least 48 hours thereafter before a Pricing Agreement/Contract shall be made and entered into thereon.
4. **DESCRIPTIVE TERMS:** Unless the term "no substitute" is used, the use of brand name, manufacturer, make, or catalog designation in describing an item does not restrict Bidders to that particular brand name, etc. The term is simply to indicate the type, character, quality and/or performance equivalence of the item desired. However, the proposed substitution item must be of such character, quality and/or performance equivalence as that indicated in the specifications. A proposed substitute item must include complete data as to the manufacturer's name, type, model number, any descriptive bulletins and specifications. This data can be uploaded electronically through the electronic bidding system.
5. **EXCEPTIONS:** Any exceptions or variances to these instructions or specifications must be submitted with the Bidder's bid. This can be accomplished by submitting an alternate offer, if available on the bid, or by entering information in the "Note to Buyer" field. A Bidder may also submit exceptions by uploading a separate document labeled "Exceptions" into the Periscope system. Failure to indicate any exceptions will be construed to mean that the Bidder offers to furnish the exact commodity as described in the bid specifications and as full acceptance of the requirements, instructions, and specifications contained in this bid packet and any other bid documents related to this bid.
6. **UNIT PRICES:** A unit price for each unit bid must be shown and include any applicable taxes, delivery, and packaging and/or packing, if any, unless otherwise specified. If there is an estimated quantity stated as such in the specifications, the estimate is not a guarantee of the quantity which may be purchased. When the quantity in the Periscope system is listed as "1", Bidder shall bid the per individual unit price. The Contracting Entity may purchase one or more bid item at any given time throughout the term of the Pricing Agreement/Contract. The Periscope system will calculate the total based on the quantity requested by the Contracting Entity and the price entered by the Bidder. The Periscope system will calculate the bid price based on the quantity and price. Items bid as an estimated quantity will be awarded on a "no guarantee" basis. Prices shall be extended in decimals, not fractions, and shall include transportation and delivery charges, prepaid by the Bidder to the destination specified in the special instructions of the specifications.
7. **EXEMPTIONS FROM CERTAIN TAXES:** The purchase of certain goods or services by the Contracting Entity is exempt from the payment of excise, transportation, use, and sales tax imposed by the federal, state and/or city governments. Such taxes must not be included in the bid prices. Any taxes that are not exempt must be included in the bid price. No additional payment or compensation will be made for taxes.

