

MEMORANDUM

Council Agenda
Item No. XI. U
4/9/2024

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Joint Resolution with the Oklahoma City Economic Development Trust certifying that Project High Plains, a proposed feature film, is an eligible project under the Strategic Investment Program's Film Incentive Program; approving an allocation not to exceed \$236,687 in pay-for-performance film incentives; and authorizing the Trust's General Manager to negotiate a Film Incentive Agreement with Killdeer Film LLC.

Background:

The Strategic Investment Program (SIP), established by City Council in 2007, sets forth the policy directives for administration of the GOLT bond economic development incentive program. In 2022, the SIP was amended by the addition of the Film Incentive Program for the purpose of creating film and television production opportunities and thus encouraging more economic diversity in Oklahoma City, providing local jobs, and generating additional sales tax.

Killdeer Film LLC filed an application with the Foundation for film incentives for its Feature Film (Project High Plains). The Production Company indicates that 75% of its filming days will occur within Oklahoma City, it is a Feature Film, and its main production office will be in Oklahoma City. The Foundation has calculated that Project High Plains will generate an estimated \$4,733,748 in Qualified Expenditures. Upon completion of the project, Killdeer Film LLC can apply for a pay-for-performance film incentive in an amount not exceeding \$236,687. Adoption of this Resolution authorizes the General Manager to begin negotiating a Film Incentive Agreement for this project.
