

MEMORANDUM

Council Agenda
Item No. IX. AE
12/17/2024

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Approve unlisted Project BC-0230-II, Bridge Rehabilitation, NW 10th Street over North Grand Boulevard and a total allocation of Unlisted General Obligation Bond Funds from Proposition 1 of the 2017 General Obligation Bond Authorization in the amount of \$2,841,947. Ward 6.

Location:

NW 10th Street over North Grand Boulevard

Background:

This American Rescue Plan Act (ARPA) project involves replacing the eastbound and westbound bridges on Northwest 10th Street, with enhancements such as bridge widening, the addition of a dedicated deceleration lane to the Interstate 44 off-ramp to assist with traffic merging onto Northwest 10th Street, new guardrails, and replacement of the existing concrete drainage channel. While this is a listed 2017 General Obligation Bond Bridge Proposition project, Streets funding is being applied to address street-related improvements, including the widening and deceleration lane additions.

Bids for the project were received and opened on November 20, 2024. However, due to rising material costs, the submitted bids exceeded the allocated budget. To fully fund the project and keep it on schedule, this allocation request will utilize Unlisted General Obligation Bond funds from Proposition 1 of the 2017 General Obligation Bond Authorization.

This project is expected to begin construction in Spring 2025 and be completed in Summer 2026.

Allocate to:

\$2,841,947.00
