The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Final Plans and Specifications to be advertised for bids, Project M4-TTE10, MAPS 4 Bus Stop Improvements - Phase 1. Wards 1, 2, 3, 4, 5, 6, 7 and 8.

Background:

As part of the MAPS 4 Program, The City of Oklahoma City will improve bus stops throughout the City. This project includes new concrete pads for bus stops. Amenities such as ADA-accessible shelters, bicycle racks, lighting, trash cans and other branding elements will be installed by Tyler Outdoor Advertising using EMBARK'S existing contract.

The engineer developed the Final Plans and Specifications for the MAPS 4 Bus Stop Improvements - Phase 1 following approval of the Preliminary Report. The project meets all design requirements, and the estimated construction cost is under the construction budget. Upon approval of the Final Plans and Specifications, the project will be advertised for bids to be received in March 2024.

Engineer:
