

MEMORANDUM

OCMFA Agenda
Item No. MFA. C
12/31/2024

The City of OKLAHOMA CITY

TO: Chairman and Trustees of the Oklahoma City Municipal Facilities Authority

FROM: Craig Freeman, City Manager/General Manager, OCMFA

Request for Proposals to be advertised for Oracle Fusion Cloud Services Support (RFP-OCMFA-040).

Background:

The Oklahoma City Municipal Facilities Authority (OCMFA), on behalf of The City of Oklahoma City (City) and its trusts, is seeking proposals from qualified vendors to provide Oracle Fusion Cloud Applications Management support and optimization services.

The City, through OCMFA, purchased Oracle Fusion Cloud enterprise platform, and transitioned to Oracle Fusion Cloud Human Capital Management (HCM) on July 1, 2023 and Oracle Fusion Enterprise Resource Planning (ERP) on April 2, 2024. The current master services agreement for Oracle Fusion Cloud Applications Management Services expires on June 17, 2025.

The RFP will allow the City to procure support services for Oracle Fusion Cloud from organizations with a proven history of success within the Oracle Fusion Cloud industry. The Contracting Entity intends to obtain support services that aligns with open system standards stated in this solicitation. Evaluation will be based on the value and suitability of the vendor's products and services, ability to meet or exceed defined requirements, management experience, and the vendor's overall business viability.
