Should anticipated sources of Loan Funds become unavailable to the Lender for use in the Lender's Program, the Lender shall, within a reasonable time not to exceed fifteen (15) working days from Lender's receipt of notice of such unavailability of funds, notify Borrower in writing at the address in Section 7.2 below; and Borrower and Lender shall be released from all liability under this Loan Agreement.

The interest rate specified for The City's Loan shall be fixed at three-eighths of one percent (.375%) per annum; and the term thereof shall be for a period of approximately fifteen (15) years. All payments of The City's Loan shall be paid by the Borrower directly to BancFirst as loan servicer. Payments of accrued and unpaid interest shall begin on the 1st day of the month following the first full month after the first advance of Loan proceeds is made to Borrower, and shall be made on the 1st day of each month thereafter for a period of twelve (12) months. Fully amortized payments of principal and interest shall begin on the 1st day of the thirteenth month following the first full month after the first advance of Loan proceeds is made to Borrower, with equal monthly payments of *Four Thousand Five Hundred Eighty Three and 20/100 Dollars (\$4,583.20)* due on the 1st day of each month thereafter for *fourteen (14) years*, until paid in full, or not later than December 31, 2038, whichever shall sooner occur. ARTICLE II

BORROWER'S REPRESENTATIONS AND WARRANTIES

In order to induce the Lender to make the Loan, Borrower represents and warrants (which representations and warranties shall be true and correct as of the execution hereof and shall survive the execution and delivery of this Loan Agreement) as follows:

2.1 Organization of Borrower, Authority to Enter into Agreement. Borrower is a limited liability company that has the right and power to lease, occupy, or develop the Project Site, and to develop the Project, and Borrower has full power and authority to enter into this Agreement. The execution, delivery and performance of this Agreement requires no other action than the consent of Borrower to borrow the Funds, and no other authorization by Borrower is required for the execution, delivery and performance of this Agreement.

2.2 No Litigation. As of the date of execution of this Agreement, there are no actions, suits or proceedings pending, or to the knowledge of Borrower, threatened against or affecting it, its controlling managers or members, or the Project, in any court at law or in equity, or before or by any governmental or municipal authority, which might have a materially adverse effect on the ability of Borrower to perform its obligations hereunder.

2.3 Compliance With Documents. As of the date hereof, and for so long as this Agreement remains in effect, Borrower is and shall remain in full compliance with all of the terms and conditions of the Loan Documents, and no Event of Default has or shall have occurred and be continuing, which, with the lapse of time for the giving of notice, or both, would constitute such an Event of Default under the foregoing.

2.4 Incorporation of Representations and Warranties. The request by Borrower for any advance of Loan proceeds under the Loan Documents shall constitute a certification by Borrower that the aforesaid representations and warranties are true and correct as of the date of such request.

ARTICLE III

CONDITIONS PRECEDENT TO LOAN CLOSING

The Lender's obligation to enter into and perform its duties under the Loan Documents shall be subject to the full and complete satisfaction of the following conditions precedent:

3.1 Documents. Lender shall have received and approved fully executed originals of the Loan Documents, which shall have been duly authorized, executed and delivered by Borrower. The disbursement of funds for the Loan shall be conditioned on Borrower providing paid invoices for construction work on the property, located at the northeast corner of NW 5th Street and Robinson Avenue. Invoices shall not be submitted for work performed prior to the Environmental

Review, which was completed on April 11, 2023. Under the terms of an Intercreditor Servicing and Subordination Agreement between BancFirst (the "Bank") and the City of even date herewith, the City will remit all Loan funds in the amount of \$750,000.00 on the Borrower's behalf to the Bank within fifteen (15) business days after Lender's receipt of a signed request for disbursement from the Borrower and paid invoices for the amount for which reimbursement is requested. The Bank will disburse the City's Loan funds to Borrower within five (5) business days after Bank's receipt of such funds from Lender, and prior to advancing the construction loan financing. The Loan approval shall expire and the unpaid principal balance shall become immediately due and payable, if occupancy conditions set forth in Section 5.3 herein are not met.

3.2 Evidence of Authority. Lender shall, upon written request, receive evidence satisfactory to it that Borrower and the persons signing on behalf of Borrower have the capacity and authority to execute and deliver the Loan Documents on behalf of Borrower.