COKC00197

8. **PAYMENTS AND DISCOUNTS:**
   (a) Payment for goods and services as specified in the Pricing Agreement/Contract shall be processed promptly after completion of delivery and acceptance of items and after receipt from Bidder of properly prepared invoice(s) and/or notarized claim voucher(s), if applicable. Purchases may be made by certain City or Trust employees using a purchasing card. Employees of Contracting Entity are required, when possible, to use a purchasing card for purchases under the amount of $5,000 for a single transaction. For single transactions over $5,000, the Bidder may request payment be completed by issuance of a purchase order. Processing fees may not be added when a purchasing card is used. The bid price shall cover any fees a bidder may incur.
   (b) Discounts for prompt payment will not be considered in bid evaluations, unless otherwise specified. Discounts offered by the Bidder will be taken, however, if payment is made within the discount period.
   (c) Late charges cannot be assessed against Contracting Entity.
9. **LATE INVOICES:** If the purchase order indicates that the purchase is being made with City funds, all unpaid invoices pertaining to this Pricing Agreement/Contract must be recorded in the Finance Department, Accounts Payable Section, or in the Office of the City Clerk on or before September 30 for all debts incurred during the prior fiscal year (July 1 through June 30), or said invoice shall be void and forever barred. (*See* 62 Okla. Stat. 2010 § 310.4).
10. **DELIVERY:**
   (a) All bid prices quoted shall be based on delivery F.O.B. Oklahoma City, Oklahoma or to any points located within the municipal corporate limits (unless otherwise stated in the bid specifications) with all charges prepaid to the actual point of delivery.
   (b) Bids must show the number of days required for delivery under normal conditions. Unrealistically short or long delivery promises may cause bids to be rejected. A successful Bidder is required to keep the purchasing department advised at all times of the status of the order and delivery. All goods or services shall be delivered within thirty (30) days from the date of the award of the Pricing Agreement/Contract, unless specified otherwise.
11. **AWARD OF PRICING AGREEMENT/CONTRACTS:** The Contracting Entity reserves the rights to: award by item, groups of items or all items of the bid; to reject any or all bids in whole or in part; and, waive technical defects, irregularities and/or omissions.
12. **PERFORMANCE BONDS:** If required by the specifications, the successful Bidder must post the performance bond, a certified or cashier's check in the amount required prior to award of Pricing Agreement/Contract.
13. **PATENTS:** The Bidder agrees to indemnify and save harmless the Contracting Entity, including any of Contracting Entity's employees, the purchasing agent and assistants from all suits and actions of every nature and description brought against the Bidder and/or any assistants because of, or for the use of, patented or licensed appliances, products, or processes. The Bidder shall pay all royalties and charges which are legal, and equitable evidence of such payment or satisfaction shall be submitted upon request of the Contracting Entity, as a necessary requirement in connection with the final execution of any Agreement/Contract in which patented or licensed appliances, products, or processes are to be used.
14. **TERMINATION:**
   (a) The performance of services and/or the delivery of items under any Pricing Agreement/Contract may be terminated by the Contracting Entity, in whole or in part, whenever it is determined to be in the best interest of the Contracting Entity.
   (b) Any such termination will be effected by delivery to the Bidder of a termination notice specifying the extent to which performance or services and/or delivery of ordered commodities is terminated, and the date the termination becomes effective.
   (c) After receipt of a termination notice, the Bidder shall stop performance of services and/or accept no further orders under the Pricing Agreement/Contract.
15. **COMPLIANCE WITH APPLICABLE LAWS:** All Proposers must comply with all applicable federal, state or local laws and regulations, including Title VI and all provisions of the Civil Rights Act of 1964 42, U.S.C. §§ 2000d, -et seq.
16. **SELF-INSURED:** The Contracting Entity is self-insured for its own negligence. The liability of the Contracting Entity for acts of negligence are limited and subject to the Governmental Tort Claims Act, 51 O.S. §§ 151, *et seq*.
17. **RIGHT TO AUDIT:** The Contracting Entity shall at all times have the right to examine books, papers and records of the successful Bidder relative to all aspects of the Pricing Agreements/Contracts awarded as a result of this bid to confirm Pricing Agreement/Contract compliance. Failure to provide the requested information may result in termination of the Pricing Agreement/Contract. This right to audit only affects Pricing Agreement/Contract compliance as a result of this bid, and does not apply to Bidder records beyond the scope of the Pricing Agreement/Contract.
18. **REFERENCES:** The Contracting Entity has the right to request references from bidders.
19. **BID EVALUATION:** Bids will be evaluated based upon the lowest overall cost to the Contracting Entity and a bidder's responsiveness to the requirements of the specifications. The Contracting Entity retains the right to waive minor deficiencies of specifications, technicalities or informalities in a bid, provided that the best interest of the Contracting Entity would be served without prejudice to the rights of other bidders.

COKC00197

OKLAHOMA OPEN RECORDS ACT AND CONFIDENTIAL INFORMATION

All materials submitted to the Contracting Entity pursuant to this Bid or Proposal potentially become subject to the mandates of the Oklahoma Open Records Act, 51 O.S. § 24A.1. *et seq*. The purpose of this Act is to ensure and facilitate the public's right of access to and review of government records so they may efficiently and intelligently exercise their inherent political power. Almost all "records," as that term is defined in the Act, may be disclosed to the public upon request. Except where specific state or federal statutes create a specific and express exemption or confidential privilege, persons who submit information to public bodies have no right to keep this information from public access nor have a reasonable expectation that this information will be kept from public access.

If you believe that any of the information you have submitted to the Contracting Entity pursuant to this Bid or Proposal is exempt or confidential under a specific state or federal statute, and therefore not subject to public access under the Oklahoma Open Records Act, you must comply with the following:

1. Place said documents/records in a separate electronic file attachment marked "Confidential". DO NOT label your entire Bid or Proposal as "Confidential" – label only those portions of the Bid or Proposal that you feel are exempt or are made confidential by state or federal law as "Confidential".
2. For each such document for which you are claiming an exemption or a confidential privilege, identify the federal and/or state law that creates said privilege, e.g., for trade secrets, see 21 O.S. § 1732 (Larceny of Trade Secrets) and the Uniform Trade Secrets Act, 78 O.S. § 85 *et seq*.

