### WITNESSETH:

WHEREAS, EMSA, is the sole provider of emergency medical services within the regulated service area encompassing the corporate limits of the CITY and other non-beneficiary member jurisdictions in EMSA’s Western Division;

WHEREAS, the CITY seeks to enter into a contract for Special Arrangements with EMSA pursuant to the Second Amended and Restated Trust Indenture, Amended and Restated EMS Interlocal Agreement and Ordinance number 27,211, adopted by the City Council on November 8, 2022, wherein the CITY through its fire department (“OKCFD”) will provide supplemental ambulance services within the corporate limits of the CITY, and such other jurisdictions pursuant to any such mutual aid requirements;

WHEREAS, the CITY is licensed through the State of Oklahoma as a ground ambulance service and it is the desire of the CITY that OKCFD provide supplemental ambulance services to the residents of the CITY.

NOW, THEREFORE, for and in consideration of the foregoing, and in consideration of the following mutual promises and covenants, the parties hereto agree as follows:

The Operations Plan and BAA/MOU along with this Contract are collectively referred to as the “Contract Documents”; and CITY hereby agrees to strictly and completely comply with each and every provision, condition, detail, term and obligation contained in the Contract Documents that is to be performed by CITY. The attached BAA/MOU and Operations Plan were previously approved on March 26, 2024 (Item No. IX.AV.).

2. **Term:** CITY shall begin performance of its obligations under this Contract on the \_\_\_\_\_ day of \_\_\_\_\_, 2024 subsequent to approval by both parties and shall remain in effect until June 30, 2025.

The CITY shall implement a comprehensive Compliance Program for all activities, particularly those related to documentation and efforts in claims processing, billing, and collection processes. The City's Compliance Program shall substantially comply with the requirements proscribed by the Office of Inspector General ("OIG").
4. **Validity:** In the event that any provision of this Contract shall be held to be invalid, the validity of the remaining portions thereof shall not in any way be affected thereby.
5. **No Waiver or Modification:** No waiver or modification of this Contract or any covenant, condition, or limitation herein contained or in the Contract Documents shall be valid unless agreed to by written amendment duly executed by the parties hereto and approved by CITY's governing body. No evidence of waiver or modification shall be received in evidence of any proceedings or litigation between the parties hereto arising out of or affecting this Contract, or the rights or obligations of the parties hereunder, unless such waiver or modification is in writing, duly executed as aforesaid. The parties further agree that the provisions of this paragraph may not be waived except as set forth herein.

Through a process developed and memorialized in writing by the parties, the parties may make administrative and operational changes to the methods by which the provision of service under the terms of the Contract is made.

6. **Indemnification:** EMSA and CITY mutually agree that under the laws of the State of Oklahoma as of the date of this Contract, neither party can seek indemnification from the other for tort liability. However, EMSA agrees to be solely responsible for any liabilities that may be imposed on, incurred by or asserted against EMSA and its officers, agents, and employees that result from EMSA's or its agent's or contractors' acts or omissions in connection with the performance of this Contract, including the violation of any law by EMSA. Likewise, the CITY agrees to be solely responsible for any liabilities that may be imposed on, incurred by or asserted against the CITY and/or OKCFD and their officers, agents, and employees that result from CITY's and/or OKCFD's and their agent's or contractors' acts or omissions in connection with the performance of this Contract, including the violation of any law by the CITY. The CITY agrees to be solely responsible for its use and administration of the Medical Service Program funds paid to the CITY by utility customers and shall indemnify
