To: Oklahoma City Airport Trust
From: Kirk Evans, Project Manager
Subject: Terminal Building Additional Wayfinding and Signage
Project: OCAT-WRWA-2412

Lochner # 8735

To Whom It May Concern:

We have reviewed the construction outlined in the contract documents and the project closeout documents received from Synergy Signs and Services. for the Terminal Building Additional Wayfinding and Signage project at the Will Rogers World Airport. Based on our knowledge and understanding, we recommend that the project be accepted as complete.

If you have any questions, feel free to contact me at your convenience.

Sincerely,

H.W. LOCHNER, INC.

Kirk D. Evans, P.E.
Vice President