Should an Open Records request be presented to the Contracting Entity requesting information you have identified as "Confidential," you will be responsible for defending your position in the District Court, if needed.

If you fail to identify any records submitted as part of your Bid or Proposal as "Confidential", you are agreeing that said records are not exempt or confidential and are subject to public access.

Upon receipt of a request by a third party to review or copy records properly identified as "Confidential," you will be notified of the request and thereby given an opportunity to immediately enforce and protect your rights by initiating an action in a court of competent jurisdiction. Should you fail to timely bring an action to enforce your rights, then the requested records will be released by the Contracting Entity based upon its determination of the application of the Oklahoma Open Records Act.

BID SPECIFICATIONS

FURNITURE FOR CITY FACILITIES

COKC00197

BID SPECIFICATIONS
FURNITURE FOR CITY FACILITIES
Instructions to Bidders

INTENT: To enter into pricing agreement(s) for the purchase of furniture for City facilities. This furniture will include, but not be limited to, office, banquet, facility, case goods, shelving and filing systems of good and durable quality for City of Oklahoma City departments and Trusts.

It is anticipated the pricing agreement(s) will be effective on May 29, 2024. The current agreements expire on May 28, 2024.

SCOPE OF PRICING AGREEMENT/CONTRACT: The Bidder shall furnish and supply the below listed item(s) in accordance with the terms, conditions and provisions set forth herein.

The Contracting Entity reserves the right to award this Pricing Agreement/Contract to a single Bidder or to multiple Bidders, whichever is deemed to be in best interest of the Contracting Entity. You may bid on some or all items. If you choose not to bid on one of the items respond by typing, "No Bid" in the “Note to Buyer” field of the Line Item in the Periscope system.

SUBSTITUTE OFFERS: If the bid specifications provide that the Contracting Entity is accepting substitute offers for a good or service, this option will be available for bidders in Periscope when completing the electronic bid packet. The Contracting Entity is under no obligation to accept a substitute offer.

CONTRACTING ENTITY: The term "Contracting Entity" as used throughout this Pricing Agreement/Contract shall mean The City of Oklahoma City and any participating Public Trust which chooses to avail itself of the goods or services from the resultant Pricing Agreement/Contract. Should a participating Public Trust, of which The City of Oklahoma City is Beneficiary, choose to avail itself of goods or services from the resultant Pricing Agreement(s)/Contract(s), the Bidder(s) will honor the terms and conditions, including price, of the Pricing Agreement(s)/Contract(s).

BIDDER: Upon award of this Pricing Agreement/Contract, the term “Bidder” shall mean the contracting party supplying the goods and/or services.

PRICING AGREEMENT/CONTRACT PERIOD: The Pricing Agreement/Contract shall be for one year with the option to renew for two additional one-year periods. The Pricing Agreement/Contract shall be in effect commencing on the date of award as approved by the Contracting Entity.

PRICING AGREEMENT/CONTRACT RENEWAL OPTION:

1. This Pricing Agreement/Contract is renewable for two additional one-year periods at the option of the Contracting Entity. Should the Contracting Entity desire to renew the pricing agreement/contract, a written preliminary notice will be furnished to the Bidder prior to the expiration date of the Pricing Agreement/Contract. (Such preliminary notice will not be deemed to commit the Contracting Entity to renew.)

COKC00197

2. Upon receipt of the Contracting Entity's preliminary notice, the Bidder shall, if desired, submit a written agreement to continue Pricing Agreement/Contract performance for an additional one-year period.

3. Should the Contracting Entity exercise this option for renewal, the Pricing Agreement/Contract as renewed shall be deemed to include this option provision except that the total duration of this Pricing Agreement/Contract, including any renewals, shall not exceed three years without approval of the Contracting Entity.

4. In all cases Pricing Agreement/Contract renewals must be approved by the Contracting Entity.

DELIVERY: Bidders shall specify their proposed delivery times for the requested goods and services in the Line-Item pricing area in the electronic bidding system. If a deadline is specified and no alternative is proposed, the Bidder will have agreed to meet the stated deadline.

INSPECTION AND ACCEPTANCE AT DESTINATION:

1. Final inspection and acceptance shall be at destination. Acceptance will occur after the goods or results of the services have been inspected and when determined by designated competent staff to have met the bid specifications. Delivery does not constitute acceptance.

