Council Agenda  
Item No. IX. F  
5/21/2024

## The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution authorizing the sole source purchase of two annual licenses for GrayKey units, Magnet Forensics (COKC00027), \$133,085, retroactive to May 1, 2024 through April 30, 2025; and approving End User License Agreement.

**Purpose:**

To provide two annual licenses of unlocking software for Apple and Android devices to aid the Police Department's Computer Forensics Unit (CFU) with forensic investigations.

**Background:**

The current software license for GrayKey expired April 30, 2024. Two annual licenses provide the capacity required to accommodate the CFU's growing need to unlock these devices during an investigation.

Based on staff's market research, Magnet Forensics offers the most current software available, and is the only provider of the GrayKey software. GrayKey is a proprietary product of Magnet Forensics.

Staff requests Council authorize the sole source purchase of two annual licenses for GrayKey units from Magnet Forensics (COKC00027), \$133,085, retroactive to May 1, 2024 through April 30, 2025; and approve End User License Agreement.
