

MEMORANDUM

OCAT Agenda
Item No. IV. N
8/22/2024

TO: Trustees, Oklahoma City Airport Trust

FROM: Jeff Mulder, Director of Airports

Resolution authorizing Professional Services from Frankfurt-Short-Bruza Associates, P.C., for Metro Tech New Hangar – Task 1, utilizing the Trust’s Contract for Professional Services, Project No. OCAT GEN 2312, Multi-Year Professional Services, estimated cost \$62,839.

Location:

Will Rogers World Airport

Background:

On February 23, 2023, Trust authorized a Contract for Professional Services with Frankfurt-Short-Bruza Associates, P.C., for Project No. OCAT GEN 2312, Multi-Year Professional Services, for the Trust’s airports.

This authorization is for Task 1 of the design of a new hangar to be constructed for the Metro Tech Campus (Project) at Will Rogers World Airport. The hangar is intended to house a single MD-80 aircraft for maintenance and training purposes. The hangar is anticipated to be sited immediately southeast of the existing hangar and school campus. The existing, single MD-80 aircraft is currently situated on an open-air apron. It is being used for maintenance and training purposes at the Metro Tech educational facility. There is a need to provide cover and protection from the elements for staff, students and the MD-80 aircraft.

This Project will be funded by the Oklahoma Department of Aerospace & Aeronautics. Total estimated cost is \$4,000,000.

Recommendation: Resolution be adopted.