2. Although source inspection by the Contracting Entity is not anticipated under this Pricing Agreement/Contract, the provisions of this article shall in no way be construed to limit the rights of the Contracting Entity to otherwise conduct source inspections when it deems to be appropriate.

F.O.B. DESTINATION:

1. The Bidder shall deliver each item F.O.B. Destination, Oklahoma City, Oklahoma, and to any and all points designated in the bid specifications.

2. Inside delivery is required unless specifically and expressly stated in the bid specifications.

COMMERCIAL PACKAGING: Preservation, packaging, packing, and marking will be in accordance with Bidder’s best commercial practice to provide adequate protection against shipping damage. Bidder is required to replace any goods damaged in shipping or delivery.

ESTIMATED ANNUAL REQUIREMENTS (NO GUARANTEE):

1. The quantity of any item, good, or service when shown in the price schedule as an estimate of an annual requirement is merely an estimate based on currently available information. The purchase of any such item or quantity of good or service is not guaranteed. Any offer conditioned upon a promise by the Contracting Entity to purchase a minimum or definite quantity of such an item will be rejected.

2. The Bidder agrees to furnish all quantities ordered by the Contracting Entity during the Pricing Agreement/Contract period.

COKC00197

3. The Contracting Entity agrees to place orders with the Bidder for all its requirements for those items shown in the price schedule, as awarded, except as follows:
    a. Quantities of items needed under conditions of emergency or public exigency as approved by the Purchasing Agent.
    b. Quantities of items obtainable from State contracts, as approved by the Purchasing Agent.
    c. Quantities of items where federal funds are involved, and other action is warranted for federal regulatory compliance purposes.
    d. Quantities of items awarded under specific and separate pricing agreements/contracts.
    e. Quantities of items which otherwise are determined to be outside the general scope and intent of this Pricing Agreement/Contract.

4. If requirements for any awarded items do not materialize for the quantity estimated in the applicable price schedule, such failure shall not constitute grounds for equitable adjustment or additional compensation.

5. There is no obligation to purchase any items from this Pricing Agreement/Contract, and purchases made in future fiscal years or other contract periods are subject to future appropriations and availability of funds.

6. The Contracting Entity may request Bidder provide quantity discounts when making larger purchases. Quantity discounts will be requested from all Bidders when multiple Pricing Agreements/Contracts are awarded.

ORDER OF PRECEDENCE: In the event of an inconsistency between provisions of this Pricing Agreement/Contract, the inconsistency shall be resolved by giving precedence in the following order: (i) Pricing Agreement/Contract articles, (ii) Bid Specifications, (iii) Notice to Bidders, (iv) General Instructions and Requirements for Bidders, (v) other requirements provided by the Contracting Entity in the bid packet, then (vi) attachments, notes, and exceptions by Bidder.

PAYMENT METHODS: The ordering departments will utilize purchase order numbers or purchasing cards for ordering the goods and services they require as the need arises during the Pricing Agreement/Contract period.

The Contracting Entity shall not be held liable for any damages sustained by any Bidder for delivery of goods or services awarded by Pricing Agreement/Contract unless accompanied by an authorized purchase order or purchasing card reference name and number. Delivery of goods or services to any department of Contracting Entity without a purchase order document, purchase order number or purchasing card reference name and number given at the time the order is placed shall constitute an unauthorized purchase.

PAYMENT/INVOICE:

1. Payments will be processed promptly after completion of delivery of ordered items and after receipt of properly prepared invoices.

COKC00197

2. FOR ORDERS PLACED BY PURCHASE ORDER: The original invoice must be mailed directly to The City of Oklahoma City, Accounts Payable, 100 N. Walker Avenue, Suite 200, Oklahoma City, Oklahoma 73102, or invoices may be e-mailed to accountspayable@okc.gov. If invoices are e-mailed, a paper copy should not be mailed. This information is printed on the front of each purchase order. Copies of invoices may be sent to other addresses upon request. However, if the original invoice is sent to any other address, payment will be delayed, or may not be processed at all. Should another trust or government entity be using this contract they may request a different invoice address.

