Re: Demolition and Disposition of 3 Scattered Site houses

Dear Mayor Holt:

We are writing to you to ask for support of Oklahoma City Housing Authority's (OCHA) Section 18 demolition and disposition application that will be submitted to the Department of Housing and Urban Development (HUD).

We seek approval to submit an application for 3 vacant single-family units for Demolition and Disposition. All 3 of these units were total losses due to fire and are not habitable. We propose demolition of the structures and then disposition of the vacant lots. The demolition and disposition activity is currently going through our PHA Plan Significant Amendment requirements. The addresses are below:

1409 NW 7th Street

1137 NW 11th Street

545 SW 27th Street

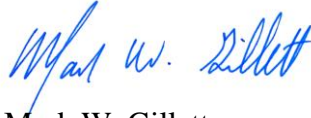

City of Oklahoma City staff has completed the required environmental review and deemed all units converted to exempt status and do not require further evaluation.

OCHA will present the sale of these units to our Resident Advisory Committee on April 17, 2024.

Our application to HUD requires the notification and support of local governing officials of the Authority's intent to dispose of property.

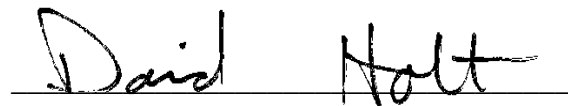

We appreciate your consideration of this proposal. If you support this disposition request, please indicate your approval by signing below and returning this letter to my office. If you have any questions, please contact me at 405-239-7551, extension 219.

Sincerely,

Mark W. Gillett
Executive Director

I, David Holt, Mayor of the City of Oklahoma City, hereby lend my support to the Oklahoma City Housing Authority in the demolition and disposition of the three houses noted above.
