OFFICE OF  
THE MUNICIPAL COUNSELOR**

Council Agenda  
Item No. IX. BX  
11/19/2024

TO: Mayor and City Council

FROM: Kenneth Jordan  
Municipal Counselor

Resolution authorizing the Municipal Counselor to waive service of process and to confess judgment without admission of liability in the amount of \$5,644.98 and all the costs of the action in the Oklahoma County District Court in the claim filed by Ernesto Ocampo Sierra. Ward 4.

Claimant's address:  
219 SE 59th Street  
Oklahoma City, OK 73129

This office acknowledges receipt of a claim from the above-referenced claimant in which the claimant alleges that on August 16, 2024, claimant's vehicle was damaged when an Oklahoma City Fire Department vehicle, E-16 driven by an OCFD employee responding code-3 to a medical emergency at 6900 South Byers Avenue, struck the driver's side of claimant's vehicle. The claimant filed his claim alleging property damage only. Claimant provided documentation reflecting \$5,644.98 in damages to the front bumper and grille of his vehicle.

Section 153(A) of the Governmental Tort Claims Act provides:

- A. The state or a political subdivision shall be liable for loss resulting from its torts or the torts of its employees acting within the scope of their employment subject to the limitations and exceptions specified in The Governmental Tort Claims Act and only where the state or political subdivision, if a private person or entity, would be liable for money damages under the laws of this state. The state or a political subdivision shall not be liable under the provisions of The Governmental Tort Claims Act for any act or omission of an employee acting outside the scope of the employee's employment.

51 O.S. 2023 Supp. §153(A).

According to the Oklahoma Supreme Court, a prima facie case of negligence is established by showing the following: "(1) a duty owed by the defendant to protect the plaintiff from injury, (2) a failure to properly exercise or perform that duty and (3) the plaintiff's injuries are proximately caused by the defendant's failure to exercise his duty of care." *McKellips v. Saint Francis Hospital, Inc.*, 741 P.2d 467, 470 (Okla. 1987) (citations omitted).

Proximate cause has two components - legal causation and cause in fact. *Id.* Cause in fact is determined by the "but for" test: "The defendant's conduct is a cause of the event if the event would not have occurred but for that conduct." *Id.* (citations omitted). "Proximate cause" is also a synonym for "legal cause." BLACK'S LAW DICTIONARY, 804 (6th Ed. 1990). To clarify this issue, the Oklahoma Supreme Court has further defined proximate cause: "The proximate cause of an event must be that which in a natural and continuous sequence, unbroken by an independent cause, produces the event and without which the event would not have occurred." *Gaines v. Providence Apartments*, 750 P.2d 125, 126-27 (Okla. 1987) (citations omitted).

This office is in receipt of information from the Oklahoma City Fire Department and the Oklahoma Official Collision Report regarding this incident. This information indicates that the OCFD vehicle, while responding to an emergency, attempted to make a turn from west-bound SE 66th Street on to south-bound South Byers Avenue and collided with the driver's side of claimant's vehicle.

Based on the above information and applicable Oklahoma law, it is the opinion of this office that this claim should be approved, and that the Municipal Counselor should be authorized to Confess Judgment without admission of liability in the amount of \$5,644.98 and all costs of the action in the District Court. If Council agrees, a Resolution to that effect has been prepared.