   FOR ORDERS PLACED BY PURCHASING CARD: Do not send invoices, statements etc. to Accounts Payable for purchasing card orders. Please send all purchasing card documents directly to the cardholder. Cardholders are required to submit itemized transaction details such as invoice/delivery tickets with their monthly purchasing card statement. This is a vital part of the monthly reconciliation process. Your cooperation is appreciated. Contracting Entity employees are required, when possible, to use a purchasing card for purchases under the amount of $5,000 for a single transaction. For single transactions over $5,000, the bidder may request payment be completed by issuance of a purchase order. Processing fees may not be added when a purchasing card is used. The bid price is expected to cover any fees a bidder may incur.

3. Invoices must contain the following information:
   a. Bidder's name and address
   b. Ship to address (department name)
   c. Purchase order number - **MUST BE INDICATED ON THE INVOICE**
   d. Itemization of each item purchased to include:
      i. description/stock number
      ii. unit price
      iii. quantity
      iv. unit of issue (each, box, dozen, pound, etc.)
      v. total price
   e. Total amount of invoice
   f. Date of delivery

4. Invoices should not reflect any outstanding backorders.

WARRANTY:

1. The Bidder warrants that at the time of delivery, all items furnished under this Pricing Agreement/Contract will be free from defects in material or workmanship and will conform to the specifications and all other requirements of this Pricing Agreement/Contract. All Bidders will furnish with their bid one copy of their warranty applicable to the supplies or equipment to be furnished.

2. As to any item which does not conform to this warranty, the Bidder agrees that the Contracting Entity shall have the right to:
   a. Reject and return each nonconforming item to the Bidder for correction or replacement at the Bidder's expense
   b. Require an equitable adjustment in the Pricing Agreement/Contract price.

COKC00197

3. This warranty shall be in addition to any other rights of the Contracting Entity.

4. All equipment warranties shall start on the date of installation and will be for the full term of said warranty.

GENERAL PROVISIONS: The following documents are attached or by this reference incorporated as a part of this Pricing Agreement/Contract:

a. Bid/Pricing Agreement/Contract Form & Non-Discrimination Statement
b. Non-Collusion Affidavit
c. General Instructions and Requirements for Bidders
d. Specifications
e. Oklahoma Open Records Act and Confidential Information

SAFETY DATA SHEETS: Any Bidder supplying goods or materials to the Contracting Entity that require a Safety Data Sheet (SDS) will furnish the required sheet or a composite concentration list in one of the following manners:

a. Submitted as part of the proposal document
b. Submitted prior to Agreement/Contract award
c. Submitted with the product invoice
d. Submitted at the request of the Contracting Entity

In all instances, the Bidder shall furnish the safety data sheets with the products at delivery, and shall comply with all local, state and federal laws providing for identification of materials transported to the Contracting Entity. The appropriate proposal number, Agreement/Contract number, delivery ticket number, or invoice number shall be clearly marked on the safety data sheet or the composite concentration lists. Information regarding Safety Data Sheets can be found on-line at https://www.osha.gov/Publications/OSHA3514.html. Any question regarding this requirement should be directed to the following address:

Oklahoma City Risk Management Division
420 W. Main Street, Suite 630
Oklahoma City, Oklahoma 73102
(405) 297-3891

COKC00197

BID SPECIFICATIONS
Other Provisions

ADDENDA: It is the Bidder's responsibility to log into the electronic bidding system to monitor any addenda that may be issued during the process. A Bidder's bid will not be accepted if all addenda have not been acknowledged by the Bidder through the electronic bidding system. If you are set up for electronic notifications through the electronic bidding system, you should receive a notification by e-mail when addenda are issued.

BRAND NAMES/EXAMPLES: Any brand names are used for **comparative purposes only**. Slight variations from the measurements and sizes given that do not compromise the requirements of the bid specifications will be considered.

INDEMNITY REQUIREMENTS: The Bidder assumes all risks incident to or in connection with its purpose to be conducted herein under and shall indemnify, defend and save Contracting Entity harmless from damage or injuries of whatever nature or kind to persons or property arising directly or indirectly out of the Bidder's operations and transportation of the Contracting Entity's equipment to and from repair site regardless of fault and arising from acts or omissions of its employees regardless of fault and shall indemnify, defend, and save harmless Contracting Entity from any penalties for violation of any law, ordinance or regulation affecting or having application to said operation.

