

AMENDMENT NO. 1 TO **PROFESSIONAL SERVICES AGREEMENT**

THIS AMENDMENT No. 1 to Professional Services Agreement (“Amendment No. 1”) amends the Professional Services Agreement (“Agreement”) that was made and entered into on the 18th day of July 2023, by and between The City of Oklahoma City ("The City") and the Paseo Arts Association, Inc., an Oklahoma private nonprofit corporation ("PAA").

WHEREAS, the PAA has a professional services agreement with the City approved by Council on July 18, 2023 in the amount of Eighteen Thousand Dollars (\$18,000) to foster the preservation and growth of the Paseo Arts District in the area of NW 28th Street and Dewey Avenue; and

WHEREAS, the PAA organization produces the annual Paseo Arts Festival, which attracts thousands of visitors to the district. Due to rising costs, the PAA has taken on additional expenses associated with the festival and, due to recent renovations to the street, the space available for artist booths has been reduced thereby decreasing the amount of revenue generated from booth fees.

WHEREAS, The City desires the amendment in order for PAA to complete the deliverables in accordance with the amended Scope of Work included herein as “**Attachment A**”.

NOW THEREFORE, in consideration of the covenants and agreements contained in the Agreement and hereinafter set forth, it is mutually agreed by the Parties that the Agreement is amended as follows:

SECTION 4. COMPENSATION

The Contractor will only be compensated for the Scope of Work and Program Services to be provided to the City under this Agreement. For convenience of administration only, the compensation paid to the Contractor may include certain authorized business expenses related to the Scope of Work and Program Services to be provided. The compensation will be made based on the following criteria:

- A. Evidence of Matching Funds Required. Contractor shall provide evidence of having raised private funds to match the City’s agreed compensation in the original Agreement.

To implement this requirement, the City's reimbursement will be for 50 percent of eligible expenses incurred and approved for payment, which equates to a minimum match of 50 percent of eligible expenses from Contractor for the original amount in the contract year.

- B. Exception for Additional Funds. Provided Contractor has met the minimum match requirement for the agreed compensation under the original contract, funds provided under Amendment No. 1 are not subject to the Matching Funds Requirement.
- C. Compensation for Scope of Work and Program Services. Under the terms of this Agreement, Contractor agrees to perform the work described in the Amended Scope of Work and Program Services and to provide the Reports and other materials required herein. The City agrees, upon the submission of a proper claim, to compensate the Contractor in an amount not to exceed \$18,000 \$23,000 for the work and services performed.

APPROVED by the Pasco Arts Association, Inc., this 20 day of May, 2024.
