RE: Sole Source IPL Carts & Parts

Dear Rebecca Cavnar:

IPL North America Inc. is the sole manufacturer of parts that are compatible with IPL waste, recycling, and organics collection carts. That being said, other manufacturer's designs will not fit our cart and attempting to retrofit IPL carts with any other parts other than our OEM parts would void any warranty provided by IPL as well.

We look forward to the continued partnership with the city in the future. Please do not hesitate to contact me if you need any further assistance.

Thank you,

Brandon Becker
