Item No. IX. AL  
5/23/2023

## The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Renewal of Contract with LevelOps Energy, Inc., Project MC-0641, Oklahoma River SCADA System Repair and Operations Consultant Services, Oklahoma River from First Americans Boulevard to McArthur Boulevard, retroactive to April 28, 2023 through April 28, 2024. Wards 3, 4, 6 and 7.

**Location:**

Oklahoma River from First Americans Boulevard to McArthur Boulevard.

**Background:**

This contract provides for professional services agreements for SCADA system repairs and operations consulting for 24/7/365 monitoring of the hardware, software, electrical, and all systems necessary for repair and upgrade required for supporting the Oklahoma River dam and lock systems.

The contract provides a defined pricing structure based on competitive unit price bids and allows the contract to be administered and specific work orders to be issued as the need arises.

The contract, at the City's option, is renewable annually for a period of five fiscal years, until April 28, 2025. This will be the third of four renewals.

Staff recommends that contract be renewed to ensure availability of Oklahoma River dam and lock system repair and operations consultant services.
