FUNDING RECOMMENDATIONS

The Annual Action Plan establishes the priorities and programs for the use of federal grant funds specific to local community planning and development. Following adoption of the Plan, significant changes require a substantial amendment and a public hearing. Establishment of a new program and an allocation or reallocation of more than 25% are considered significant changes.

SUBSTANTIAL PLAN AMENDMENT SUBMISSION

The Substantial Plan Amendments to the FY 2024-25 Fifth Year Action Plan document will be submitted to the U.S. Department of Housing and Urban Development on or before May 13, 2025. Publication of this Notice begins a 30-day period during which citizens can make comment about the activities proposed.
