Memorandum of Understanding with The City of Oklahoma City and North Oklahoma County Mental Health Center dba NorthCare, Project M4-MM040, MAPS 4 Restoration Center Operating Partner.

Background:

As a part of the MAPS 4 Program, the City of Oklahoma City will construct a restoration and recovery center. The MAPS 4 Restoration Center was envisioned to be operated by a governmental agency possessing relevant experience with similar facilities. North Oklahoma County Mental Health Center was the only firm to respond to the MAPS 4 Restoration Center Operating Partner Request for Proposals. The selection committee reviewed the proposal and recommended negotiating an agreement with North Oklahoma County Mental Health Center. Staff has negotiated the agreement for an initial term of five years, which is renewable for three additional five-year terms.

The MAPS 4 Citizens Advisory Board recommended approval on December 7, 2023.
