

RECOMMENDATION LETTER

March 6, 2024

Mr. John Storms
Oklahoma City Airport Trust
7100 Terminal Drive, Unit 937
Oklahoma City, OK 73159

Re: Recommendation Letter for OCAT WRWA 2418 - Passenger Boarding Bridge (PBB)
Replacement Phase II - Will Rogers World Airport

Mr. Storms,

Guernsey has reviewed the project bids for the above referenced projects. Please see the attached Bid Tabulation Sheet for reference. The low bid received was below the ROM Estimated Cost of Construction of \$1,300,000 per PBB.

Two (2) bids for the referenced project were received via Bidsync on 20-Dec-2023.

JBT Aerotech Corporation's bid was submitted under John Bean Technologies Corporation and was the lowest and best bid at Bid Opening which occurred on December 20, 2023. In the interim, on February 16, 2024, JBT Aerotech Corporation was converted to Oshkosh AeroTech, LLC. Due to this conversion, Oshkosh AeroTech, LLC, is the same entity as JBT Aerotech Corporation.

Based on the information received, Guernsey recommends to the Oklahoma City Airport Trust awarding the Contract for OCAT WRWA 2418 to Oshkosh AeroTech, LLC.

	<u>Base Bid</u>
• Oshkosh AeroTech, LLC (Converted from JBT Aerotech Corp.)	\$ 1,113,666.33 per PBB
Total Contract for (3) PBB's	\$ 3,340,999.00

Should you have any additional questions about this evaluation, please feel free to contact me.

Sincerely,
C.H. Guernsey & Company