INSURANCE REQUIREMENTS: The following insurance requirements are applicable and must be obtained prior to contract award if the bid submitted includes on-site installation, on-site maintenance services or other repair services to be performed on the Contracting Entity's property, or if insurance coverage is otherwise requested by the Contracting Entity.

WORKERS' COMPENSATION AND EMPLOYER'S LIABILITY INSURANCE: The Bidder shall carry Worker's Compensation Insurance in amounts as prescribed by the laws of the State of Oklahoma.

GENERAL LIABILITY INSURANCE: The Bidder shall carry a general liability insurance policy to protect the Bidder and any the Contracting Entity as Additional Insured from claims for property damage and bodily injury including death, or other loss which may arise directly or indirectly from the activities, omissions, and operations of the Bidder under the Agreement, whether such activities, omissions, and operations be by the Bidder, its subcontractor, or by anyone employed by or acting for the benefit of the Bidder in conjunction with this Agreement. The general liability policy shall have, at a minimum, the following coverage amounts:

Property Damage Liability - Limits shall be carried in the amount of not less than twenty five thousand dollars ($25,000) to any one person for any single claim for damage to or destruction of property arising out of a single act, accident, or occurrence.

COKC00197

All Other Liability - In the amount not less than one hundred seventy-five thousand dollars ($175,000) for claims including accidental death, personal injury, and all other claims to any one person out of a single act, accident, or occurrence.

General Aggregate Limit- In an amount not less than one million dollars ($1,000,000) for any number of claims arising out of a single act, occurrence or accident.

AUTOMOBILE LIABILITY INSURANCE – The Bidder shall maintain automobile insurance coverage in, at a minimum, the amounts required by Oklahoma law as to the ownership, maintenance, and use of all owned, non-owned, leased or hired vehicles and equipment when said vehicles or equipment is utilized to meet the requirements of this contract.

The insurance policies required herein shall be issued by a company authorized to do business in the state of Oklahoma and acceptable to Contracting Entity. Upon request, the Contracting Entity shall be furnished with a Certificate of Insurance evidencing all of the above-referenced requirements. All policies shall be in the form of an "occurrence" insurance coverage or policy. If any insurance is written in a "claims made" form, the Bidder shall also provide tail coverage that extends a minimum of two years from the expiration of the Pricing Agreement/Contract. Unless stated otherwise above, all policies must be fully insured with any single deductible not exceeding $25,000. Bidder or Bidder's insurance company must provide Contracting Entity at least thirty (30) days' prior written notice of any cancellation or material coverage change in their policies. **The Contracting Entity shall be listed as a Certificate Holder. This Pricing Agreement/Contract requires that Contracting Entity, including The City of Oklahoma City and its participating public trusts to this Contract/Agreement whether named herein or by reference only, be named as additional insured on the Bidder's insurance policies, except Worker's Compensation and Employer's Liability Insurance, to the full limits of the policies and consistent with the same coverages available to the named insured. Any blanket additional insured endorsement which limits coverages to any Contracting Entity is not compliant with this Pricing Agreement/Contract and shall be considered a breach. Contracting Entity must be provided with a Certificate of Insurance or Endorsement evidencing Contracting Entity's additional insured status prior to contract award. The policy description shall state the following: "Additional insured(s) on the listed policies are those required in the contract."**

Unless otherwise approved by the Contracting Entity prior to contract award, self-insured retentions will not be accepted unless accompanied by a bond or irrevocable letter of credit guaranteeing payment of the losses, related investigations, claim administration, and defense expenses not otherwise covered by the Bidder's self-insured retention.

ACCORD FORM: The policy description shall state the following "**Additional insured(s) on the listed policies as required by contract.** (The City of Oklahoma City and its participating Trusts). The solicitation number, BID25301, shall be referenced in the policy description.

COKC00197

UNDUE INFLUENCE: Upon advertising this solicitation, no officer, employee, agent, or representative of the Bidder shall have any contact or discussion, verbal or written, with any representative of the Contracting Entity (i.e., Trust Officer, City Council member, City staff, etc.) either directly or indirectly through others in which the Bidder seeks to influence any representative of the Contracting Entity regarding any matters pertaining to this solicitation.

