**CERTIFICATE OF INSURANCE EXPLANATION OF
THE CITY OF OKLAHOMA CITY AND PARTICIPATING TRUST(S)**

The Certificate Holder(s) require the use of this Certificate of Insurance as evidence that the insurance requirements of the contract have been complied with and will continue as long as the contract is in force. The City and/or Trust rely on this Certificate as proof of compliance with the insurance requirements agreed upon. The City and/or Trust must be advised of any cancellation or nonrenewal of the insurance coverages required or any reduction in the coverages provided, in compliance with the contract, as shown in the Certificate of Insurance. Thirty (30) days prior written notice of cancellation or reduction in coverages (other than an aggregate limit provision reduction) and ten (10) days written notice of nonrenewal for nonpayment of premium must be provided to the City and/or Trust so that the City and/or Trust may take appropriate action.

Many certificates of insurance are received by the City and its Trusts and many contain statements claiming that the certificate is issued as a matter of information only and confers no rights upon the certificate holder. A common example is "Should any of the above described policies be canceled before the expiration date hereof, the issuing company will endeavor to mail (number of days) days written notice to the named holder, but failure to mail such notice shall impose no obligation of liability of any kind upon the company, its agents or representatives." This is unacceptable.

The City and Trust have the right of notice of cancellation, nonrenewal and reduction of coverage, as a requirement in the contract. The City and Trust rely upon the Certificate of Insurance as evidence of contract compliance.

The authorization requirement (that the authorized representative signing the Certificate of Insurance provide written acknowledgment by the insurance company or companies to the City and/or Trust) is written proof that the person signing the Certificate is legally authorized by the insurance company or companies to obligate them, as shown in the Certificate.

The City and/or Trust must have positive evidence in the form of the Certificate of Insurance that the insurance requirements of the contract have been met and will continue to be met without interruption during the term of the contract.

No activity will begin until the insurance Certificate is received. Your cooperation in providing the City and/or Trust with acceptable evidence of insurance compliance will prevent confusion and delay.
