Re: OCWUT 02-20 (C209010) Brass Meter Service Materials

Core & Main's vendor, Ford Meter Box, has implemented a price increase, effective February 28, 2025. Prices for all their will products will increase 5%. I am attaching their detailed letter regarding the price escalation. A price book can be downloaded on Ford's website [www.fordmeterbox.com](http://www.fordmeterbox.com). If you need anything else, please let me know.

Thank you

February 14, 2025

To Our Valued Customers:

Due to rising costs, The Ford Meter Box Company, Inc. will be implementing a price increase effective February 28, 2025.

**Prices for all products will increase by five percent (5%).** This includes brass and iron products manufactured in our Wabash, IN facility, as well as pipeline and Uni-Flange® restraint products manufactured in our Pell City, AL facility. The increase will be implemented with a discount adjustment (see enclosed distributor discount page).

All existing fixed-price quotations will be observed through the contract period. All other pricing programs will be adjusted, and updated discount sheets will be forthcoming. Pricing on orders received before February 28, 2025 will be honored. Orders received for delayed or scheduled release will be processed using new pricing.

For your convenience, a PDF copy of our price book is available for download on our website, [www.fordmeterbox.com](http://www.fordmeterbox.com). An Excel version is also available on our distributor portal.

The current environment surrounding potential tariffs and their impact on material costs remains fluid. We are closely monitoring developments as they relate to our products. Ford Meter Box's policy has always been to increase prices only when economically warranted. Should circumstances change, a future price increase may become necessary on impacted products.

Thank you for your continued support of The Ford Meter Box Company and for allowing us to service your waterworks needs. Please contact your Ford Meter Box® Customer Manager or Sales Representative with any questions.

Best Regards,

THE FORD METER BOX COMPANY, INC.