Contacts by the Bidder with the Contracting Entity that do not pertain to a solicitation are exempt from this provision. Examples of these exempt contacts are:

- Private, non-business, contacts with the Contracting Entity by the Bidder's employees acting in their personal capacity
- Business contacts outside of this solicitation that the Contracting Entity may have with the Bidder
- Presentations and/or responses to inquiries initiated by the Contracting Entity
- Pre-bid or pre-proposal conferences
- Discussions with The City Procurement Agent, buyer or departmental contact as outlined in the bid packet

If a representative of any Bidder submitting a bid violates the foregoing prohibition by contacting any of these parties, such contact may result in the Bidder being disqualified from the procurement process.

ESCALATION/DE-ESCALATION: Bidder may request a price increase or decrease if the Bidder shows satisfactory proof to the Contracting Entity that a price change is justified and beyond the scope of the Bidder's control. It is understood that any percentage or discount offered to the Contracting Entity will remain firm for the duration of the Pricing Agreement/Contract. However, within 10 days of any approved changes in the price list(s) bid, Bidder may furnish the Procurement Services Division three copies of the new price list(s). New price list(s) will be considered effective the date shown on the price list(s), or 10 days from the date price list(s) are received in the Procurement Services Division, whichever is later. The three copies of the changed price list/catalog may be mailed, e-mailed or hand delivered to:

The City of Oklahoma City
Procurement Services Division
Attn: Crystal Rushing, Senior Buyer
100 North Walker, 2nd Floor
Oklahoma City, OK 73102
crystal.rushing@okc.gov

COKC0019 7

BID SPECIFICATIONS
Technical Provisions

INTENT: To enter into pricing agreement(s) for the purchase of furniture for City facilities. This furniture will include, but not be limited to, office, banquet, facility, case goods, shelving and filing systems of good and durable quality for City of Oklahoma City departments and Trusts.

This pricing agreement will be used for the purchase of a wide variety of furniture needed for use within The City of Oklahoma City. The products purchased by the Contracting Entity will vary from year-to-year, depending on City and Trust needs, budget, and special projects.

Vendors are encouraged to bid their entire lines of furniture and a discounted percentage based on the most current manufacturer's/distributor's product list. During the term of this pricing agreement, all percentages of discount bid shall remain firm. Updated price lists may be submitted as long as the percentage discount remains the same. It is preferred that vendors bid a retail priced website or a website that contains the contracted pricing. If bidding a catalog or price list, the documents must be uploaded into the electronic bidding system as an attachment in the Line Item area. Multiple files may be uploaded. Information on the catalogs or price lists should be entered by the Bidder in the note field. If bidding a website, the website address must be entered in the note field for the Line Item and the discount percentage, if any, should be entered in the price field.

MANUFACTURER BRAND NAMES: Below is a list of brands the City may purchase under this pricing agreement. These items are shown in the pricing line item area of the electronic bidding system. For items that you will not provide, you may leave the item blank and your bid will be noted as a "no bid" for that particular brand(s). For additional brand items that you offer, in addition to the ones listed below, please upload the information on the pricing line item titled "additional brands not listed."

FURNITURE FOR CITY FACILITIES

- Aurora Mobile
- Aurora Shelving
- Brighton
- Darran
- DMI
- Ergogenesis
- ESI
- Fairfield
- FireKing
- Global
- Great Openings
- Gunlocke
- Hamilton Sorter/Mailroom Modular
- HON
- Indiana
- Izzy

COKC0019 7

- Knoll
- Kruger International (KI)
- Kwik-File Storage Products
- Lazboy
- Mity-Lite
- National
- OFS Brands
- Prestige
- Remstar Vertical File System
- Russ Basset Cabinet and Shelving
- Space Saver
- Steel Fixtures
- St. Timothy
- Surface Technologies
- Tab Filing Systems and Supplies
- Tennsco
- Virco

FREIGHT CHARGES: (ATTENTION BIDDERS): All bid prices are F.O.B. Oklahoma City; the bid prices should reflect the inclusion of freight charges within each item bid. On award of pricing agreement, freight charges added to invoices will only be paid if the total of the item(s) and the freight charges do not exceed the original bid price.

INSTALLATION: Please bid the dollar amount and/or percentage that you would charge to install these items below. If no charge is noted on this bid, then it will be assumed that installation will not be charged.

RESTOCKING FEE: If the City erred in ordering, the vendor shall be entitled to deduct restocking fees from the value of the erroneous order provided the vendor's bid included provision for payment of restocking fees.

