Re: Disposition of 2 Scattered Site houses

Dear Mayor Holt:

We are writing to you to ask for support of Oklahoma City Housing Authority's (OCHA) Section 18 disposition application that will be submitted to the Department of Housing and Urban Development (HUD).

OCHA is taking bold steps to recapitalize its public housing stock through the use of programs like the Section 18 Demolition/Disposition streamlined conversion. This application will permit OCHA to dispose of 2 single family scattered site homes to a nonprofit developer and owner to ensure long term affordability of the homes.

**2023 NE 12<sup>th</sup>**

The disposition will enable OCHA in partnership with a procured nonprofit organization to provide quality affordable housing and improve existing affordable housing. The disposition furthers the City's goals and will increase the value and quality of housing to both the neighborhood and the City, we fully support this endeavor.

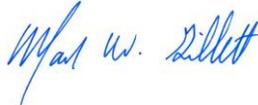

City of Oklahoma City staff has completed the required environmental review and deemed all units converted to exempt status and do not require further evaluation.

OCHA will present the sale of these units to our Resident Advisory Committee on April 17, 2024.

Our application to HUD requires the notification and support of local governing officials of the Authority's intent to dispose of property.

We appreciate your consideration of this proposal. If you support this disposition request, please indicate your approval by signing below and returning this letter to my office. If you have any questions, please contact me at 405-239-7551, extension 219.

Sincerely,

Mark W. Gillett  
Executive Director

I, David Holt, Mayor of the City of Oklahoma City, hereby lend my support to the Oklahoma City Housing Authority in the disposition of two scattered site houses.