3.3 Insurance. Borrower shall, for so long as the Loan Documents remain in effect, at its cost and expense, carry and maintain general public liability insurance against claims for bodily injury, personal injury, death and property damage occurring or arising out of the Project Site, which insurance shall cover such claims as may be occasioned by any act, omission, or negligence of Borrower or its officers, agents, representatives, assigns or servants relating to the Project. The limits of liability insurance, which may be required to be increased from time to time as deemed necessary by Lender, which shall not be unreasonably withheld, shall be not less than One Million Dollars (\$1,000,000.00) combined single limit personal injury and property damage insurance. The insurance required above shall be issued by an insurance company or companies authorized to do business within the State of Oklahoma or by such other similar insurance coverage approved by the Insurance Commissioner of the State of Oklahoma. Lender shall be specifically named as an additional insured on all such policies, and any such policy or policies shall be primary to any other valid and collectible insurance. Borrower shall secure insurance in an amount at least equal to the amount of all outstanding mortgages against the subject Project Site, and shall name Lender as an additional insured party.

3.4 Title Insurance. Borrower shall furnish Lender, at Borrower's cost and expense, with an ALTA Loan Policy of title insurance in the sum of SEVEN HUNDRED FIFTY THOUSAND and 0/100 DOLLARS (\$750,000.00) showing that Borrower has marketable title in fee simple to the Project Site and that the Mortgage in favor of the Lender is a valid lien on the Project Site. The lien of the Mortgage in favor of Lender will be subordinate to the lien of the Mortgage in favor of BancFirst (which secures a loan to Borrower in the principal amount of \$42,750,000.00), but will be superior to the lien of the mortgage in favor of the Oklahoma City Industrial and Cultural Facilities Trust (which secures a loan to Borrower in the principal amount of \$1,275,000.00).

ARTICLE IV
CONDITIONS PRECEDENT TO LOAN DISBURSAL

4.1 Conditions Precedent to Disbursal of Loan Funds. Lender's obligation to make the disbursal of Loan Funds pursuant to the terms hereof shall, in addition to compliance with the terms of Article III hereof, be subject to receipt of the following documents and satisfaction of the following conditions precedent:

- (1) Lender shall have received from HUD and have in its possession, sufficient Funds to fund the disbursal request of Borrower; and
- (2) All applicable federal requirements have been met.

4.2 Borrower's Disbursal Requests. Borrower acknowledges that it has no right to the Loan proceeds other than to have them disbursed by the Lender in accordance with the terms of this Loan Agreement and in accordance with the Act, and then only to the extent Lender has received Funds from HUD.

ARTICLE V

- (3) Obtain and maintain the insurance required herein.

5.2 Payment of Obligations. Borrower shall pay all indebtedness, taxes and other obligations pertaining to the Project or Project Site for which it is liable before they shall become delinquent; provided, however, that Borrower shall have the right to pay any such indebtedness, taxes and other obligations under protest, or to otherwise contest any such indebtedness, taxes and other obligations but only if (i) such contest has the effect of preventing the collection of such indebtedness, taxes and other obligations so contested and also prevents the sale or forfeiture of the Project Site or any part thereof or any interest therein, (ii) Borrower has notified Lender in writing, in advance, of its intent to contest such indebtedness, taxes and other obligations, and (iii) Borrower has deposited security to support the collection amount in form and amount satisfactory to Lender, in its sole judgment, and increases the amount of such security so deposited promptly

Lender and the HUD, or their representatives shall have the further right, from time to time, to inspect Borrower's books and records relating to Borrower's use of the Loan Funds. Without limiting the foregoing, Borrower shall permit Lender and/or U.S. HUD representatives to examine and copy all books, records and other papers relating to Borrower's use of the Loan Funds to ensure Borrower's compliance with provisions of the Act that are applicable to Borrower and provisions of 24 CFR Part 570.502(7)(ii)(C).

Notwithstanding anything contained herein to the contrary, the foregoing indemnification given by Borrower to Lender shall not be effective or enforceable against Borrower unless Lender gives Borrower written notice of any such claims or actions of said person or entity made against the Lender within twenty (20) working days of Lender's knowledge of such claims or actions, and Lender does not commence or enter into any settlements or negotiations of settlement with any person or entity relating to the matters covered by Borrower's indemnification without Borrower's prior written consent. If Borrower fails to defend or perform its obligations under this indemnification within twenty (20) days after written request by Lender, Lender may settle, commence, or defend any action or proceeding purporting to affect the rights, duties or liabilities of the parties to the Loan Documents, or the Project Site or the Project and Borrower shall pay all of Lender's costs and expenses incurred thereby on demand. This Section shall survive execution, delivery and performance of the Loan Documents.

5.9 Further Assistance. Borrower shall at any time, and from time to time upon request of Lender, take or cause to be taken any action or execute, acknowledge, deliver or record any further documents, opinions, or other instruments which Lender is required to do or obtain by HUD or by any other federal, state or county regulatory agency or which Lender reasonably deems are required to carry out the intent of Lender and Borrower under the Loan Documents.

ARTICLE VI DEFAULT AND REMEDIES
