Re: *Projects M3-T007 Katy Trail Connections & M3-T008 Air Depot Trail
Project Final Acceptance Recommendation*

Mr. Todd,

TEIM Design, along with the MAPS project managers, Oklahoma City inspectors, and the Contractor, have evaluated all construction work and punch list items for the Katy Trail Connections at NE 10th Street and the Air Depot Trail from I-240 to SE 59th Street and consider them to be complete. Substantial completion for M3-T007 was reached on 3/3/25 during the final walk through of the project. Substantial completion for M3-T008 was reached on 8/1/24 with completion of punch list items on 3/10/25. Therefore, TEIM Design recommends these projects be Final Accepted.

Respectfully submitted,
