Background:

This American Rescue Plan Act (ARPA) project provides for new generators at fire stations across Oklahoma City.

The project was advertised and bids were received from prospective bidders. Addenda were required to revise the mandatory pre-bid meeting to non-mandatory, provide the pre-bid meeting sign-in sheet, and clarify the submission of the Special Provisions Required for Federal Provisions-Construction, Byrd Anti-Lobbying Certifications, Certification Regarding Debarment, Suspension Ineligibility and Voluntary Exclusion.

Construction is scheduled to begin late 2024 and be completed in early 2026.
