

MEMORANDUM

Council Agenda
Item No. X. T
4/9/2024

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Concurrence with the Oklahoma City Water Utilities Trust in adopting a Resolution ratifying the actions of the General Manager in declaring an emergency; approving bidding documents, approving Addendum No. 1, and awarding a contract to 4M Trenching, LLC, Project SE-0058, Emergency Sanitary Sewer Repair, Olivine Terrace between Jasper Avenue and South Portland Avenue, \$209,195; ratifying issuance of emergency work order; and approving contract and bonds. Ward 5.

Location:

Olivine Terrace between Jasper Avenue and South Portland Avenue

Purpose:

To ratify the actions of the General Manager in declaring an emergency.

Justification:

The addendum was required to answer questions from potential bidders. The addendum modification takes precedence over the original plans and specifications.

Background:

A sanitary sewer manhole at the proposed location failed catastrophically. There were two 15-inch gravity mains and an 8-inch gravity main tying into the manhole. One of the 15-inch mains is being fed from Lift Station No. 36 via a 10-inch force main. This 15-inch main spills into the manhole, and the other is at the flowline of the manhole at an estimated 18 to 20 feet deep. There are no as-builts on this manhole detailing its construction as it was installed in 2006 during a line replacement project. Bypass pumping is required during construction due to the quantity of flow coming from the lift station. The necessary repairs were beyond the immediate resources of utility crews, and it was in the best interest of the public health, safety, and welfare that repairs be completed immediately so that normal operations could be restored.

Bids Received:

February 26, 2024 (This is a unit-price based project.)

Engineer:

Utilities Department-Engineering Division

Tabulation of Bids:

On February 26, 2024, the following bids were received:

4M Trenching, LLC	\$ 209,195
Matthews Trenching Company, Inc.	\$ 274,970
Krapff-Reynolds Construction Company	\$ 406,000
Urban Contractors	\$ 573,400
Downey Contracting, LLC	\$1,072,938

Lowest and Best Bid:

4M Trenching, LLC in the amount of \$209,195.

Notification:

Addendum No. 1 was issued to prospective bidders on February 22, 2024.

Source of Funds:

OCWUT-Sewer Facility Account-Sewer Facility Fund (Capital)-WW Line Maintenance General-Project SE-0058-Construction in Progress (360-3560-3801600-07102-SE-0058-54040007)

Review:

Utilities Department

Recommendation: Concur with the Oklahoma City Water Utilities Trust in adopting the Resolution.
