Re: Amendment No. 7 & Change Order No. 10
Project No. BC-0219R/WC-0997
New Pedestrian Bridge and Water Line Relocation Northwest Expressway and West Wilshire Boulevard

Honorable Mayor and Council:

I. BACKGROUND

The project will provide a new connection along the Hefner-Overholser trail system (between N. MacArthur Blvd and W. Wilshire Blvd). The existing trail terminates on the north side the Signature Plaza (near Canal Rd) and begins again on W. Wilshire Blvd (by means of in-street bike lanes) south of NW Expressway. The project will involve the construction of new pedestrian bridge over NW Expressway and construction of new multi-use trail on either side of NW Expressway.

II. SCOPE

Amendment No. 7 & Change Order No. 10 add quantities to the contract.

III. JUSTIFICATION

This amendment and change order are required to adjust plan quantities related to construction as described.

Amendment No. 7

This Amendment is required to adjust plan quantities related to construction as described below:

- OG&E is revising the location of the street light power supply from the original location shown on the construction drawings. The 2” Traffic Signal Conduit (bored) requires 160 LF additional.

Change Order No. 10

This Change Order is required to adjust plan quantities related to the construction as described below:

- OG&E is revising the location of the street light power supply from the original location shown on the drawings and requires 1 additional Pull Box (Size 1) for placement.
