Re: Change Order No. 5  
Project No. PC-0559 / WC-0998  
Sara Road Reconstruction, SW 29th Street to SW 15th Street, Ward  
3

Honorable Mayor and Council:

**I. SCOPE**

Change Order No. 5 adds a total of 30 days of time to the contract due to unanticipated delays.

**II. JUSTIFICATION**

On June 21, 2023, the contractor notified the City of Oklahoma of a potential utility conflict with an AT&T utility line which was not identified by the owner during the utility coordination process. The fiber optic line was required to be relocated and the relocation was finally accomplished in January of 2024. Change Order No. 4 added 30 calendar days to the contract in November 2023 to account for one month of this approximate 7 month delay. The contractor is requesting 30 calendar days be added to the contract at this time.

**III. COST ESTIMATE**

No change to quantities is proposed in this Change Order No. 5.
