

MEMORANDUM

Council Agenda
Item No. IX. F
11/19/2024

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution authorizing the purchase of wireless services and equipment, including wireless voice and data plans, from State Contract (COKC01058), estimated cost \$2,500,000, November 21, 2024 through November 20, 2025.

Background:

City Departments and Trusts have a continuing need to purchase wireless services and equipment, including wireless voice and data plans, which are available through a State Contract.

The estimated cost of \$2,500,000 consists of wireless services that include voice and data plans for cellular phones, as well as wireless data plans for other technology devices to maintain a connection to the City's network for business operations. These include, but are not limited to, public safety mobile data computers, traffic signals, non-public safety field devices, tablets and other technologies needed in the field.

Staff is requesting Council approve a resolution authorizing the purchase of wireless services and equipment, including wireless voice and data plans, from State Contract (COKC01058), estimated cost \$2,500,000, November 21, 2024 through November 20, 2025.

The estimated cost for this State contract is based on previous expenditures for this commodity. The City and Trusts are under no obligation to purchase from this agreement. All purchases are subject to future appropriations and the availability of funds.
