

# MEMORANDUM

Council Agenda  
Item No. X. E  
12/31/2024

## The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Concurrence with the Oklahoma City Water Utilities Trust in adopting a Resolution authorizing the sole source purchase of Hydra-Stop System products, services, and training from Hydra-Stop, LLC (SS24-C249016), estimated annual cost \$400,000, retroactive to November 8, 2024 through November 7, 2025.

### **Purpose:**

To authorize the sole source purchase of Hydra-Stop System products, services, and training.

### **Background:**

The Utilities Department needs to make pipe repairs without requiring water or wastewater service interruptions. The Hydra-Stop System allows for the insertion of a valve into a pressurized fluid system without interrupting service or requiring a shutdown. No other technology currently exists that allows the insertion of a valve without service interruption. The Oklahoma City Water Utilities Trust has identified a need for these products and services within the Oklahoma City water system and at Tinker Air Force Base.

The estimated annual cost is projected to cover emergency repairs that may occur throughout the Oklahoma City water system and at Tinker Air Force Base.

Hydra-Stop, LLC is the only authorized distributor for Hydra-Stop System, services, and training. To continue under-pressure pipe maintenance and repairs, staff recommends that the sole source Resolution be adopted.

### **Estimated Annual Cost:**

\$400,000

### **Source of Funds:**

OCWUT-Tinker Water Utilities-Tinker Operations-W-Tinker Municipalization-W Tinker Municipalization-Small Tools & Minor Equipment (6072-3991001-W6040-53040025)

OCWUT-Water/Sewer Utilities Operations-Water/Sewer Line Maintenance-Small Tools & Minor Equipment (6010-3990101-W6102-53040025) (6510-3990101-W7102-53040025)

### **Review:**

Utilities Department

**Recommendation:** Concur with the Oklahoma City Water Utilities Trust in adopting the Resolution.
