The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Amendment No. 15 to the Award/Contract (SP0600-20-C-8331) associated with the United States of America for the municipalization of the water and wastewater systems at Tinker Air Force Base.

Location:

Tinker Air Force Base

Background:

On August 4, 2020, The City of Oklahoma City and the Oklahoma City Water Utilities Trust (OCWUT) authorized the execution of the Award/Contract (contract) with the United States of America for the municipalization of the water and wastewater systems at Tinker Air Force Base. The contract was fully executed on August 25, 2020.

Amendment No. 15, effective July 25, 2024, accepts OCWUT's proposal submitted on July 2, 2024, for the Tinker Operations Facility. This modification brings the project out of the original list of approved projects and into an individual firm fixed price contract project. It also revises the Appropriation Data and Schedule and Accounting sections of the contract.

Review:

Utilities Department

Recommendation: Amendment be approved.
