In coordination with our monthly LIVE! on the Plaza block party, every September, we proudly host SKATE the Plaza. This event is one of the largest of our monthly block parties hosting live entertainment, artist markets and more. On average, we see an estimated 8-10k attendees every year for this event and we anticipate that number to increase in 2023.

Given the growing number of attendees, we are planning on shutting down a portion of 16th street for the safety of our guests.

Is this an annual event? Yes If yes, how many years? 3
