OCPPA Agenda
Item No. PPA. B
3/11/2025

The City of OKLAHOMA CITY

TO: Chairman and Trustees of the Oklahoma City Public Property Authority

FROM: Craig Freeman, City Manager/General Manager, OCPPA

Oklahoma City Arena Construction Management At Risk Services Agreement with The City of Oklahoma City and Flintco, LLC/M. A. Mortenson Company, Project AE-0002, Oklahoma City Arena, 1 Myriad Gardens, fee of \$2,275,000 for preconstruction services. Ward 7.

Location:

1 Myriad Gardens

Background:

The City Council and PBC Sports and Entertainment (Oklahoma City Thunder) have entered into an agreement to contribute funding for the design, construction and development of the Oklahoma City Arena and associated amenities. The facility will be constructed as a first-class, state-of-the-art NBA arena and entertainment venue, which includes at least 750,000 square feet and a total budget of at least \$900,000,000.

Three nationally recognized firms were interviewed to serve as the Construction Manager At-Risk for the arena project. Flintco, LLC/M.A. Mortenson Company was selected in accordance with the Notice of Request for the Construction Manager At-Risk. The construction manager at-risk will be responsible for reviewing, commenting upon, and making recommendations to the Development Committee's program statement, budget, and schedule requirements; reviewing the project schedule; providing value engineering analysis; reviewing the conceptual design, schematic, design development, and construction documents; reviewing the construction costs; and providing other preconstruction services.

Construction Management At Risk Fee:

\$2,275,000
