

MEMORANDUM

Council Agenda
Item No. X. K
3/12/2024

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Concurrence with the Oklahoma City Water Utilities Trust in adopting a Resolution ratifying the actions of the General Manager in declaring an emergency; waiving competitive bidding, and awarding a contract to Matthews Trenching Company, Inc., Project SE-0057, Emergency Sanitary Sewer Repair, 4610 NW 26th Street, \$225,500; ratifying issuance of an emergency work order; and approving the contract and bonds. Ward 2.

Location:

4610 NW 26th Street

Purpose:

To ratify the actions of the General Manager in declaring an emergency.

Background:

An existing segment of 10-inch clay sanitary sewer pipe had collapsed and needed to be replaced. Due to the present site condition and the existing sanitary sewer being bypassed, it was deemed beneficial to award the emergency project to Matthews Trenching Company, Inc. (Matthews). Matthews has a contract with the Oklahoma City Water Utilities Trust for unit-price sanitary sewer main improvements (SC-1101) that was under construction in the immediate vicinity of the collapsed pipe. The proximity and availability of Matthews's equipment and resources saved mobilization time and costs for the emergency project. The necessary repairs were beyond the immediate resources of utility crews, and it was in the best interest of the public health, safety, and welfare that repairs be completed immediately so that normal operations could be restored.

Bids Received:

February 7, 2024 (This is a unit-price based project.)

Engineer:

Utilities Department-Engineering Division

Source of Funds:

OCWUT-Sewer Facility Account-OCWUT WW Trust Capital-Interceptors-Project SE-0057-Construction In Progress (360-3560-3801600-07140-SE-0057-54040007)

Review:

Utilities Department

Recommendation: Concur with the Oklahoma City Water Utilities Trust in adopting the Resolution.