PRODUCTS SUPPORTING OKLAHOMA CITY SUSTAINABILITY: The City of Oklahoma seeks to purchase products that have low emissions of volatile organic compounds and may give additional consideration to products that have received certification to standards established by governmental or other widely recognized authorities or experts. An example of furniture emissions standards is GREENGUARD. The standards should be developed and awarded by an impartial third-party and represent specific and meaningful criteria for that product or service category. Please provide an Attachment to this bid providing the City with any information to help departments determine which products may qualify.

ACORD FORM: The policy description shall state the following: ""Additional insured(s) on the listed policies are those required in the contract." [The City of Oklahoma City and its participating public trusts]

SOLICITATION NUMBER: The solicitation number **BID25301** shall also be referenced in the policy description.

COKC001977

TECHNICAL QUESTIONS: Technical questions are to be addressed through the electronic bidding system and the Buyer will respond electronically and issue addenda, if necessary.

PRICING: Pricing must be submitted through the Line Item area of the electronic bidding system.

Do you wish to receive payments by electronic funds transfer?

Any vendor who accepts payment confirms the following: the invoice is true and correct; the work, service or materials as shown by the invoice or claim have been completed or supplied in accordance with the plans, specifications, orders or requests furnished the vendor; and the vendor has made no payment, directly or indirectly, to any elected official, officer or employee of this City, of money or any other thing of value to obtain payment See **62 O.S. § 310.9**.

I certify that the information supplied herein is correct and that neither the applicant nor any person (or concern) in any connection with the applicant as a principal or officer is now debarred or otherwise declared ineligible by a public agency for bidding or furnishing materials, supplies or services, to any other public agency thereof. NOTE: Article IV, Section 11 of the City Charter prohibits employees of the City from having a proprietary interest in City Contracts. See 11 O.S. §8-113.

Question and Answers for Bid #25301 - FURNITURE FOR CITY FACILITIES

Overall Bid Questions

Question 1

Our furniture company is not listed among the brands on the RFP. Can we submit an offer with Agati furniture? **(Submitted: Feb 21, 2024 10:19:33 AM CST)**

Answer

- Yes. Alternative brands can be submitted for consideration. **(Answered: Feb 21, 2024 12:50:46 PM CST)**

Question 2

To add manufacturers just use the lines on the same document where the manufacturer discounts are entered?

Do you want actual hard copy binders or literature delivered or just the website entered on the electronic form to see all products?

How can we get these new manufacturer's products specified on bids? **(Submitted: Feb 22, 2024 8:57:53 AM CST)**

Answer

- Yes. You can upload a copy of your products as an attachment. I will have to find out the answer to your last question, because I am not sure. **(Answered: Feb 22, 2024 9:02:20 AM CST)**

Question 3

Where is installation to be entered? Page 15 of 17 of Electronic Bid Packet says "Installation: Please bid the dollar amount and/or percentage that you would charge to install these items below. If no charge is noted on this bid, then it will be assumed that installation will not be charged." **(Submitted: Feb 26, 2024 3:37:11 PM CST)**

Answer

- You will need to enter the unit price in the box based on hourly rate for installation. **(Answered: Feb 26, 2024 3:46:42 PM CST)**

Question 4

Where do I download documents? **(Submitted: Feb 26, 2024 4:16:12 PM CST)**

Answer

- Please reach out to Periscope support. They should be able to help you. **(Answered: Feb 26, 2024 4:31:44 PM CST)**

Question 5

Which contracts is the city a part of? I assume we can use Omnia contract pricing? Are there any other applicable contracts we should look at? Thank you! **(Submitted: Feb 29, 2024 11:34:08 AM CST)**

Answer

- Vendors may bid whatever pricing they deem appropriate. The contracting entity only utilizes city agreements at this time for this commodity. We do not currently utilize cooperatives or state agreements for furniture. **(Answered:**

Feb 29, 2024 12:13:57 PM CST)

Question 6

If a vendor elects to be paid by electronic funds transfer are there fees associated with such? **(Submitted: Mar 12, 2024 11:42:43 AM CDT)**

Answer

- There are no fees associated with electronic funds transfers from the City's side, but there may be fees from a vendor's bank. **(Answered: Mar 12, 2024 3:43:37 PM CDT)**
