Council Agenda
Item No. IX. H
2/25/2025

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution authorizing the purchase of police radars from State Contract (COKC01459), estimated cost \$300,000, February 28, 2025 through February 27, 2026.

Background:

The Police Department has a continuing need to purchase Stalker brand radars. This radar is currently used to teach recruits in the academy. This brand of radar has been used by officers for the past 10 years. Moving to a different radar at this time would require hours of instruction to retrain officers in the use of a new radar system. Stalker brand radars allow the replacement of outdated RAAID radars when the City vehicles are replaced. The upkeep and replacement of the radars is used in the Traffic and Solo Motors Units.

Staff requests Council authorize the purchase of police radars from State Contract (COKC01459), estimated cost \$300,000, February 28, 2025 through February 27, 2026.
