Re: Support for Build Line Variance at 2800 Somerset Place – Case No. 15476

To Whom It May Concern,

We are writing to express our support for the variances requested by Shannon M. Blevins Trust for the property at 2800 Somerset Place. As a neighbor from 2640 Somerset Place, we believe that the proposed changes are reasonable and will not negatively impact the character of our neighborhood.

Shannon has always been considerate of community standards, and we trust her judgment in seeking this variance. We respectfully ask the City to consider approving her request.

Thank you for your attention to this matter.

Sincerely,

The image shows two handwritten signatures in black ink. The top signature is a long, sweeping line that ends in a small dot, likely representing the first name. The bottom signature is a shorter, more compact scribble, likely representing the last name. Both signatures are written in a cursive, fluid style.
