OCMFA Agenda  
Item No. MFA. C  
8/13/2024

## The City of OKLAHOMA CITY

TO: Chairman and Trustees of the Oklahoma City Municipal Facilities Authority

FROM: Craig Freeman, City Manager/General Manager, OCMFA

Joint Resolution with The City of Oklahoma City authorizing The City of Oklahoma City to expend funds from the 2017 General Obligation Bond Authorization (2024 Sale) for the purchase of advanced engineering services contract and related expenses for Project BC-0232, Bridge Replacement, NW 63rd Street east of North Western Avenue, from the Oklahoma City Municipal Facilities Authority, in the amount of \$754,306; and assigning contract from the Oklahoma City Municipal Facilities Authority to The City of Oklahoma City. Ward 2.

**Location:**

NW 63rd Street, approximately 0.6 miles east of North Western Avenue

**Background:**

The original contract for this project between the Oklahoma City Municipal Facilities Authority (OCMFA) and CEC Corporation provided for the Engineer's preparation of plans and specifications for Bridge Replacement, at the above location. In anticipation that the project would be funded in the City's 2017 General Obligation Bond Authorization, the OCMFA engaged the Engineer to provide for design and other engineering services related to the project.

2017 General Obligation Bond Authorization (2024 Sale) funds are now available in the amount of \$754,306 and the project is fully funded. Staff therefore recommends The City of Oklahoma City (City) authorize the purchase of the OCMFA's engineering services contract and related expenses with 2017 General Obligation Bond Authorization (2024 Sale) funds in the amount of \$754,306.

The OCMFA having no further funding or other contractual responsibilities related to this project, staff also recommends that the OCMFA assign all rights, titles and interest in and to Project BC-0232, entered into between the OCMFA and the Engineer on September 26, 2023, to the City.

The attached Joint Resolution provides for the above actions.

**Engineer:**

CEC Corporation

**Estimated Construction Cost:**

\$7,342,249

**Engineering Fee:**

\$754,306

**Source of Funds:**
