

MEMORANDUM

OCAAT Agenda
Item No. V. M
3/28/2024

TO: Trustees, Oklahoma City Airport Trust

FROM: Jeff Mulder, Director of Airports

Plans and Project Manual to be advertised for bids, Project No. OCAAT WRWA 2408, Walkway Modernization.

Location:

Will Rogers World Airport

Background:

On July 3, 2023, a purchase order was issued utilizing Project No. OCAAT GEN 2312, Multi-Year Professional Services with Engineer, to develop plans and specifications for Walkway Modernization (Project) at Will Rogers World Airport.

The existing walkways are beyond their useful life and require reoccurring maintenance to be operational. Rehabilitating and modernizing the moving walkways will reduce maintenance requirements and increase reliability for the traveling public.

The Trust is utilizing the Airport Infrastructure Grant (AIG) funding for the replacement of four (4) passenger walkways. Award of the Project will be dependent on grant funding from the Federal Aviation Administration (FAA). All necessary funding beyond that provided through the FAA's AIG program will be the Trust's responsibility.

Bids to be Received:

May 1, 2024 at 10:00:00 a.m. CDT

Estimated Construction Cost:

\$1,590,450

Source of Funds:

Estimated Airport Infrastructure Grant	\$	1,524,591
Estimated Local Match	\$	169,733
Estimated Total Project Cost	\$	1,694,324

Engineer:

C. H. Guernsey & Company

Recommendation: Final Plans and Project Manual be approved; and the Secretary be authorized to advertise for bids.
